Subject: Sam's Amusement Dart Tournament

To Whom It May Concern,

We are asking permission from the City of West Allis to grant us exception on acquiring amusement licenses for a Dart Tournament we are having.

Sam's Amusement has been promoting dart tournaments for many years in Kenosha WI. We have invited people from other communities to participate and have had great success. We would like to grow our tournaments and at the request of dart players we have chosen West Allis WI.

We understand that it is a \$35.00 per machine license fee however the additional dart boards we need to adequately support this tournament would cost us \$595.00. Our tournaments are scheduled over a weekend. We bring them into the established location on Thursday to insure that we have proper time to set them up. Tournaments begin on Friday evening and end on Sunday afternoon. The dart boards are then picked up on Monday.

This tournament is requiring us to bring in 17 additional dart boards. The tournament dates are June 6-8th at Aris Bar on Greenfield & Hwy 100.

Thank you for your consideration.

We hope to continue our successful tournaments in the city of West Allis.

Sincerely,
Toni Dries
Sam's Amusement
