West Allis DPW

Dear Dan,

WAVE (Wisconsin Anti Violence Effort) would like to request the use of the area in front of the West Allis City Hall for our Flags for Remembrance: Honoring Victims of Gun Violence event on Wednesday August 14th from 5pm to 9pm

We look to create a public facing event designed to emphasize the magnitude of gun deaths in Wisconsin with the goal of impacting the public to learn more about WAVE and our mission and to give people a view of gun violence awareness through the lens of our youth.

We would like to place 708 small orange flags to represent the yearly average gun deaths in the state of Wisconsin, a brief press conference, and a youth jazz trio will play in the background. Once the event is over, we will retrieve the flags to use at other events around the city.

If you need any more information from me, please feel free to contact me.

Thanks for your time and patience.
