RE: School Crossing Guard
Lincoln Avenue from 99th Street to 102nd Street

WEST ALLIS, WI

The following petition was done with minimal effort; more signatures can be obtained to acquire a crossing guard to protect our children on their way to and from elementary school between 99th and 102nd on Lincoln Avenue.

Lincoln Avenue is a very busy and dangerous street, especially crossing the on ramp and the children having to cross from the south side of Lincoln Avenue. I have walked with another mom and we had three (3) children with us; and the people in their vehicles do not pay attention to pedestrians trying to cross.

If a new count has been done to see if there are enough children walking to school; please keep in mind that a lot of parents are driving their children because there is not a crossing guard. However, they would let their children walk to school if there was someone to protect them.

Thank you for your consideration in this matter, it is greatly appreciated. Again, more signatures can/will be acquired.

The safety of our future is important to protect!

Sincerely,
Concerned Parents/Neighborhood

WE NEED CROSSING GUARDS!

This year the West Allis Police Department made cuts in their budget and that has resulted in NO crossing guards on Lincoln Ave. This means that our children have to cross Lincoln Avenue and both the on ramp to 894 and the off ramp from 894 alone!

Please sign this petition to get either one crossing guard to cross our children from the North side of Lincoln Ave. to the South side of Lincoln Ave. or a crossing guard at the off ramp, the on ramp and then across Lincoln Ave. if they happen to live on the South side of the street.
