West Allis, WI

SUBJECT: Petition to object for Liquor License

To Whom It May Concern:

We are writing this letter due to concern regarding the issuance of Liquor license at 6231 W Lincoln Ave, West Allis, Wisconsin due to the followings:

- There are already two liquor licenses within a mile therefore there is no need to issue another liquor license for this neighborhood.
- Since this location is not very much visible therefore liquor could be sold to minors without being detected. Also, if you check the records there have been few violations regarding this issued to the previous owner.
- The building itself is not in very good shape and color, which destroys the city's reputation.
- Also, there is no parking lot which blocks the regular traffic of the neighborhood. The delivery trucks blocks the way for the neighborhood to pass through.
- Due to no parking lot, there are no garbage bins for this location which causes ^{litter}loitering around the neighborhood.

cc: Mayor Devina
L+H Committee members

- The city has already issued way over liquor licenses to the business therefore there is no need to issue another liquor license.

With keeping these issues in mind, we request the License Committee to not issue liquor license for this location. Thank you.

Sincerely,
