West Allis, WI 53214

Dear Mr. Ziehler:

In accordance with Section 66.0309(10) of the Wisconsin statutes, the Southeastern Wisconsin Regional Planning Commission is hereby providing to you a certified copy of SEWRPC Planning Report No. 52, *A Regional Water Supply Plan for Southeastern Wisconsin*. A copy of Commission Resolution No. 2010-18 adopting this plan as a guide for the physical development of the Region is bound in the front of this report. The report documents another important element of the evolving comprehensive plan for the physical development of the Region—a plan for the provision of a long-term, sustainable water supply for the seven-county Southeastern Wisconsin Region. A copy of Commission Resolution No. 2010-18 adopting this plan as a guide for the physical development of the Region is bound in the front of this report.

It is respectfully requested that, upon the recommendation of the City Plan Commission, the Common Council endorse this important plan element, and direct integration of the findings and recommendations of the plan into ongoing City planning, regulatory, and other activities related to water supply. A model resolution for the requested plan endorsement is also enclosed.

City endorsement of this regional plan element is important to help assure a common understanding among the municipalities within the Region—as well as among the various water utilities, special purpose units of government, and various State and Federal agencies of government involved—concerning the conservation and wise use of the surface and ground water resources of the Region, and the importance of these resources to the continued economic development of the Region and to land use development and redevelopment within the Region.

If the Commission or its staff can be of assistance to the City in its consideration of this plan element, please do not hesitate to call upon us. Such assistance could include Commission staff presentations of the plan and its specific recommendations concerning the City to appropriate City staff and agencies.

Sincerely,

David L. Stroik
Chairman
