West Allis, WI 53214

Common Council Members:

I am pleased to recommend the appointment of Mr. Kail Decker for the remainder of the current term of City Attorney that expires on April 30, 2020. Then, subject to an employment contract being approved by the Common Council, he will then hold the position as an appointed official.

Mr. Decker has more than 10 years of experience practicing municipal law in Wisconsin, both for the City of Green Bay and currently for the City of Milwaukee. Mr. Decker's current duties for Milwaukee include nuisance abatement, building code enforcement, real estate development, municipal defense, raze orders, general litigation and appeals, ordinance drafting, election law, and handling unusual and challenging matters of law.

Prior to receiving his Juris Doctorate from Marquette University Law School, Kail was an intern for the West Allis City Attorney's Office for a year and a half. He earned his Economics undergraduate degree from Minnesota State University - Mankato.

If appointed, Mr. Decker would begin his term in the first few weeks of January. Please let me know if you have any questions or need further information or clarification.

Thank you for your consideration of this outstanding attorney for the key position for the City of West Allis.

Sincerely,

Dan Devine
Mayor
