To the

Honorable Mayor & Common Council

RE - Variance request.

This is a request for a permit to erect a 13 ft (thirteen) foot wide shelter roof on the above referenced property, per section code 9.21(4)(c)3 of the Revised Municipal Code. Due to the door steps this 13 ft is required to cover the auto from the snow as it is sometimes difficult for senior citizens to remove the snow from the auto and surrounding area.

If any questions - phone 414-774-0907

RE: Permit for a shelter roof at 10315 West Greenfield Avenue, #835

Dear Ms. Mathews:

You applied for a permit to erect a thirteen (13) foot wide shelter roof on the above referenced property. Per Section 9.21(4)(c)3 of the Revised Municipal Code, the shelter roof must be a minimum of six (6) feet from the nearest mobile home. Your shelter roof will be three (3) feet from the nearest trailer.

Your permit is hereby denied because the shelter roof will be too close to the nearest mobile home. You may request a variance to the code from the West Allis Common Council. Please address a letter to the Honorable Mayor and Common Council, c/o City Clerk's Office, 7525 W. Greenfield Avenue, West Allis, WI 53214. It should state the code section and why you wish the variance.

Should you have any further questions, please contact me at 414-302-8409.

Sincerely,

Terry J. Tauschmann
Building Inspector
