5.1 OVERTIME PREMIUM

Any overtime work and premium must be authorized in advance by an employee’s Department Head.

5.1.1 Executive and Managerial Service. An employee classified within the Executive or Managerial Service **and the Assistant City Attorneys** shall not be compensated with pay for work performed in excess of the normal 40 hour work week (excess hours) however some flexibility shall be allowed with respect to the excess hours (e.g., late arrivals, longer lunches, early departures, and other personal accommodations). Said employees shall be allowed to use up to 8 consecutive hours of their excess hours at any one time on a non-regular basis. Although said employees are not required to record excess hours on their bi-weekly timesheets, they must maintain records for at least 3 years in accordance with Wisconsin Administrative Code § DWD 272.11(1).

All Compensatory Time hours carried into the next calendar year shall only be compensated as time off. When Compensatory Time is taken, said time shall first be reduced from the hours that were carried over.

Such payment shall be made by the second pay period following the request. All hours to be paid under this section will be canceled from the employee's account as of such pay period.

(NOTE: Certain employees classified as Deputy/Assistant Service prior to 1994 were grandfathered with time and one-half for an overtime premium; upon said employee's vacation of said position, the grandfathered status shall no longer be in effect. between the last pay period ending in November through December 31 of that year, which causes the Compensatory Time accrual to exceed 40 hours, shall be paid out as overtime. All Compensatory Time hours carried into the next calendar year shall only be compensated as time off. When Compensatory Time is taken, said time shall first be reduced from the hours that were carried over.

An employee shall have the option to receive payment on a monthly basis for all or any part of the hours remaining in the account as of the last day of the month, provided the employee notifies the Finance Division at least 3 days prior to the last day of the month of the employee's election and indicates the amount of such time to be paid. Such payment shall be made by the second pay period following the request. All hours to be paid under this section will be canceled from the employee's account as of such pay period.

Department of Public Works (DPW) employees not assigned on a regular basis to office positions shall be paid for any overtime work unless an employee requests the overtime to be added to their Compensatory Time account.

(1) Time and One Half:

5-2 Schedule Employees (i.e., work 5 days then off 2 days such as a Monday – Friday work schedule): Overtime at the rate of time and one-half (1-1/2) their regular rate of pay shall be paid or accrued for all hours in excess of 40 hours in a work week, or on Saturday, if Saturday is not part of the employee's regular work schedule.

When required to perform other duties and/or participate in training during normal working hours (i.e., 7:00/7:30 a.m. to 3:00/3:30 p.m.), said time is considered part of the "incentive work" day and therefore no additional pay is provided.
