# Memorandum

**TO:** Board of Public Works

**FROM:** Michael Lewis, Director of Public Works/City Engineer

**DATE:** March 25, 2016

**RE:** **Communication from the Director of Public Works/City Engineer regarding mountable curb along 85<sup>th</sup> Street and payment.**

We confirmed with the Contractor that the additional cost for installing mountable curb along the east side of 85<sup>th</sup> Street is the bid price of \$1 per foot. Therefore, the total difference in cost is \$1,220. I understand that a resident is willing to pay for the total amount on behalf of his neighbors.
