DISPOSAL SERVICE, INC.

April 30, 2019

The City of West Allis
Attn: Dave Wepking – DPW Director
6300 W. McGeoch Ave.
West Allis, WI 53219

Dear Dave,

It has been a pleasure serving your Cities recycling needs over the past year and a half. As you know, recycle markets have taken a turn for the worse over the past year. The agreement that we entered into on August 11, 2017 is no longer sustainable for JOHNS Disposal. We are writing to officially request the City allow our agreement to expire early, on or before December 31, 2019. We would be willing to negotiate an amendment to our agreement if the City would be interested.

Page two of our agreement letter d states, "In low market times, Johns Disposal will not charge the City if the cost of processing exceeds the rebate value of the material. Therefore, the City will never pay the Processor for services provided." This specific clause is the sole purpose for our request to either terminate or amend our agreement.

I would be happy to sit down to discuss this further with you and answer any questions you may have. Thank you for your understanding and consideration.

Sincerely,

A handwritten signature in cursive script that reads "Dan Jongetjes". The signature is written in dark ink on a white background.
