Honorable Mayor Dan Devine  
Members of the Common Council

In an effort to provide the timeliest financial information available, the accompanying reports are being provided. These reports summarize revenues, expenses, and the financial position of the city as of October 30, 2009.

Please note, however, that these figures do not represent formal month-end October 2009 data. A formal month-end close is made approximately 10 days after the end of the month to allow for all transactions to be posted since certain information, such as interest income on investments, is not available until after the end of the month. Since formal month end information was not available for October in time for this meeting the accompanying "interim" reports are provided. These reports do include payroll activity through the October 23<sup>rd</sup> payroll, department purchases made through October 30<sup>th</sup>, and cash collected through October 28<sup>th</sup>. Interest income on investments is not included as it was not available yet. Other amounts may also have been excluded, however they are considered immaterial.

Ann -  
Here are the materials  
for my Council jacket  
for October financial  
reports. I emailed  
a pdf of these to you  
as well. Thanks!  
Kris
