Re: City Attorney's Report of Claim/Lawsuit

Dear Council Members:

The attached claim/lawsuit have been referred to this office in accordance with Section 3.05 (6)(a) of the Revised Municipal Code. This office has examined the facts of each claim/lawsuit and the applicable law. Our Opinion regarding liability is as follows:

It is the recommendation of this office that the following claim/lawsuit be placed on file:

**(Robert C. Braun v. City of West Allis, et al. – Case Nos. 02-CV-011238 & 03-C-0005;
City of West Allis v. Robert C. Braun – Case Nos. 02-FO-000474 & 03-3315)**

This claim and lawsuit stems from Robert Braun's arrest on November 19th, 2001, outside of Hale High School. Mr. Braun was handing out leaflets on school property and was asked by school personnel, including the principal, to leave. When Mr. Braun refused to leave, West Allis Police Officers were called. They also asked Mr. Braun to leave and had the principal ask him to leave again. When Mr. Braun refused, he was arrested. The officer charged Mr. Braun with disorderly conduct. That charge was dismissed by me in Municipal Court and subsequently re-issued several weeks later for trespassing. Mr. Braun sued claiming the City and School District had violated his constitutional free speech rights and that the re-issuance of the trespassing charge was malicious prosecution. The City Attorney's Office and Counsel for the School District worked closely on this case and both sets of defendants filed Motions for Summary Judgment. By Order dated June 3rd, 2004, William E. Callahan, Jr., United States Magistrate Judge for the United States District Court, Eastern District of Wisconsin, dismissed all of Mr. Braun's claims against both the City and the School District. Mr. Braun did not appeal the decision.

No monies were paid to Mr. Braun in settlement of this matter. In fact, the court awarded the City a judgment of \$689.00 against Mr. Braun to cover the costs of this action.

Respectfully submitted,

Scott E. Post
City Attorney

PRELIMINARY STATEMENT

1. This is a verified Complaint in which the Plaintiff, Robert C. Braun (hereinafter referred to as **"Braun"**), seeks nominal, compensatory, and punitive damages against the City of West Allis and the West Allis, West Milwaukee Public School District #1 and their agents for arresting him without probable cause and conspiring to willfully infringe upon his protected right to peacefully assemble and criticize public policy.
2. A declaratory decree is needed to prevent future abuse of certain arbitrary statutes by overbearing law enforcers who could once again misconstrue and misapply Wis. Stat. 943.13 et seq.
3. Braun has remained a resident at his current address since 1972. He took early retirement from a truck driving job in 1983 due to an employment related injury. After a bitter experience with ambitious and abusive law enforcers he became an active evangelist and began demonstrating against those who disobey God's law, including popular politically correct pursuits that violate biblical caveats. Those who are the object of Braun's rebukes, including government officers, become upset over his outspoken censure and often attempt vindictive retaliation through vague and arbitrary laws such as "disorderly conduct," "trespassing," "picketing without permission." Two of those arbitrary laws are the focus of this Declaratory Decree action.
4. Braun organized a group of fellow Christians he named **"Defenders of Biblical Morality"** (hereinafter referred to as **"DBM"**), who are concerned with public high schools adaptation of a class that condones and normalizes non-Biblical sexual relations. DBM were successful in distributing pamphlets without repercussion prior to November 19, 2001 at one local high school (Central High) warning parents of the danger in promoting non Biblical morality.

5. On November 19th, 2001 Braun, with several other DBM, appeared at another local high school (Nathan Hale High) for a meeting that was announced by public broadcast. The meeting was in regard to optional class enrollment for the next semester. DBM appeared for this public meeting but were denied access to the meeting because of the contend of their message. (See exhibit A)
6. The high school principal and a local police officer conspired to violate Wisconsin's Open Meetings Law, and to infringe upon Braun's protected freedom of expression guarantees by seizing and arresting him without probable cause when he challenged their authority.
7. For several hours after his unlawful seizure Braun (^{R.C.B}~~handcuffed~~ and kidnaped) was confined at the local jail. Braun was eventually released after being issued a citation for violating the local "Disorderly Conduct" ordinance.
8. At Braun's initial appearance on December 17th, 2001 in municipal court on the local ordinance violation charge of Disorderly Conduct, the city attorney asked the Municipal Court to dismiss that charge without prejudice and it was dismissed without an explanation on the record..
9. Because of Braun's reputation as a radical evangelist and his litigious propensity, the local city attorney was bigoted against Braun and, sometime after Dec. 17th, 2001, he used a local ordinance as a method of vindictive retaliation against Braun by ordering a police officer to summon him to court to answer the charge of trespassing at the high school on Nov. 19th, 2001.
10. So Braun was surprised on January 28th, 2002 when he received by U.S. Certified Mail a local ordinance violation citation alleging he had trespassed at the high school on Nov. 19th, 2001.
11. The citation issued alleging that Braun trespassed failed to state what ordinance was violated.
12. On May 16th, 2002 Braun spoke to the city attorney at his office regarding the missing ordinance number, and the city attorney announced that he choose to prosecute Braun under West Allis Ordinance 6.02, which adopts by reference section 943.13 Wis. Stat.

13. Braun's Municipal Court trial was held on May 21st, 2002. He appeared to object to his unlawful prosecution. All the named Defendant's herein (except school board members) appeared to conspire with the local municipal judge to maliciously prosecute Braun for allegedly violating Wisconsin Statute 943.13(1m)(b) [Trespassing].
14. Braun filed a timely request for trial de novo before a Milwaukee County Circuit Court Judge regarding the frivolous allegation that he had trespassed on Nov. 19th, 2001.
15. Braun made a claim to the local city Common Counsel regarding the frivolous charge and malicious prosecution that was being perpetrated against him, but the Common Counsel, on the advise of the accused city attorney, ignored Braun's request to cease and desist the malicious prosecution and to make him whole for the conspiratorial action of its city officers.
16. Braun filed a dispositive motion to dismiss the frivolous charge of trespassing, and that jurisdiction challenge motion in Case No. 02FO000474 was brought for consideration by Branch 47 Milwaukee County Circuit Court on November 6th, 2002.
17. On Nov. 6th, 2002, the Court ordered the parties to provide a copy of the wording of the West Allis Municipal Ordinance which was alleged to have been violated because the record before the court failed to indicate that crucial element. Braun's dispositive motion was postponed and is now scheduled to be brought on for hearing on December 6th, 2002., at 10:30 AM.
18. DCM exercise of political dissent continues to be chilled by West Allis Officials who persist to maliciously prosecute Braun on a frivolous charge.

WHY A DECREE IS NECESSARY

19. Plaintiff incorporates by reference the allegations in Paragraphs 1-18 above.

20. Even if Braun's evidence becomes persuasive, showing that the named defendants' conduct was deliberate in misapplying the trespassing statute, it will be difficult to establish the intent of these tyrants if they deny Braun's allegations. Therefore it becomes clear that a Declaratory Decree is necessary to keep future abusive enforcement of this statute from being used by ambitious law enforcement agents.

21. Questions the Court needs to address to protect political dissidents from misapplication of Wisconsin's Trespassing statute should be:

- a) Was it the intent of the legislators who passed the bill that created Wis. Stat. 943.13 et seq. to protect other than owners or occupants of private real property?
- b) Can any public servant claim to be the "owner" of public real property?
- c) What is the meaning of the term "occupant" as used within Wis. Stat. 943.13?
- d) Can the term "owner or occupant," as used throughout section 943.13 Wis. Stat., apply to public servants, such as the named defendants herein, who may be custodians of public property where an undesirable citizen demands access?
- e) Is it appropriate to accuse anyone of "trespassing" on public real property, i.e. is the word "trespasser" limited in application to declaration by the owner or occupant of privately owned real property?
- f) Should the agent who accuses an individual of "trespassing" in violation of some portion of Wis. Stat. 943.13 et seq. be required to provide for the alleged trespasser the accuser's delegation of authority to declare who is a "trespasser?"
- g) Can a person who misapplies the trespassing statute by making an oral false claim to be the designated delegate of the owner or occupant of real property be prosecuted under section 943.13(3) Wis. Stat.?
- h) What action can be taken against one who misrepresents authority by falsely claiming to be a designated delegate of the owner or occupant of real property and thereby falsely accuse an undesirable visitor of trespassing on public real property?

27. The Court has power to provide a written decision recognizing that Braun's seizure and unlawful arrest on November 19, 2001 deprived him of the exercise of his free speech right that is protected by Article I, Section 3 of the Wisconsin Constitution/¹ and Plaintiff so demands.

Stat., and Plaintiff so demands.
32. The Court has power to provide a written decision recognizing that the Defendant Scott E. Post, in his official capacity as the elected West Allis City Attorney, is responsible for the frivolous and persistent malicious prosecution of the Plaintiff who was acting within his protected right to criticize government policy on Nov. 19th, 2001, and Plaintiff so demands.

² **U.S. Constitution, First Amendment - Religion and Expression :**
Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for redress of grievances.

STATEMENT OF FACTS

33. PLAINTIFF incorporates by reference the allegations in Paragraphs 1-32 above.
34. Upon personal knowledge Plaintiff alleges the following:
35. Within one week prior to November 19, 2001, I noticed a local newspaper article announcing a meeting that was to be held for parents of students at Nathan Hale High School, 11801 W. Lincoln Ave., West Allis, Wisconsin on November 19, 2001 concerning choosing students' curriculum.
36. That I appeared at Nathan Hale High School on November 19th, 2001 at about 5:05 PM and began offering pamphlets to parents entering the meeting.
37. That the pamphlets I offered to parents entering the school concerned the optional nature of a particular course that I found objectionable. (See exhibit ~~MAP~~ R. C. B.)
38. At that time a man dressed in a business suit approached me and mentioned that he was with "security" at Nathan Hale High School. He said that the material I was passing out was not approved by the school board and that I should not distribute it.
39. After I told him that he was wrong he left and came back with a lady who did not identify herself but told me also that I should not pass out any pamphlets.
40. That I told the lady (later identified as the school principal, Kathleen MacDonald) that I thought she was wrong because I had already distributed pamphlets at the other West Allis High School without objection.
41. That this lady then told me that if I didn't leave the school property she would have me removed by the police.
42. That I then asked this unknown lady to please call the police.

43. That in about 10 minutes a one man police squad car arrived and the officer spoke to me
44. That I told the officer that I was not breaking any law and that there was no written rule extant that could interfere with my protected right to pass out pamphlets critical of school policy.
45. That this officer radioed for the assistance of an administrative officer.
46. At 6:13 PM West Allis Police Sergeant Anthony Ball arrived and as the officer approached me he said: *"You can not do this here! Mr. Braun you'll have to, and you know this, you'll have to go to the sidewalk."*
47. That when I tried to explain my position to Sgt Ball he interrupted me and said: *"No, but we are an authority from the United States. And the United States government says you have to do it outside of the property."*
48. That when I challenged the officers claim to be a representative of the United States government Sgt. Ball said: *"I think I am! And I'm also - I represent the City of West Allis."*
49. That my attempt to respond to Sgt. Ball's claims was again interrupted by the officers loud order, to wit: *"So sir, - no sir; you're going to have to go out or I'm going to have to arrest you for disorderly conduct."*
50. That my further attempt to reason with Sgt. Ball was met with the officer's demand to leave immediately, to wit: *"What is - what's disorderly? Right now you are in violation. All right? You're in vio.. Yes! Yeah, you're in violation of the law. And you can't - you can't be doing this on this property. O.K., you need to - you need to go out by the stop sign! And Mr. Brown, I'm not gonna, I'm not gonna play this game with you. O.K.? You - you can go home and take care of you're family. Maybe that's where you need to be."*
51. Sgt. Ball then summoned the school principal to come out and confirm that she asked me to leave, which she did.

52. Sgt. Ball then threatened to arrest the video tape recorder of this confrontation if he didn't leave the scene. The recorder heeded Sgt. Ball's warning and left at 6:18 PM (video tape available.)
53. Because I continued to question the school principal and Sgt. Ball's authority to infringe on my protected free speech right, Sgt. Ball placed me under arrest for Disorderly Conduct and had me transported to the West Allis Police Station.
54. That at no time prior to my arrest for Disorderly Conduct was I told that I was in violation of a trespassing law, by either the school principal or a police officer (or anyone)..
55. That after I was transported to the West Allis Police department and locked in jail, I was handed West Allis Municipal Ordinance Violation Citation No. M-68718, alleging that I had violated Municipal Ordinance 6.02(3)(a), adopting Stat. No. 947.01, Disorderly Conduct.
56. That on December 17th, 2001 I appeared at the West Allis Municipal Court as ordered and spoke to West Allis City Attorney Scott E. Post concerning the propriety of alleging that I had been in violation of the Disorderly Conduct ordinance on November 19th, 2001.
57. That Attorney Scott E. Post did in fact, on December 17th, 2001, ask the West Allis Municipal Court judge to dismiss the Disorderly Conduct charge without prejudice.
58. That this dismissal of the charge of "Disorderly Conduct" caused me to feel vindicated in my right of expression at Nathan Hale High School, until, on January 28^h, 2002, I received by U.S. Mail, a Citation alleging that I was being charged with violating State Statute No. 943.13(1m)(b), at Nathan Hale High School on November 19th, 2001 The Citation designated the offense as: "CRIMINAL TRESPASS TO LAND," and described the violation as: "Δ REFUSED TO LEAVE PREMISES AFTER BEING TOLD TO AT NATHAN HALE 11601 W. LINCOLN AVE." (see Exhibit B)

59. That I was confused because this Citation, Number M-75072, did not show what West Allis Ordinance number applied to my alleged criminal trespass to land, and I knew that criminal statutes were not cognizable in municipal courts.
60. That on May 16th, 2002, I spoke to West Allis City Attorney Scott E. Post at his office regarding the impermissible prosecution of a criminal statute in municipal court and he told me that the trespassing statute had been adopted by reference as an ordinance by West Allis and that he would be the prosecuting attorney in municipal court.
61. That on May 21st, 2002 I appeared as directed to the West Allis Municipal Court, whereat West Allis City Attorney Scott E. Post acted in concert with Sgt. Anthony Ball and Principal Kathleen MacDonald to prosecute me for trespassing in violation of a West Allis ordinance which adopted by reference Wis. Stat. 943.13(1m)(b).
62. That although neither Sgt. Ball or Principal Kathleen McDonald informed me that I was “trespassing” on Nov. 19th, 2001, they both claimed that I had trespassed at the school during their testimony at the municipal court trial on May 21st, 2002.

Attention Parents and Students of the West Allis-West Milwaukee School District

During the next school year, the year 2002-2003, for the **first time** this school district will offer a **choice** for the required tenth grade health class. Sometime around January 2002, parents/teens will be able to choose between two health courses :

1.)The Sex Ed component of the Health class will offer one course with a comprehensive abstinence only curriculum (based on last year's school assembly by Pam Stenzel). This program will help students develop the **character** to set long-range goals, rather than indulging in immediate pleasure. This program will lay the **character foundation** for building a life long marriage and family by teaching the social, psychological, emotional, and health benefits of abstaining from sexual activity until marriage.

2.)The second choice will be the current Sex Ed curriculum in the tenth grade health which will teach what is called "abstinence based" or "abstinence plus" program, in which "A is for abstinence", and "B is for Birthcontrol- what you use if you decide to say yes" (per "ABC's of Abstinence"). The students learn how to select health services in obtaining birth control, testing for venereal disease, and testing for pregnancy based on state confidentiality laws; in other words, parents do not need to be informed (per Human Growth & Development Curriculum Guide Book).

PRELIMINARY STATEMENT

1. This is a verified Complaint in which the Plaintiff, Robert C. Braun (hereinafter referred to as **"Braun"**), seeks nominal, compensatory, and punitive damages against the City of West Allis and the West Allis, West Milwaukee Public School District #1 and their agents for arresting him without probable cause and conspiring to willfully infringe upon his protected right to peacefully assemble and criticize public policy.
2. A declaratory decree is needed to prevent future abuse of certain arbitrary statutes by overbearing law enforcers who could once again misconstrue and misapply Wis. Stat. 943.13 et seq.
3. Braun has remained a resident at his current address since 1972. He took early retirement from a truck driving job in 1983 due to an employment related injury. After a bitter experience with ambitious and abusive law enforcers he became an active evangelist and began demonstrating against those who disobey God's law, including popular politically correct pursuits that violate biblical caveats. Those who are the object of Braun's rebukes, including government officers, become upset over his outspoken censure and often attempt vindictive retaliation through vague and arbitrary laws such as "disorderly conduct," "trespassing," "picketing without permission." Two of those arbitrary laws are the focus of this Declaratory Decree action.
4. Braun organized a group of fellow Christians he named **"Defenders of Biblical Morality"** (hereinafter referred to as **"DBM"**), who are concerned with public high schools adaptation of a class that condones and normalizes non-Biblical sexual relations. DBM were successful in distributing pamphlets without repercussion prior to November 19, 2001 at one local high school (Central High) warning parents of the danger in promoting non Biblical morality.

5. On November 19th, 2001 Braun, with several other DBM, appeared at another local high school (Nathan Hale High) for a meeting that was announced by public broadcast. The meeting was in regard to optional class enrollment for the next semester. DBM appeared for this public meeting but were denied access to the meeting because of the contend of their message. (See exhibit A)
6. The high school principal and a local police officer conspired to violate Wisconsin's Open Meetings Law, and to infringe upon Braun's protected freedom of expression guarantees by seizing and arresting him without probable cause when he challenged their authority.
7. For several hours after his unlawful seizure Braun (handcuffed and kidnaped) was confined at the local jail. Braun was eventually released after being issued a citation for violating the local "Disorderly Conduct" ordinance.
8. At Braun's initial appearance on December 17th, 2001 in municipal court on the local ordinance violation charge of Disorderly Conduct, the city attorney asked the Municipal Court to dismiss that charge without prejudice and it was dismissed without an explanation on the record..
9. Because of Braun's reputation as a radical evangelist and his litigious propensity, the local city attorney was bigoted against Braun and, sometime after Dec. 17th, 2001, he used a local ordinance as a method of vindictive retaliation against Braun by ordering a police officer to summon him to court to answer the charge of trespassing at the high school on Nov. 19th, 2001.
10. So Braun was surprised on January 28th, 2002 when he received by U.S. Certified Mail a local ordinance violation citation alleging he had trespassed at the high school on Nov. 19th, 2001.
11. The citation issued alleging that Braun trespassed failed to state what ordinance was violated.
12. On May 16th 2002 Braun spoke to the city attorney at his office regarding the missing ordinance number, and the city attorney announced that he choose to prosecute Braun under West Allis Ordinance 6.02, which adopts by reference section 943.13 Wis. Stat.

13. Braun's Municipal Court trial was held on May 21st, 2002. He appeared to object to his unlawful prosecution. All the named Defendant's herein (except school board members) appeared to conspire with the local municipal judge to maliciously prosecute Braun for allegedly violating Wisconsin Statute 943.13(1m)(b) [Trespassing].
14. Braun filed a timely request for trial de novo before a Milwaukee County Circuit Court Judge regarding the frivolous allegation that he had trespassed on Nov. 19th, 2001.
15. Braun made a claim to the local city Common Counsel regarding the frivolous charge and malicious prosecution that was being perpetrated against him, but the Common Counsel, on the advise of the accused city attorney, ignored Braun's request to cease and desist the malicious prosecution and to make him whole for the conspiratorial action of its city officers.
16. Braun filed a dispositive motion to dismiss the frivolous charge of trespassing, and that jurisdiction challenge motion in Case No. 02FO000474 was brought for consideration by Branch 47 Milwaukee County Circuit Court on November 6th, 2002.
17. On Nov. 6th, 2002, the Court ordered the parties to provide a copy of the wording of the West Allis Municipal Ordinance which was alleged to have been violated because the record before the court failed to indicate that crucial element. Braun's dispositive motion was postponed and is now scheduled to be brought on for hearing on December 6th, 2002., at 10:30 AM.
18. DCM exercise of political dissent continues to be chilled by West Allis Officials who persist to maliciously prosecute Braun on a frivolous charge.

WHY A DECREE IS NECESSARY

19. Plaintiff incorporates by reference the allegations in Paragraphs 1-18 above.

20. Even if Braun's evidence becomes persuasive, showing that the named defendants' conduct was deliberate in misapplying the trespassing statute, it will be difficult to establish the intent of these tyrants if they deny Braun's allegations. Therefore it becomes clear that a Declaratory Decree is necessary to keep future abusive enforcement of this statute from being used by ambitious law enforcement agents.

21. Questions the Court needs to address to protect political dissidents from misapplication of Wisconsin's Trespassing statute should be:

- a) Was it the intent of the legislators who passed the bill that created Wis. Stat. 943.13 et seq. to protect other than owners or occupants of private real property?
- b) Can any public servant claim to be the "owner" of public real property?
- c) What is the meaning of the term "occupant" as used within Wis. Stat. 943.13?
- d) Can the term "owner or occupant," as used throughout section 943.13 Wis. Stat., apply to public servants, such as the named defendants herein, who may be custodians of public property where an undesirable citizen demands access?
- e) Is it appropriate to accuse anyone of "trespassing" on public real property, i.e. is the word "trespasser" limited in application to declaration by the owner or occupant of privately owned real property?
- f) Should the agent who accuses an individual of "trespassing" in violation of some portion of Wis. Stat. 943.13 et seq. be required to provide for the alleged trespasser the accuser's delegation of authority to declare who is a "trespasser?"
- g) Can a person who misapplies the trespassing statute by making an oral false claim to be the designated delegate of the owner or occupant of real property be prosecuted under section 943.13(3) Wis. Stat.?
- h) What action can be taken against one who misrepresents authority by falsely claiming to be a designated delegate of the owner or occupant of real property and thereby falsely accuse an undesirable visitor of trespassing on public real property?

27. The Court has power to provide a written decision recognizing that Braun's seizure and unlawful arrest on November 19, 2001 deprived him of the exercise of his free speech right that is protected by Article I, Section 3 of the Wisconsin Constitution/¹ and Plaintiff so demands.

Stat., and Plaintiff so demands.

² **U.S. Constitution, First Amendment - Religion and Expression :**
Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for redress of grievances.

STATEMENT OF FACTS

33. Plaintiff incorporates by reference the allegations in Paragraphs 1-32 above.
34. Upon personal knowledge Plaintiff alleges the following:
35. Within one week prior to November 19, 2001, I noticed a local newspaper article announcing a meeting that was to be held for parents of students at Nathan Hale High School, 11801 W. Lincoln Ave., West Allis, Wisconsin on November 19, 2001 concerning choosing students' curriculum.
36. That I appeared at Nathan Hale High School on November 19th, 2001 at about 5:05 PM and began offering pamphlets to parents entering the meeting.
37. That the pamphlets I offered to parents entering the school concerned the optional nature of a particular course that I found objectionable. (See exhibit A)
38. At that time a man dressed in a business suit approached me and mentioned that he was with "security" at Nathan Hale High School. He said that the material I was passing out was not approved by the school board and that I should not distribute it.
39. After I told him that he was wrong he left and came back with a lady who did not identify herself but told me also that I should not pass out any pamphlets.
40. That I told the lady (later identified as the school principal, Kathleen MacDonald) that I thought she was wrong because I had already distributed pamphlets at the other West Allis High School without objection.
41. That this lady then told me that if I didn't leave the school property she would have me removed by the police.
42. That I then asked this unknown lady to please call the police.

43. That in about 10 minutes a one man police squad car arrived and the officer spoke to me
44. That I told the officer that I was not breaking any law and that there was no written rule extant that could interfere with my protected right to pass out pamphlets critical of school policy.
45. That this officer radioed for the assistance of an administrative officer.
46. At 6:13 PM West Allis Police Sergeant Anthony Ball arrived and as the officer approached me he said: *"You can not do this here! Mr. Braun you'll have to, and you know this, you'll have to go to the sidewalk."*
47. That when I tried to explain my position to Sgt Ball he interrupted me and said: *"No, but we are an authority from the United States. And the United States government says you have to do it outside of the property."*
48. That when I challenged the officers claim to be a representative of the United States government Sgt. Ball said: *"I think I am! And I'm also - I represent the City of West Allis."*
49. That my attempt to respond to Sgt. Ball's claims was again interrupted by the officers loud order, to wit: *"So sir, - no sir; you're going to have to go out or I'm going to have to arrest you for disorderly conduct."*
50. That my further attempt to reason with Sgt. Ball was met with the officer's demand to leave immediately, to wit: *"What is - what's disorderly? Right now you are in violation. All right? You're in vio.. Yes! Yeah, you're in violation of the law. And you can't - you can't be doing this on this property. O.K., you need to - you need to go out by the stop sign! And Mr. Brown, I'm not gonna, I'm not gonna play this game with you. O.K.? You - you can go home and take care of you're family. Maybe that's where you need to be."*
51. Sgt. Ball then summoned the school principal to come out and confirm that she asked me to leave, which she did.

52. Sgt. Ball then threatened to arrest the video tape recorder of this confrontation if he didn't leave the scene. The recorder heeded Sgt. Ball's warning and left at 6:18 PM (video tape available.)
53. Because I continued to question the school principal and Sgt. Ball's authority to infringe on my protected free speech right, Sgt. Ball placed me under arrest for Disorderly Conduct and had me transported to the West Allis Police Station.
54. That at no time prior to my arrest for Disorderly Conduct was I told that I was in violation of a trespassing law, by either the school principal or a police officer (or anyone).
55. That after I was transported to the West Allis Police department and locked in jail, I was handed West Allis Municipal Ordinance Violation Citation No. M-68718, alleging that I had violated Municipal Ordinance 6.02(3)(a), adopting Stat. No. 947.01, Disorderly Conduct.
56. That on December 17th, 2001 I appeared at the West Allis Municipal Court as ordered and spoke to West Allis City Attorney Scott E. Post concerning the propriety of alleging that I had been in violation of the Disorderly Conduct ordinance on November 19th, 2001.
57. That Attorney Scott E. Post did in fact, on December 17th, 2001, ask the West Allis Municipal Court judge to dismiss the Disorderly Conduct charge without prejudice.
58. That this dismissal of the charge of "Disorderly Conduct" caused me to feel vindicated in my right of expression at Nathan Hale High School, until, on January 28^h, 2002, I received by U.S. Mail, a Citation alleging that I was being charged with violating State Statute No. 943.13(1m)(b) at Nathan Hale High School on November 19th, 2001 The Citation designated the offense as: "CRIMINAL TRESPASS TO LAND," and described the violation as: "△ REFUSED TO LEAVE PREMISES AFTER BEING TOLD TO AT NATHAN HALE 11601 W. LINCOLN AVE." (See Exhibit B)

59. That I was confused because this Citation, Number M-75072, did not show what West Allis Ordinance number applied to my alleged criminal trespass to land, and I knew that criminal statutes were not cognizable in municipal courts.
60. That on May 16th 2002, I spoke to West Allis City Attorney Scott E. Post at his office regarding the impermissible prosecution of a criminal statute in municipal court and he told me that the trespassing statute had been adopted by reference as an ordinance by West Allis and that he would be the prosecuting attorney in municipal court.
61. That on May 21st, 2002 I appeared as directed to the West Allis Municipal Court, whereat West Allis City Attorney Scott E. Post acted in concert with Sgt. Anthony Ball and Principal Kathleen MacDonald to prosecute me for trespassing in violation of a West Allis ordinance which adopted by reference Wis. Stat. 943.13(1m)(b).
62. That although neither Sgt. Ball or Principal Kathleen McDonald informed me that I was "trespassing" on Nov.19th, 2001, they both claimed that I had trespassed at the school during their testimony at the municipal court trial on May 21st, 2002.

70. Scott E. Post, under color of law, through his office as West Allis City Attorney, continues to prosecute the frivolous charge of "Trespassing" against Robert C. Braun with malicious intent, in violation of the Fourteenth Amendment Equal Protection clause of the United States Constitution.

REQUEST FOR RELIEF

71. Plaintiff incorporates by reference the allegations in Paragraphs 1-70 above.

Attention Parents and Students of the West Allis-West Milwaukee School District

During the next school year, the year 2002-2003, for the **first time** this school district will offer a **choice** for the required tenth grade health class. Sometime around January 2002, parents/teens will be able to choose between two health courses :

1.)The Sex Ed component of the Health class will offer one course with a comprehensive abstinence only curriculum (based on last year's school assembly by Pam Stenzel). This program will help students develop the **character** to set long-range goals, rather than indulging in immediate pleasure. This program will lay the **character foundation** for building a life long marriage and family by teaching the social, psychological, emotional, and health benefits of abstaining from sexual activity until marriage.

2.)The second choice will be the current Sex Ed curriculum in the tenth grade health which will teach what is called "abstinence based" or "abstinence plus" program, in which "A is for abstinence", and "B is for Birthcontrol- what you use if you decide to say yes" (per "ABC's of Abstinence"). The students learn how to select health services in obtaining birth control, testing for venereal disease, and testing for pregnancy based on state confidentiality laws; in other words, parents do not need to be informed (per Human Growth & Development Curriculum Guide Book).
