Addendum

11/30/06

Please be advised we may have to update this in a short time.
We were unable because of the short time span to reach more members to request that they staff the polls. Since balance and participation are so critical to the election process, we are grateful for your cooperation in this endeavor.

Very truly yours,

A handwritten signature in black ink, appearing to read 'Geraldine Clifford'. The signature is fluid and cursive, with a large initial 'G'.
