August 17, 2016

Please place this request on the September 2016 West Allis Common Council agenda.

The storm of August 3, 2016 included a freak sheer wind that cut a swatch through a section of West Allis. It tore a city-owned tree in our front yard literally in half at 2084 S. 58th Street. (Pictures attached)

We were fortunate that when it fell, it only grazed our house. The broken portion was removed quickly by the West Allis forestry department, for which we're grateful. The rest of the tree was subsequently completely removed.

We respectfully request West Allis pay for the repair of damage to our gutters and some roofing shingles. (The roof was replaced just three years ago.)

Attached is the quote from Rob's Roofing for \$495.00.

Besides at the mailing address above, we can also be reached by phone at 414-545-0208 or email at breathemusic@nativevoices.net

Thank you for your consideration.

Sincerely,

Marcella Jones
