CITY OF WEST ALLIS
CLERK

Dear Members,

We the residents of the 2100 Block of S. 85th St. and S. 86th St., and the 8500 Block of W. Becher St., petition the City of West Allis for the reconstruction of our alley located between W. Grant St. and W. Becher St. The original construction of this alley was in 1929 with an asphalt resurface in 1972 done to extend the life of it. The condition of this alley is beyond the occasional Streets Department maintenance of asphalt patches in the potholes. We would like this alley to be added to the Capital Improvement Program for 2006.
