- (a) Subject to the full payment of the fees and subject to the terms and conditions set forth in this Agreement, upon Halo’s acceptance of Your Order Form and for the Subscription Term, You are granted a non-exclusive, non-assignable, royalty free, worldwide limited right to use the Services solely for Your internal business operations and subject to the terms of the Agreement. 6. THE CUSTOMER AGREES

During the term of this Agreement, the Customer Agrees:

- (a) To pay the subscription charges prescribed in each agreed Order Form in accordance with the terms and conditions of this Agreement. If at any time should the whole or any part thereof be in arrears then HALO shall be entitled to suspend all services hereunder until payment is made in full.
- (b) To notify HALO in a timely manner either by e-mail or verbally of any error, flaw, failure, or fault in the HALO software that produces an incorrect or unexpected result, or causes it to behave in unintended ways.
- (c) To pay HALO’s Standard Charge (based on \$300 per hour) on presentation of an invoice after written approval for (i) resolving issues originating as a result of the Customer requesting service in the event

that the fault is either customer induced due to misuse or a programming error affected by the customer or his agent, or caused by an unsanctioned third-party integration; (ii) any maintenance calls where service is requested and supplied outside Agreement hours defined in the Service Level Agreement stated below; and (iii) any additional services required by Customer and agreed to by Halo

7. CUSTOMER OBLIGATIONS

- (a) You will be responsible for ensuring that Your use of the Services complies with all applicable laws, statutes, regulations and ordinances.
- (b) You will: (i) be solely responsible for the nature, quality and accuracy of Your Data; (ii) ensure that Your Data (including the storage or transmission thereof) complies with this Agreement and any and all applicable laws, and regulations; and (iii) promptly handle and resolve any notices and claims relating to Your Data, including any notices sent to You by any person claiming that any of Your Data violates any person's rights.
- (c) In order for Halo to provide You with certain Services, it is required that You will obtain an access to information and content of third parties (the "Third Party Content") that is required in connection with the Services, such sharing of access and/or disclosure of Third Party Content shall be at your own risk and responsibility, and You hereby represent and warrant to Halo that You have the right to include such Third Party Content in Your Data.

8. CONSENT TO USE OF DATA

- (a) You agree that Halo may collect, use, store and transmit electronic data relating to Your use of the Services, and that such collected data may identify Your computer (including the Internet Protocol Address), operating system, Services' usage, and the individual User. Halo may use this information to improve its products and services and to recommend additional features provided by Halo to You and Your individual Users, provided that, any such use and disclosure shall be made in a form that does not personally identify You and does not make any correlation between You and Your Data (except for the purpose of recommending additional features to You and Your individual Users). Any personal data included in such data, and all other personal data provided to Halo and/or collected by Halo in connection with Your access to, and use of, the Services, are collected, used, stored and transmitted in accordance with Halo's Privacy Statement located at <https://haloism.com/privacy-policy>. To the extent that anything in this Section conflicts with the terms of Halo's Privacy Statement, the terms of the Privacy Statement shall prevail.

9. HALO AGREES:

During the term of this Agreement, Halo agrees:

- (a) to provide to the Customer: (i) access to and use of the Services, as described in the Documentation; (ii) access to the Documentation; and (iii) Support Services, each as set out in these Terms & Conditions and in accordance with the Service Level Agreement in Annex 1.
- (b) not to materially reduce the scope, functionality, performance or security of the Services, except as explicitly provided for in this Agreement (e.g. in relation to its suspension rights)
- (c) at the request and expense of the Customer, to escalate the time frame of resolution of any error, flaw, failure, or fault in the Services that produces an incorrect or unexpected result, or causes it to behave in unintended ways.
- (d) subject to the prior written agreement between the parties (including as to cost, time, location and content), to provide further detailed training of the Customer's employees, agents, contractors or third-party service providers, in the use and configuration of the Services.

10. SUSPENSION

- (a) To the extent and only for so long as Halo reasonably believes it to be necessary, Halo reserves the right to temporarily suspend Your access

to the Services at any time, without incurring liability of any kind if (i) it identifies an attack on Your account, or any attempt to access or manipulate Your account by a third party without Your consent; (ii) it reasonably believes suspension of the Services (or any part of it) is necessary to protect Halo's network or its other customers' use of the Services or to limit its or Your potential liability in the event of any unlawful or suspected unlawful activity by any user of the Services (whether or not an authorized User) or any third party claim against Halo or You; or (iii) it is required by law or by a regulatory or government body to suspend Your access to the Services (or any part of it). Halo will use reasonable efforts to inform You of any suspension (including the reasoning), and to restore access, as soon as reasonably possible, but You acknowledge and accept that prior notice may not always be practicable.

- (b) Halo may, having previously advised the Customer, suspend its obligations under this Agreement for any period during which any amount owed by the Customer to Halo remains unpaid for more than 30 days.

11. WARRANTIES; DISCLAIMERS

- (a) Limited Warranty. Halo warrants that the Services will perform in all material respects in accordance with the Documentation associated therewith.
- (b) Remedies. Halo will use reasonable efforts to remedy any non-conformance in the Services which is reported to Halo pursuant to this clause 11. Halo may at its discretion repair, replace or provide a reasonable work around to any such non-conforming or defective Services (without materially reducing the scope, functionality, performance or security of the Services), or it may offer to grant a credit to You in an amount as determined by Halo, at its sole discretion. If such offer is not acceptable, or is not provided, and the non-conformity is not remedied, then You will have the right to terminate this Agreement for breach pursuant to clause 16(d) below.
- (c) Any unauthorized modification of the Services, tampering with the Services, use of the Services inconsistent with the accompanying Documentation, or related breach of this Agreement voids the warranty.
- (d) Disclaimer. EXCEPT AS SET OUT IN THIS AGREEMENT, HALO DOES NOT GUARANTEE THAT THE SERVICES WILL BE PERFORMED ERROR-FREE OR UNINTERRUPTED, THAT HALO WILL CORRECT ALL SERVICES ERRORS, OR THAT THE ALGORITHMS USED IN THE SERVICES WILL BE COMPLETE OR ACCURATE. YOU ACKNOWLEDGE THAT HALO DOES NOT CONTROL THE TRANSFER OF DATA OVER COMMUNICATIONS FACILITIES, INCLUDING THE INTERNET, THAT ARE NOT WITHIN ITS DIRECT CONTROL AND THAT THE SERVICE MAY BE SUBJECT TO LIMITATIONS, DELAYS, INTERRUPTIONS, AND OTHER PROBLEMS INHERENT IN THE USE OF SUCH COMMUNICATIONS FACILITIES. HALO IS NOT RESPONSIBLE FOR ANY DELAYS, DELIVERY FAILURES, OR OTHER DAMAGE RESULTING FROM SUCH PROBLEMS. TO THE EXTENT NOT PROHIBITED BY LAW, THESE WARRANTIES ARE EXCLUSIVE AND THERE ARE NO OTHER EXPRESS OR IMPLIED WARRANTIES OR CONDITIONS INCLUDING FOR HARDWARE, SYSTEMS, NETWORKS OR ENVIRONMENTS OR FOR MERCHANTABILITY, SATISFACTORY QUALITY AND FITNESS FOR A PARTICULAR PURPOSE. NO ORAL OR WRITTEN INFORMATION OR ADVICE GIVEN BY HALO, ITS EMPLOYEES, DISTRIBUTORS, DEALERS OR AGENTS SHALL INCREASE THE SCOPE OF THE ABOVE WARRANTIES OR CREATE ANY NEW WARRANTIES. WHILE HALO MAKES REASONABLE EFFORTS TO ENSURE THAT YOUR DATA WILL BE SECURE, HALO DOES NOT GUARANTEE THAT THE SERVICES WILL BE FREE FROM LOSS, CORRUPTION, ATTACK, VIRUSES, "WORMS", "TROJAN HORSES" OR OTHER HARMFUL COMPONENTS, OR FROM INTERFERENCE, HACKING OR OTHER SECURITY INTRUSIONS. YOU SHOULD BE SURE TO BACK UP YOUR OWN SYSTEM PERIODICALLY TO ENSURE THAT ALL OF YOUR DATA IS AVAILABLE TO YOU IN THE EVENT OF ANY LOSS OR DAMAGE.
- (e) Third Party Content Disclaimer. Halo makes no guarantees concerning the accuracy, reliability, currency, or quality of the Third Party Content, including any content, displayed through or while using the Services. Halo shall not be liable for the performance of software and systems

owned by any third parties or for services and information provided, maintained or controlled by third parties, including but not limited to compilations of such information and Third Party Content in the Services.

12. LIMITATION OF LIABILITY; INDEMNITY

- (a) Nothing in this Agreement shall exclude or restrict the liability of either party (the “Defaulting Party”) to the other for (i) death or personal injury resulting from the negligent act of the Defaulting Party; (ii) any fraudulent misrepresentation by the Defaulting Party; (iii) any other liability to the extent that it cannot be limited or excluded by law; or (iv) any amounts agreed to be paid by Customer to Halo for Services provided under this Agreement.
- (b) Limitation of Liability. SUBJECT TO CLAUSE 12(a) AND TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL EITHER PARTY BE LIABLE TO THE OTHER PARTY FOR ANY INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL LOSSES OR DAMAGES OF ANY KIND ARISING FROM THIS AGREEMENT, WHETHER RESULTING FROM TORT (INCLUDING NEGLIGENCE), BREACH OF CONTRACT, PRODUCT LIABILITY, OR OTHER FORM OF ACTION, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGE EACH PARTY’S TOTAL LIABILITY UNDER THIS AGREEMENT WILL BE LIMITED TO THE FEES PAID TO HALO UNDER THIS AGREEMENT, IN THE TWELVE (12) MONTHS PERIOD IMMEDIATELY PRIOR TO THE DATE THE CAUSE OF ACTION AROSE.
- (c) Indemnification by Halo. Subject to the provisions of this clause 12, in the event of any claim made, threatened or brought against Customer alleging that the intellectual property rights of a third party have been infringed by virtue of: (i) Customer’s use of the Services in accordance with the terms of this Agreement; or (ii) Halo’s use of any third party components (each a “Claim Against Customer”) Halo will defend Customer, and indemnify Customer against all costs, expenses (including attorney’s fees and settlement costs), liabilities and damages that are actually and reasonably incurred or finally awarded by a court of competent jurisdiction to be paid to any third party in respect of such Claim Against Customer.
- (d) Resolving Claims. In the event of a Claim Against Customer, Halo shall have the right in its absolute discretion and at its own expense: (i) to procure the right for the Customer to continue using the Services in accordance with the terms of this Agreement; (ii) to make such alterations, modifications or adjustments to the Services so that they become non-infringing; or (iii) to replace the Services with non-infringing services, in each case provided that there is no material decrease in the scope or functionality of the Services. If Halo is unable to resolve a Claim Against Customer by taking one of the actions under clause 12.2, Customer shall have the right to terminate this Agreement upon repayment to the Customer of the Subscription Fee for Services paid for but not yet rendered as of the effective date of termination on a pro rata basis and, together with the indemnity granted above, such right shall be the Customer’s sole and exclusive remedy under this Agreement in respect of any such Claim Against Customer.
- (e) The indemnity provided above shall not apply to the extent that any claim (a) does not cite the Services as the basis of the Claim; or (b) arises as a result of or in connection with or attributable to: (i) any configurations or modifications made to the Services by the Customer or on the Customer’s behalf (other than by Halo); (ii) the combination of the Services with any third party software, components, environment or platform not expressly permitted by Halo; or (iii) any other use of the Services in breach of this Agreement.
- (f) Subject to the provisions of this clause, in the event of any claim made, threatened or brought against Halo, attributable to the use of or access to the Services by the Customer other than in accordance with this Agreement (a “Claim Against Halo”), the Customer shall defend Halo and indemnify Halo against all costs, expenses (including attorney’s fees and settlement costs), liabilities and damages, that are actually and reasonably incurred, or awarded by a court of competent jurisdiction to be paid to any third party, in respect of such Claim Against Halo.

- (g) The indemnity obligations in this clause do not apply unless the Indemnitee (i) promptly notifies the Indemnitor of the threat or notice of such a Claim, provided that failure to promptly notify will not affect the right to indemnification unless the Indemnitor is materially prejudiced by the late notice; (ii) does not make any admission as to liability or compromise or agree any settlement of the Claim without the prior written consent of the Indemnitor (which shall not be unreasonably withheld or delayed), or otherwise prejudice Indemnitor or any other third party’s defense of such Claim; (iii) gives Indemnitor, or such person as Indemnitor shall direct, immediate and complete control of the conduct or settlement of all negotiations and litigation arising from the Claim; and (iv) gives Indemnitor, and other third parties as Indemnitor shall direct, all reasonable assistance with the conduct or settlement of any such negotiations or litigation.
- (h) The provisions of this clause set out the Indemnitee’s exclusive remedy, and the Indemnitor’s sole liability, in relation to any Claims referred to in this clause.
- (i) The warranties, disclaimers and limitations of liability set out in this Agreement allocate the risks associated with this Agreement between the parties. This allocation is reflected in the pricing of the Services and is an essential element of the basis of the bargain between the parties.

13. INTELLECTUAL PROPERTY RIGHTS

- (a) Halo Ownership. This Agreement gives You limited subscription to access and use the Services. You acknowledge and agree that all right, title and interest, including, without limitation, all copyrights, trademarks, trade names, logos and service marks, trade secrets and know how patents, licenses, designs and algorithms, utility models, and all improvements thereto, and any other intellectual property rights, in and to, the Services and the Documentation (including but not limited to any images, photographs, animations, video, audio, music, text, and “applets” incorporated into the Services), are owned solely by Halo (or of its third party licensors). All rights not specifically granted to You under this Agreement, including, without limitations, all copyrights, trademarks, trade names, logos and service marks, trade secrets and know how patents, licenses, designs and algorithms, utility models, and all improvements thereto, and any other intellectual property rights are reserved by Halo and its licensors.
- (b) Your Ownership. You reserve all rights in Your Data and Halo does not claim ownership of Your Data that is transmitted, stored, or processed as part of the Services. Halo also does not control, verify, or endorse Your Data that You and others make available on the Services. You warrant that: (a) You have all the rights in Your Data necessary for the purpose of this Agreement and the use of the Services and, (b) the storage, use or transmission of Your Data through the Services as contemplated by this Agreement does not violate any law or this Agreement.

14. CONFIDENTIALITY

- (a) Each party (the “Disclosing Party”) may disclose to the other (the “Receiving Party”) certain confidential technical and business information which the Disclosing Party desires the Receiving Party to treat as confidential.
- (b) “Confidential Information” means any information disclosed by either party to the other party, either directly or indirectly, in writing, orally, electronically or by inspection of tangible objects (including without limitation documents, prototypes, equipment, technical data, trade secrets and know-how, product plans, Services, services, suppliers, customer lists and customer information, prices and costs, markets, software, databases, developments, inventions, processes, formulas, technology, employee information, designs, drawings, engineering, hardware configuration information, marketing, licenses, finances, budgets and other business information), which is designated as “Confidential”, “Proprietary” or some similar designation at or prior to the time of disclosure, or which should otherwise reasonably be considered confidential by the Receiving Party.

- (c) Confidential Information may also include information disclosed to a Disclosing Party by third parties.
- (d) Confidential Information shall not, however, include any information which the Receiving Party can document (i) was publicly known and made generally available prior to the time of disclosure by the Disclosing Party or an authorized third party; (ii) becomes publicly known and made generally available after disclosure through no action or inaction of the Receiving Party in violation of any obligation of confidentiality; (iii) is already in the possession of the Receiving Party at the time of disclosure without any obligation of confidentiality; (iv) is lawfully obtained by the Receiving Party from a third party without a breach of such third party's obligations of confidentiality; or (v) is independently developed by the Receiving Party without use of or reference to the Disclosing Party's Confidential Information.
- (e) Receiving Party agrees: (i) to take reasonable precautions to protect such Confidential Information; (ii) not to use, copy or reproduce the other party's Confidential Information for any purpose outside the scope of this Agreement; (iii) not to divulge to any third person any such Confidential Information, except to those of its representatives who need to know the information for the purposes of this Agreement, provided that they inform such Representatives of the confidentiality provisions of this Agreement and, as soon as reasonably practicable, the confidential nature of the Confidential Information and at all times remain responsible for their representatives' compliance with the obligations of confidentiality set out in this Agreement, and liable for any loss or damage whatsoever caused by the failure of any of its Representatives to comply with the terms of this Agreement; and (iv) to notify the other party if it suspects or becomes aware of any unauthorized copying, use or disclosure of the other party's Confidential Information in any form.
- (f) Each party retains all ownership rights in and to its Confidential Information.
- (g) Despite the provisions of this clause 14, neither party shall be restricted from disclosing the other party's Confidential Information or any part of it as may be required pursuant to a judicial or other lawful government order or otherwise by law, but only: (i) to the minimum extent required to comply with such requirement; and (ii) subject to the party obliged to comply with such requirement giving the other party as much notice of the terms of the order as may be legally permissible and reasonably practicable; and (iii) provided that it makes reasonable efforts to ensure that the Confidential Information disclosed is handled in a confidential manner.
- (h) Nothing in this clause 14 shall prevent: (i) Halo from disclosing the Software or the Documentation, and providing services similar to the Services, to any third party; or (ii) the Customer from disclosing the Software or Documentation to such of its employees, sub-contractors, Affiliates, and advisors as is necessary for the Customer to be able to exercise its rights and comply with its obligations under this Agreement.
- (i) The obligations and restrictions in this clause will survive for 3 years after the termination or expiry of this Agreement.
- 15. PAYMENT TERMS**
- (a) Unless explicitly set forth in this Agreement, all fees and other amounts due under this Agreement are non-cancellable and non-refundable.
- (b) The fees and all other amounts due as specified in this Agreement and associated Order Form(s) and price lists are net amounts to be received by Halo, exclusive of all taxes, duties, and assessments, including without limitation all sales, property, import duty, withholding, excise, ad valorem, use taxes and other taxes based on the Services subscription provided under this Agreement (collectively, the "Taxes"), and are not subject to offset or reduction because of any Taxes incurred by You or otherwise due as a result of this Agreement.
- (c) All charges under this Agreement are subject to tax, where applicable. An invoice will be sent to the Customer for all payments under this Agreement, with relevant taxes applied, where applicable.
- (d) Unless otherwise agreed to by the parties in writing, You shall pay all fees or amounts (together with any Taxes) within 30 days of the date of receipt of a valid and correct invoice.
- (e) Without prejudice to any other rights and remedies to which Halo may be entitled, a late fee shall be charged on any overdue amounts and any other fees and expenses not paid as provided under this Agreement at the rate of one percent (1%) per month, or the highest rate allowable under applicable law, whichever is less, commencing with the date payment was due.
- 16. DURATION OF THIS AGREEMENT; TERMINATION**
- (a) This Agreement shall commence on the date of first provision of the Services, and shall continue for a period of twelve (12) consecutive months or such other period agreed between the parties in writing on the initial Order Form (the "Initial Term").
- (b) At the end of the Initial Term, or any subsequent Renewal Term (as defined below), You may renew Your subscription to the Services (to the extent Halo still offers such Services to its customers at such time) for an additional term of twelve (12) consecutive months or such other period agreed to in writing on the relevant Order Form (the "Renewal Term" and collectively with the Initial Term, shall be referred to as "Subscription Term"), provided that (i) You are current on all payments due to Halo, whether under this Agreement or under any other agreement with Halo, and (ii) You pay Halo, or its Affiliate (as instructed by Halo, at its sole discretion), the renewal fee for the respective Renewal Term, according to Halo's then-current list pricing. Any such renewal shall be documented through an Order Form.
- (c) The Agreement shall automatically renew unless notice is given by the Customer with a minimum of 30 days notice before the current subscription period ends.
- (d) If either party (the "Defaulting Party") has committed any breach of the Agreement, and has not remedied such breach within fourteen (14) days after notice to that effect from the other party (the "Affected Party"), this Agreement may be terminated by notice from the Affected Party to the Defaulting Party at their last known address.
- (e) If either party (the "Insolvent Party") shall be adjudged insolvent or bankrupt, or shall be unable to pay its debts as they fall due, or shall make assignment for the benefit of its creditors generally, or have a receiver appointed for it or for any of its property or assets, or if it shall discontinue or abandon or dispose of the whole or a substantial part of its business, or shall have a petition presented or a resolution passed for its winding up, or if a notice is issued convening a meeting for the purpose of passing any such resolution, the other party shall have the right at any time thereafter to terminate this Agreement immediately by notice to the Insolvent Party.
- 17. VARIATION OF MAINTENANCE CHARGE**
- (a) HALO SOFTWARE LLC may vary the subscription charge payable annually in respect of its proprietary software and services, provided that any such increase shall not exceed HALO SOFTWARE LLC's then-current list price for the applicable software and services. No such variation shall take effect earlier than one (1) year after the commencement of the term of this Agreement, or less than one (1) year after a preceding variation. HALO SOFTWARE LLC shall provide the Customer with not less than thirty (30) days' prior written notice of any such increase.
- (b) Notwithstanding clause 17(a), the pricing of any third-party software, services, or data made available by HALO SOFTWARE LLC, including without limitation Halo Asset Discovery powered by Lansweeper, shall not be subject to the pricing limitations set out in this Agreement. Any increase in charges for such third-party products or services may be passed through to the Customer to reflect increases imposed by the relevant third-party supplier, provided that HALO SOFTWARE LLC gives the Customer not less than thirty (30) days' prior written notice of such increase.

18. PROHIBITION OF ORAL VARIATIONS

- (a) No representation relating to, or in any way connected, with the HALO SOFTWARE LLC software shall be deemed to be made on behalf of HALO SOFTWARE LLC, nor shall any such representation bind HALO SOFTWARE LLC unless such representation is made in writing, and signed by a Director of HALO SOFTWARE LLC.

19. GENERALLY

- (a) This Agreement does not create a partnership, franchise, joint venture, agency, fiduciary or employment relationship between the parties.
- (b) HALO's rights hereunder shall not be affected by granting of any time or indulgence to the Customer.
- (c) Governing Law and Exclusive Jurisdiction. This Agreement shall be governed and construed in accordance with the laws of Washington State without regard to conflict of laws principles. You agree to the exclusive jurisdiction of the WA courts for all disputes relating to or arising out of this Agreement, including issues relating to the Services.
- (d) No Assignments. Neither party may sell, lease, assign, or otherwise transfer, this Agreement in whole or in part, or its rights or obligations under this Agreement without the express written consent of the other party, provided, however, that such consent shall not be unreasonably withheld in relation to the proposed assignment of this Agreement to any acquirer or Affiliate (as the case may be) in connection with a merger, acquisition, or sale of all or substantially all of the subject party's assets. Subject to the foregoing, this Agreement will bind and inure to the benefit of each party's successors and permitted assigns.
- (e) Entire Agreement. This Agreement together with any agreed Order Form(s) constitutes the complete understanding between the parties, and replaces and supersedes all previous oral or written agreements, understandings, or arrangements between the parties. In case of contradiction between the provisions of this Agreement and any other written agreement between the parties hereto (other than an Order Form), the provisions of this Agreement shall prevail, unless explicitly stated otherwise in a written agreement signed by both parties.
- (f) Modifications. Halo Software LLC may amend this Agreement at any time by providing You a reasonable notice. In such case, You shall have the sole responsibility to review such amended version of Agreement. The amended terms and conditions of this Agreement shall bind You upon their effective date. Halo shall not exercise this right to materially prejudice You, or to reduce its obligations or the scope, functionality or security of the Services. If You do not agree to any changes to this Agreement, you must immediately cease use of the Services and Documentation and may terminate all subscriptions by giving written notice to Halo within 14 days of the effective date of the change. Following such termination, Halo shall refund any amounts paid for Services paid for but not yet rendered for the period after the effective date of termination, on a pro rata basis
- (g) Unenforceable Terms. Unenforceable Terms shall not affect the Enforceability of the Remaining Terms. Should any term of this Agreement be declared void or unenforceable by any court of competent jurisdiction, such declaration shall have no effect on the remaining terms hereof.
- (h) Failure to Enforce Does Not Constitute Waiver. The failure of either party to enforce any rights granted hereunder or to take action against the other party in the event of any breach hereunder shall not be deemed a waiver by that party as to subsequent enforcement of rights or subsequent actions in the event of future breaches.
- (i) Matters beyond reasonable control. If either party is unable to perform any obligation under this Agreement because of a matter beyond that

party's reasonable control, such as lightning, flood, exceptionally severe weather, fire, explosion, war, civil disorder, industrial disputes, act of terrorism or acts of local or central Government, or other competent authorities, or events beyond the reasonable control of that party's Suppliers, that party will have no liability to the other for that failure to perform.

- (j) Anti-corruption.
