Dishonesty beyond believe in West Allis, let me explain. When we purchased our home in April of 1963. We were informed that two feet from the 120 feet must be put aside for underground electric service on each side end line with us maintain ownership of our land. Any fence must be put two feet from end line.

Now around the year 2000 the city of West Allis decided not to put underground electric service in and declare this as extra land is owned by the city without paperwork.

The paper work at city hall will show no changes in any land layouts. But come to my land and see for yourself. I am paying taxes on the full 120 feet, but land owner pays no taxes on this extra land.

I am requesting help in with all federal laws on land ownership, time length of residence before running for leader office and any other federal laws that are needed.

I am enclosing the check for \$ 400.00 as requested.

Sincerely

Ronald T. Johnston
