RE: **Communication from Director of Public Works/City Engineer
Regarding 2013 Capital Improvement Program**

The Advisory Capital Improvement Committee recommended the Program for approval. Therefore, we recommend Board and Common Council approval. Major projects to start in 2013 are the reconstruction of Greenfield Avenue from S. 106th Street to S. 97th Street including the Greenfield Avenue bridge over I-894. The Cleveland Avenue bridge over I-894 will also be reconstructed. The City will also be resurfacing Oklahoma Avenue from S. 124th to S. Waukesha Road. This is a “living” document and may change due to the needs of the City.
