WHEREAS, Seller is the owner of a certain parcel of improved real property which parcel Seller is desirous of selling and Purchaser is desirous of purchasing, upon the terms and conditions described herein.

In consideration of the mutual covenants and representations herein contained, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Seller and Purchaser agree as follows:

SECTION 1

PURCHASE AND SALE

- 1.1 Purchase and Sale. Subject to the terms and conditions of this Agreement, Seller hereby agrees to sell, transfer and convey to Purchaser, and Purchaser hereby agrees to purchase from Seller, all of the Seller's, right, title and interest in and to the following described property (herein collectively called the "Property"):
- (a) Land. Seller's interest as fee owner of that certain parcel of land (the "Land") located in the area of 1445 South 66th Street in the City of West Allis, Milwaukee County, Wisconsin, consisting of approximately 9.967 acres, being more particularly described on Exhibit "A" attached hereto and made a part hereof.
 - (b) Easements. Seller's interest in and to all easements, if any, benefiting the Land or the Improvements (as hereinafter defined).
 - (c) Rights and Appurtenances. Seller's interest in and to all rights and appurtenances pertaining to the Land, including any right, title and interest of Seller in and to adjacent streets, alleys or rights-of way, all development rights, air rights, water and water rights related to the land and the improvements.
 - (d) Improvements. All buildings, structures and improvements (the "Improvements") located in and on the Land.
 - (e) Effective Date. The Effective Date shall be the date fully executed copies are approved by the West Allis Community Development Authority and funding is approved by the City of West Allis Common Council and Mayor as provided in Section 1.2.
- 1.2 Purchaser Approval. This Agreement is subject to approval by the West Allis Community Development Authority and funding is approved by the City of West Allis and Mayor. In the event that Purchaser does not acknowledge satisfaction of this contingency within thirty (30) days of the date of this Agreement, then and in that event this Agreement shall terminate and neither party shall have any further liability under this Agreement.

SECTION 2
PURCHASE PRICE

- 2.1 Purchase Price. The purchase price (the "Purchase Price") for the Property shall be Five Hundred Thousand Dollars (\$500,000) and shall be paid in cash by Purchaser to Seller at the Closing (as defined in Section 5.1) by wire transfer in accordance with wire transfer instructions to be provided by Seller.
- 2.2 Relocation Payment. In addition to the purchase price and in full payment of any and all relocation and other rights Seller may have under Chapter 32 of the Wisconsin Statutes and Chapter Comm. 202 of the Wisconsin Administrative Code, Purchaser agrees to pay loan to Seller the additional sum of Three Million Dollars (\$3,000,000) as follows:
- (a) \$2,250,000 cash payment on April 1, 2005.
- (b) \$ 250,000 First Loan within two (2) business days of signing of this Agreement, in a form substantially equivalent to the loan document attached hereto as Exhibit "A" and secured by a mortgage on the Property attached hereto as Exhibit "B". The uses to which this loan may be put is set forth in Section 2.5. If outstanding back taxes and sewer and water bills on the Property are not paid within sixty (60) days of receipt of this loan, the loan shall become due and payable at an interest rate of twelve percent (12%) per year until paid.
- (c) \$ 500,000 Second Loan on April 1, 2005 shall be secured by a Business Security Agreement on new and refurbished equipment with no prior security interest thereon. At closing, Seller may pay the loan in full or shall provide additional security in a form acceptable to the City Attorney to replace the mortgage.
- 2.3 Advance Relocation Loan. Within two (2) business days of the signing of this Agreement, the Purchaser agrees to loan to Seller the sum of \$500,000.00 as a partial advance on the Relocation payment set forth in Section 2.2(a). The form of the loan agreement shall be substantially equivalent to the loan document attached hereto as Exhibit "C" and secured by a mortgage on the Property attached hereto as Exhibit "D". Upon closing, the loan and any interest thereon shall be forgiven and said sum shall constitute payment of the Purchase Price under Section 2.1. If the parties fail to close by November 30, 2004, the Advance Relocation Loan, plus interest at an interest rate of twelve percent (12%) per year, shall be due and payable forthwith.
- 2.4 Proof of Title. Prior to the loans set forth in Section 2.2(a) and 2.3 being made, Seller shall present to Purchaser, in a form acceptable to the West Allis City Attorney, proof that title to the Property vests in Seller.
- 2.5 Use of Loan Funds. The loans set forth in Section 2.2(b) and 2.3 shall be used exclusively for relocation of Pressed Steel Tank Co., Inc.'s business from the Property, infrastructure improvements for the building Pressed Steel Tank Co., Inc. is moving to, purchase and refurbishment of equipment, payment of back taxes and sewer and water bills on the Property and for no other purpose. Seller shall provide to Purchaser an accounting of each expenditure within thirty (30) days. If Purchaser is of the opinion that the expenditure is not for relocation purposes, it shall notify Seller in writing and request an explanation of the expenditure. If Purchaser is not satisfied with the explanation, it may, at its sole discretion, after ten (10) days after the initial request for explanation, call all loans herein due, with interest. The calling of the loans due shall terminate this Agreement and neither party shall have any obligation hereunder other than those obligations, which by their terms expressly survive the termination of this Agreement ("Surviving Obligations"). The loan agreements (including the loan under Section 2.2(c)), mortgage and obligations to pay therein shall constitute Surviving Obligations.
- 2.6 Condemnation. If this Agreement terminates for any reason and the Purchaser acquires the Property through eminent domain, any outstanding loan balance, together with the interest due thereon, shall be applied to the just compensation due Seller. This provision shall survive termination.

SECTION 3

DELIVERIES, TITLE, EVALUATIONS AND REPRESENTATIONS

- 3.1 Delivery Obligations. Seller shall obtain and shall deliver to Purchaser (at Seller's expense), the following:
- (a) Title Commitment. Within twenty (20) days from the Effective Date, Seller shall provide, at Seller's expense, a current abstract of title updated to the date of Contract or thereafter. Upon receipt of said abstract of title, Purchaser shall obtain, at Purchaser's expense a commitment for an Owner's Policy of Title Insurance (the "Title Commitment") with respect to the Property within twenty (20) days after receipt of the update abstract from Seller, issued by Lawyers Title Insurance Corporation or other reputable title insurance company or agent, selected by Purchaser and reasonably acceptable to Seller (the "Title Company"), and legible copies of any restrictive covenants, easements, and other items listed as title exceptions therein; and
 - (b) Survey. Within five (5) days from the Effective Date, Seller shall provide Purchaser a copy of any land survey of the Property in Seller's possession. At Purchaser's option, Purchaser may conduct, at Purchaser's expense, a land survey ("Survey") of the Property within twenty (20) days after the Effective Date. Seller hereby grants access to the Property for survey purposes.
- 3.2 Title. The Property is sold and is to be conveyed free and clear from all liens, restrictions and encumbrances, subject to:
- (a) All present and future zoning and building laws, ordinances and regulations of the State, County and/or municipality in which the Property lies;
 - (b) The lien of real property taxes for the current tax year, subject to apportionment as hereinafter provided;
 - (c) Any easements, covenants, restrictions and agreements now of record, provided as to any such matter the same do not substantially interfere with the Purchaser's proposed use and enjoyment of the Property.
- 3.3 Title Commitment and Updated Survey.
- (a) In the event (i) the update, if any, of the Survey obtained by Purchaser shows any easement, right-of-way, encroachment or other matter affecting the Land or Improvements that is not acceptable to Purchaser, Purchaser shall, not later than five (5) business days after receipt of the Survey Agreement, or (ii) any exceptions appear in the Title Commitment (other than the standard printed exceptions set forth in the standard form of Title Commitment) that are not acceptable to Purchaser, Purchaser shall, not later than five (5) business days after receipt of the Survey update, the Title Commitment and copies of all documents referred to as additional exceptions in the Title Commitment (time being of the essence) (the "Title Approval Period"), notify Seller in writing of such facts, the reasons therefor and the curative steps that would remove the basis for Purchaser's objection ("Purchaser's Title Objections"). Upon the expiration of the Title Approval Period, except for Purchaser's Title Objections, and any matters not then of record or otherwise known to Purchaser, Purchaser shall be deemed to have accepted the form and substance of the update of the Survey, all matters shown or addressed thereon, all then existing conditions of title to the Land and Improvements which are a matter of record including, without limitation, any then recorded easement, right of way, encroachments, conflict, discrepancies, overlapping of improvements, liens, encumbrances, restrictions, conditions, covenants, exceptions or other matter with respect thereto and all items shown or addressed in the Title Commitment (collectively, the "Approved Title Matters").

Seller agrees to execute and deliver to the Title Company on Closing such customary affidavits or certifications as are reasonably required by the Title Company in connection with the deletion of or insurance over the printed exceptions for matters arising subsequent to the effective date of the Title Commitment but prior to recording of the insured instrument, mechanics liens, broker liens, judgements against similarly named parties, and absence of tenants.

- (b) Notwithstanding anything to the contrary contained herein, Seller shall have no obligation to take any steps or bring any action or proceeding or otherwise to incur any effort or expense whatsoever to eliminate or modify any of Purchaser's Title Objections (other than discharging the lien or any mortgage or deed or trust granted by Seller); provided, however, Seller, at its sole option, may attempt to eliminate or modify all or a portion of Purchaser's Title Objections to Purchaser's reasonable satisfaction prior to the Closing Date or within such additional period of time that the parties may agree to, in writing. In the event Seller is unable or unwilling to attempt to eliminate or modify all of Purchaser's Title Objections to the reasonable satisfaction of Purchaser, Seller shall provide written notice to Purchaser of those objections Seller will not attempt or be able to cure ("Seller's Notice"). Purchaser may (as its sole and exclusive remedy) terminate this Agreement by delivering notice thereof in writing to Seller by the later to occur of (i) the Closing Date (as the same may be adjourned as provided in this Agreement), or (ii) ten (10) business days after Seller's Notice. If Purchaser shall duly give such termination notice, then this Agreement shall thereupon terminate except for Surviving Obligations.
- (c) The term "Permitted Encumbrances" as used herein includes: (i) the matters set forth in Section 3.2, (ii) all of the Approved Title Matters, (iii) any of Purchaser's Title Objection that remains uncured, for whatever reason, at the later to occur of (A) Closing hereunder (as the same may be adjourned as provided in this Agreement), or (B) ten (10) business days after Seller's Notice, and (iv) liens for real property taxes, assessments, and water and sewer meter charges which are not due and payable as of the Closing Date and/or which are apportioned pursuant to Section 5.3. The term "Permitted Encumbrances" shall not include any mortgage lien or deed of trust granted by Seller.
- (d) Purchaser may, at or prior to Closing, notify Seller in writing of any exception to title that is not in accordance with this Agreement and which (i) is first raised by the Title Company after the issuance of the Title Commitment and following the expiration of the Title Approval Period but before the Closing and (ii) was not otherwise known to Purchaser prior to the expiration of the Title Approval Period; provided the Purchaser must notify Seller of such new objection to title within two (2) business days after receipt of such exception. If Purchaser sends such notice to Seller, Purchaser and Seller shall have the same rights and obligations with respect to such notice as apply to Purchaser's Title Objections under Sections 3.3 (b) and (c) hereof.

3.4 Evaluations.

3.4.1 Physical Evaluations.

- (a) Commencing on the Effective Date and for the period of sixty (60) days thereafter (the "Evaluation Period") and for such additional period of time as the parties may agree to, the parties shall equally share in the cost and expense necessary to complete two reports prepared by the firm of Arcadis, Geraghty & Miller, Inc. relative to refinement of demolition and decommissioning costs and refinement of remediation of environmental contaminants and footings and foundation removal costs. Seller shall provide Purchaser with access to the Land and Improvements during the Evaluation Period and will cooperate with Purchaser and will promptly provide Purchaser with copies of any environmental investigation reports it has received prior to and during the Evaluation Period. Such Physical Evaluations will be conducted in a manner consistent with Section 3.4.1.

(b) If such Physical Evaluations reveal any physical or environmental condition, which is unacceptable to Purchaser in its sole discretion, Purchaser may (as its sole and exclusive remedy) terminate this Agreement by delivering notice thereof in writing to Seller on or before the expiration of the Evaluation Period. If Purchaser shall duly give such termination notice, then this Agreement shall terminate, and upon such termination neither party shall have any obligation hereunder except that, Purchaser shall return all reports and documents furnished to Purchaser by Seller to Seller within (2) days of such termination, and other than the Surviving Obligations. If Purchaser does not notify Seller of such termination in writing prior to the expiration of the Evaluation Period, all such evaluations, inspections, tests, and investigations of the Property, and all conditions relating to the Property (subject to Sections 7 and 9), shall be deemed satisfactory to Purchaser, and Purchaser shall have no further right to terminate this Agreement pursuant to this Section 3.4.1(b).

3.4.2 Other Evaluations. During the Evaluation Period, Purchaser may also inspect (i) all of Seller's records, if any, pertaining to the operation of the Property (excluding Seller's corporate records, internal memoranda, financial projections and similar privileged information), and (ii) environmental reports and records. The foregoing may be done at any reasonable time during ordinary business hours upon twenty-four (24) hours prior written notice to Seller, at Purchaser's sole cost and in a manner not disruptive to the operation of the Property. During the Evaluation Period, Purchaser shall determine, in Purchaser's sole discretion, if the Property is suitable for Purchaser's purchase and/or intended uses and whether Purchaser is satisfied, in Purchaser's sole discretion, with the information obtained during its investigation and inspections referred to in this Section 3.4.2. If Purchaser is not satisfied with the results of its investigations pursuant to this Section 3.4.2 or the suitability of the Property, Purchaser may give written notice thereof to Seller on or before the expiration of the Evaluation Period (the "Disapproval Notice") whereupon this Agreement shall terminate and neither party shall have any further obligation hereunder except for the Surviving Obligations.

3.4.3 Contingency Notification Date. All of the contingencies set forth in this Agreement will expire on August 31, 2004. In the event and to the extent Purchaser has not sent a notice specifically reserving the right to continue any foregoing contingency, each contingency shall be waived and the Purchaser's obligations to consummate the purchase transaction contemplated herein shall be binding in all respects, subject to Seller's compliance with the terms and conditions set forth herein.

3.5 Purchaser's Representations and Warranties. Purchaser represents and warrants to Seller that:

- (a) Purchaser is a body politic, duly organized and existing under and by virtue of the laws of the State of Wisconsin, and has the power to enter into this Agreement and to execute and deliver this Agreement and to perform all duties and obligations imposed upon it hereunder, and Purchaser has obtained all necessary corporate, partnership or other organizational authorizations required in connection with the execution, delivery and performance of this Agreement and the transaction contemplated herein and has obtained the consent of all entities and parties (whether private or governmental) necessary to bind Purchaser to this Agreement;
- (b) Neither the execution nor the delivery of this Agreement, nor the consummation of the purchase and sale transaction contemplated hereby, nor the fulfillment of or compliance with the terms and conditions of this Agreement conflict with or will result in the breach of any of the terms, conditions or provisions of any agreement or instrument to which Purchaser is a party or by which Purchaser, or any of Purchaser's assets is bound; and
- (c) Except to the limited extent specifically and expressly set forth in this Agreement, Purchaser shall accept the Property "AS IS" and "WHERE IS" at Closing, and Purchaser has not relied upon and will not rely upon, and Seller is not liable for or bound by any, express or implied, warranties, guarantees,

statements, representations or information pertaining to the Property or relating thereto made or furnished by Seller or any of its advisors, or any of their agents, representatives, contractors, employees, attorneys or brokers, to whomever made or given, directly or indirectly, verbally or in writing, unless specifically and expressly set forth in this Agreement.

The Purchaser's representations and warranties set forth in this Section 3.5 shall survive the Closing or termination of this Agreement. As a condition precedent to Seller's obligation to close the purchase and sale transaction contemplated in this Agreement, Purchaser's representations and warranties contained herein must remain and be true and correct as of the Closing Date. Prior to the Closing Date, Purchaser shall notify Seller in writing of any facts, conditions or circumstances which render any of the representations and warranties set forth in this Section 3.5 in any way inaccurate, incomplete, incorrect or misleading.

3.5.1. Release of Seller as to Environmental Conditions. From and after Closing, Purchaser waives, and forever discharges Seller, its directors, officers, shareholders, employees and agents and their respective heirs successors, personal representatives and assigns (collectively the "Released Parties"), of and from any and all suits, legal or administrative proceedings, claims, demands, actual damages, punitive damages, losses, costs, liabilities, interest, attorneys' fees and expense of whatever kind and nature, in law or in equity, known or unknown (collectively the "Liability"), that Purchaser ever had, now has, or in the future may have, against any of the released Parties, based upon, or arising directly out of the environmental state of the Property subsequent to Closing. Only to the extent that Seller has fully disclosed all known potential environmental liabilities to Purchaser which exist prior to Closing, Purchaser shall release Seller from all claims based upon or arising out of the environmental state of the Property prior to Closing.

3.5.2 Purchaser's Indemnity of Seller as to Environmental Conditions. Only to the extent that Seller has fully disclosed to Purchaser all potential environmental liabilities known to Seller, Purchaser agrees to indemnify, save harmless and defend the Released Parties from and against any and all liabilities that any of the Released Parties may incur, or become responsible for, as a result of any claims by any governmental authorities or third parties, based upon, or arising directly out of the environmental state of the property.

3.6 Seller's Representations and Warranties. Seller represents and warrants to Purchaser that:

- (a) Seller is a Delaware corporation in good standing under the laws of the States of Delaware and Wisconsin and has the full right, power, and authority, without the joinder of any other person or entity, to enter into, execute and deliver this Agreement, and to perform all duties and obligations imposed on it under this Agreement; and Seller has obtained all necessary corporate, or other organizational authorizations required in connection with the execution, delivery and performance of this Agreement and the transaction contemplated herein and has obtained the consent of all entities and parties (whether private or governmental) necessary to bind Seller to this Agreement
- (b) Neither the execution nor the delivery of this Agreement, nor the consummation of the purchase and sale contemplated hereby, nor the fulfillment of or compliance with the terms and conditions of this Agreement conflict with or will result in the breach of any of the terms, conditions, or provisions of any agreement or instrument to which it is a party or by which it, or any of its assets is bound; and
- (c) Seller has not granted to any party any purchase option or right of first refusal, to purchase the Property, nor has Seller entered into any lease of the Land or Improvements.
- (d) Seller has not entered into any operating agreements, service contracts, equipment leases, or any other obligations, which Purchaser will be required to assume on, Closing.

The Seller's representations and warranties set forth in this Section 4.6 shall survive the Closing or termination of this Agreement. As a condition precedent to Purchaser's obligation to close the purchase

statements, representations or information pertaining to the Property or relating thereto made or furnished by Seller or any of its advisors, or any of their agents, representatives, contractors, employees, attorneys or brokers, to whomever made or given, directly or indirectly, verbally or in writing, unless specifically and expressly set forth in this Agreement.

The Purchaser's representations and warranties set forth in this Section 3.5 shall survive the Closing or termination of this Agreement. As a condition precedent to Seller's obligation to close the purchase and sale transaction contemplated in this Agreement, Purchaser's representations and warranties contained herein must remain and be true and correct as of the Closing Date. Prior to the Closing Date, Purchaser shall notify Seller in writing of any facts, conditions or circumstances which render any of the representations and warranties set forth in this Section 3.5 in any way inaccurate, incomplete, incorrect or misleading.

3.5.1. Release of Seller as to Environmental Conditions. From and after Closing, Purchaser waives, and forever discharges Seller, its directors, officers, shareholders, employees and agents and their respective heirs successors, personal representatives and assigns (collectively the "Released Parties"), of and from any and all suits, legal or administrative proceedings, claims, demands, actual damages, punitive damages, losses, costs, liabilities, interest, attorneys' fees and expense of whatever kind and nature, in law or in equity, known or unknown (collectively the "Liability"), that Purchaser ever had, now has, or in the future may have, against any of the released Parties, based upon, or arising directly out of the environmental state of the Property subsequent to Closing. Only to the extent that Seller has fully disclosed all known potential environmental liabilities to Purchaser which exist prior to Closing, Purchaser shall release Seller from all claims based upon or arising out of the environmental state of the Property prior to Closing.

3.5.2 Purchaser's Indemnity of Seller as to Environmental Conditions. Only to the extent that Seller has fully disclosed to Purchaser all potential environmental liabilities known to Seller, Purchaser agrees to indemnify, save harmless and defend the Released Parties from and against any and all liabilities that any of the Released Parties may incur, or become responsible for, as a result of any claims by any governmental authorities or third parties, based upon, or arising directly out of the environmental state of the property.

3.6 Seller's Representations and Warranties. Seller represents and warrants to Purchaser that:

- (a) Seller is a Delaware corporation in good standing under the laws of the States of Delaware and Wisconsin and has the full right, power, and authority, without the joinder of any other person or entity, to enter into, execute and deliver this Agreement, and to perform all duties and obligations imposed on it under this Agreement; and Seller has obtained all necessary corporate, or other organizational authorizations required in connection with the execution, delivery and performance of this Agreement and the transaction contemplated herein and has obtained the consent of all entities and parties (whether private or governmental) necessary to bind Seller to this Agreement
- (b) Neither the execution nor the delivery of this Agreement, nor the consummation of the purchase and sale contemplated hereby, nor the fulfillment of or compliance with the terms and conditions of this Agreement conflict with or will result in the breach of any of the terms, conditions, or provisions of any agreement or instrument to which it is a party or by which it, or any of its assets is bound; and
- (c) Seller has not granted to any party any purchase option or right of first refusal, to purchase the Property, nor has Seller entered into any lease of the Land or Improvements.
- (d) Seller has not entered into any operating agreements, service contracts, equipment leases, or any other obligations, which Purchaser will be required to assume on, Closing.

The Seller's representations and warranties set forth in this Section 3.6 shall survive the Closing or termination of this Agreement. As a condition precedent to Purchaser's obligation to close the purchase

and sale transaction contemplated in this Agreement, Seller's representations and warranties contained herein must remain and be true and correct as of the Closing Date. Prior to the Closing Date, Seller shall notify Purchaser in writing of any facts, conditions or circumstances which render any of the representations and warranties set forth in this Section 3.6 in any way inaccurate, incomplete, incorrect or misleading; provided, however, that the granting by Seller after the date hereof of any purchase right or option to any third party which is expressly subject and subordinate to Purchaser's rights hereunder and which shall not be binding upon Purchaser shall not be a breach or default under this Agreement.

SECTION 4

NO REPRESENTATIONS OR WARRANTIES BY SELLER: ACCEPTANCE OF PROPERTY

- 4.1 "As Is" Purchase. Seller warrants and certifies to Purchaser that Seller has disclosed all potential environmental liabilities, which are known to Seller. Purchaser represents that, upon completion of its inspections of the Property as contemplated under Sections 3.4.1. and 3.4.2, Purchaser will have made all investigations as it deems necessary or appropriate and will be relying solely upon its inspection and investigations of the Property for all purposes whatsoever, including but not limited to, the determination of the condition of the structures, improvements, soils, subsurfaces, drainage, surface and groundwater quality, and all other physical characteristics; governmental laws and regulations; access; encroachments; acreage and other survey matters; and the character and suitability of the Property. In addition, Purchaser acknowledges that the Property is being purchased and will be conveyed "as is" with all faults and defects, as of the date of Closing. There have been no representations, warranties, guarantees, statements or information, express or implied, pertaining to the Property, its condition, or any other matters whatsoever made to or furnished to Purchaser by Seller or any employee or agent of Seller, except as specifically set forth in this Agreement.
- 4.2 Assumption of Environmental Conditions. Seller warrants and certifies to Purchaser that Seller has disclosed all potential environmental liabilities, which are known to Seller. Purchaser acknowledges that the Property has been utilized as a motor carrier facility, and that, as a result of this use, physical changes, including gasoline and chemical seepage, may have occurred on the Property. Based upon Seller's certification, Purchaser acknowledges it is entering into this Agreement on the basis of Purchaser's own investigation of the physical environmental conditions of the Property, including subsurface conditions, and Purchaser assumed the risk that adverse physical and environmental conditions may not have been revealed by its own investigation.

SECTION 5

CLOSING

- 5.1 Closing. The closing of the purchase and sale transaction contemplated herein (the "Closing") shall take place at the office of the West Allis City Attorney or at such other place as is mutually acceptable to Purchaser and Seller, on or before November 30, 2004. The Seller shall vacate the property prior to the closing date. The closing date may be extended by mutual agreement of the parties.

WITNESSETH:

WHEREAS, the CDA has loaned Two Hundred Fifty Thousand Dollars (\$250,000) to PST pursuant to the terms of a Purchase and Sale Agreement dated 6/18/04 (the "Loan"); and,

WHEREAS, this Agreement shall provide for the details of payment of the Loan and matters related thereto.

NOW, THEREFORE, BE IT RESOLVED that the parties do hereby mutually agree to the following terms and conditions:

1. PST acknowledges that the CDA has loaned to it the sum of Two Hundred Fifty Thousand Dollars (\$250,000) to pay for outstanding back taxes and sewer and water bills on the Property, as set forth in said Purchase and Sale Agreement.
2. PST will execute and deliver to the CDA, at the time of the making of the Loan, a Promissory Note for repayment of the Loan proceeds in a form attached hereto as Exhibit "1", the terms of which are incorporated herein by reference (the "Note").
3. PST warrants and represents that it has the corporate power and authority to enter into this Agreement, deliver, issue and perform its obligations hereunder and incur the indebtedness evidenced thereby.
4. PST warrants and represents that the making of this Agreement and compliance with the terms hereof by PST has been duly authorized by all necessary corporate action, it is not at variance with or in contravention of any indenture, contract or agreement to which PST is a party or to which it or any of its property is subject, except those agreements in respect to which PST has obtained a written consent, waiver or release, as the case may be, to the transactions contemplated herein.
5. This Agreement and the Note are legal, valid, binding upon and enforceable against PST in accordance with their terms, except as such terms may be limited by applicable bankruptcy, insolvency or similar laws affecting the enforcement of creditor right generally and except as may be limited by general principles of equity.

6. Except as disclosed by PST to the CDA in writing prior to the date hereof, there is no action, suit, proceeding or investigation before any court, public board or body pending or threatened against PST or any of its property which, if adversely determined, would have a material adverse effect upon the business, properties or financial condition of the PST.

7. PST shall pay to the CDA, upon demand, all reasonable charges and expenses of every kind or description, including, but not limited to, attorney fees and expenses of litigation and any and all expenses incurred by the CDA in seeking relief from the automatic stay or any other bankruptcy proceedings, and other expenses (of the type customarily charged by the CDA) incurred or expended by the CDA in connection with or in any way related to the CDA's relation with PST, with respect to the transactions contemplated by this Agreement or any other Loan Document, whether hereunder or otherwise.

8. PST shall immediately notify the CDA in writing of the occurrence of any failure by it to observe or perform any covenant or agreement contained in this Agreement or any other default hereunder.

9. All statements contained in any certificate, instrument or document delivered by or on behalf of PST pursuant to this Agreement and the transactions contemplated hereby shall be deemed representations and warranties hereunder unless otherwise expressly provided herein. The representation and warranties contained in this Agreement shall survive the closing and continue in full force and effect for the duration of the Loan. No examination or investigation by or on behalf of the CDA shall have the effect of stopping the CDA from asserting breach or failure of any such representation or warranty or constitute or operate as a waiver of any such representation or warranty in whole or in part.

10. In the event of a non-payment of any sum of money at the time or times when the payment shall become due, or the failure to observe or perform any of the covenants and conditions by PST to be kept and performed under the terms of this Agreement, the Purchase and Sale Agreement, or any agreement made an exhibit hereto, then, in such case, the whole amount of principal due on the Note shall, at the option of the CDA, become due and payable without any notice or demand whatever, both notice and demand being hereby expressly waived, and the same, together with all sums of money which may be or have been paid by the CDA in connection therewith, plus interest thereon at the rate set forth in the Note, shall thereupon be collectible in a suit at law, in the same manner as if the whole of said principal sum have been made payable at the time when any such default shall occur; and, PST covenants and agrees that it will pay to the CDA all expenses incurred therein, and in addition to the taxable costs and said suit, a reasonable sum of money as attorney fees, be included with the expenses above mentioned in the judgment or decree. In the event that PST files or is the subject of a petition in bankruptcy or similar proceedings, in which case, all sums due under the Note shall be immediately due and payable.

11. Each of the parties to this Agreement is entitled to all remedies in the event of default or breach provided by law or in equity. Any forbearance by the CDA in exercising any right or remedy hereunder, or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of any such right or remedy.

If to PST: Pressed Steel Tank Co., Inc.

In the event of loss, the Mortgagor shall give prompt notice to the insurance carrier and Mortgagee. Mortgagee shall make proof of loss if not promptly made by Mortgagor.

4. If the Mortgagor fails to perform the covenants and agreements contained in this Mortgage, or if any action or proceeding is commenced which materially affects the Mortgagee's interest in the property, including, but not limited to, eminent domain, insolvency, code enforcement, arrangements or proceedings involving a decedent, or the filing of a petition or entry of an order for relief under the federal bankruptcy code, or the appointment of a custodian, trustee or receiver, then the Mortgagee, at the Mortgagee's option, upon notice to the Mortgagor, may make such appearances, disburse such sums and take such action as is necessary to protect the Mortgagee's interest, including, but not limited to, disbursement of reasonable attorneys' fees, and entry upon the Property to make repairs. Mortgagee shall pay cost of any damage to the Property caused by such entry. Any amounts disbursed by the Mortgagee pursuant to this paragraph, with interest thereon, shall become additional indebtedness of the Mortgagor secured by this Mortgage. Unless the Mortgagor and the Mortgagee agree to other terms of payment, such amounts shall be payable upon notice from the Mortgagee to the Mortgagor requesting payment thereof, and shall bear interest from the date of disbursement at the rate payable from time to time on the outstanding principal under the Note, unless payment of interest at such rate would be contrary to applicable law, in which event such amounts shall bear interest at the highest rate permissible under applicable law. Nothing contained in this paragraph shall require the Mortgagee to incur any expense or take any action hereunder.

4.5 The Mortgage is subordinate to prior liens on the Property as set forth in the Title Commitment report attached hereto as Exhibit 1, but only to the present outstanding balance of such mortgage. A default on the first mortgage, subject to such notice and right to cure as may be applicable thereto, is an event of default under this mortgage. Mortgagor shall immediately provide written notice of default received from the first Mortgagee. Mortgagee reserves the right to satisfy a default under the first mortgage and add the payment or cost incurred to the balance due on this mortgage.

MORTGAGOR AND MORTGAGEE FURTHER COVENANT AND AGREE THAT:

1. In the event of a non-payment of any sum of money at the time or times when the payment shall become due or the failure to perform any of the covenants or conditions by Mortgagor to be kept and performed, then, in such case, or in either case, the whole amount of principal due on the Note, shall at the option of the Mortgagee, become and be immediately due and payable without any notice to said Mortgagor (notice being hereby waived), and the same, together with all sums of money which may be or have been paid by Mortgagee for or on account of insurance, taxes, assessments and/or other disbursements made by Mortgagee, pursuant to the terms of the Mortgage plus interest thereon at the rate aforesaid, and shall thereupon be collectible in a suit of law, or by foreclosure of this Mortgage, in the same manner as if the whole of said principal sum had been made payable at the time when any such default shall occur; and the judgment or decree in the suit brought to foreclose the same shall embrace, with said principal debt and interest, all the sums so paid, with interest at the rate aforesaid; and, it shall be lawful in such case, or in either case, for Mortgagee to grant, sell and convey the Property with the appurtenances thereto belonging, at public sale, and on such sale to make and execute to the purchaser or purchasers, good and sufficient deeds of conveyance in the law, pursuant to the statute in such case made and provided; and, in case suit shall be brought for the foreclosure of this Mortgage, Mortgagor covenants and agrees that he will pay to Mortgagee all expenses incurred therein, and in addition to the taxable costs in such suit, a reasonable sum of money as attorneys fees to be included with the expenses above mentioned, in the judgment or decree.

2. Any extension of time for payment or modification of amortization of the sums secured by this Mortgage granted by Mortgagee to any successor in interest of Mortgagor shall not operate to release, in any manner, the liability of the original Mortgagor and Mortgagor's successors in interest. Mortgagee shall not be required to commence proceedings against such successor or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Mortgage by reason of any demand made by the original Mortgagor and Mortgagor's successors in interest.

3. Any forbearance by Mortgagee in exercising any right or remedy hereunder, or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of any such right or remedy. The procurement of insurance or the payment of taxes or other liens or charges by Mortgagee shall not be a waiver of Mortgagee's right to accelerate the maturity of the indebtedness secured by this Mortgage.

4. All remedies provided in this Mortgage are distinct and cumulative to any other right or remedy under this Mortgage or afforded by law or equity, and may be exercised concurrently, independently or successively.

5. Mortgagor agrees to the provisions of Section 846.101 and 846.103(2) of the Wisconsin Statutes, as may apply to the Property and as may be amended, permitting Mortgagee in the event of foreclosure to waive the right to judgment for deficiency and to hold the foreclosure sale within the time provided in such applicable Section.

6. Mortgagor shall not transfer, sell or convey any legal or equitable interest in the Property (by deed, land contract, option, long-term lease or in any other way) without the prior written consent of Mortgagee, unless the indebtedness secured by this Mortgage is first paid in full. The entire indebtedness under the Note shall become due and payable in full, at the option of Mortgagee without notice, upon any transfer, sale or conveyance made in violation of this paragraph.

7. Mortgagor covenants not commit waste nor suffer waste to be committed on the Property, to keep the Property in good condition and repair, to keep the Property free from all liens and encumbrances except as otherwise provided herein, and to comply with all laws, ordinances and regulations affecting the Property. Mortgagor shall pay when due all indebtedness which may be or becomes secured at any time by a Mortgage or other lien on the Property superior to this Mortgage and any failure to do so shall constitute a default under this Mortgage.

8. Upon default or during the pendency of any action to foreclose this Mortgage, Mortgagor consents to the appointment of a receiver of the Property, to collect the rents, issues and profits of the Property, during the pendency of such an action, and such rents, issues and profits when so collected, shall be held and applied as the court shall direct.

9. Mortgagor hereby transfers and assigns absolutely to Mortgagee as additional security, all rents, issues and profits which become or remain due (under any form of agreement for use or occupancy of the Property or any portion thereof), or which were previously collected and remain subject to Mortgagor's control, following any default under this Mortgage or the Note secured hereby and delivery of notice of exercise of this assignment by Mortgagee to tenant or other user(s) of the Property. This assignment shall be enforceable with or without appointment of a receiver and regardless of Mortgagee's lack of possession of the Property.

10. The covenants and agreements herein contained shall bind and the rights hereunder shall inure to the respective successors and assigns of Mortgagee and Mortgagor. All covenants and agreements of Mortgagor shall be joint and several.

LOAN AGREEMENT

This Agreement is made and entered into this 18TH day of June, 2004, by and between the Community Development Authority of the City of West Allis, Wisconsin ("CDA") and Pressed Steel Tank Co., Inc. ("PST"):

WITNESSETH:

WHEREAS, the CDA has loaned Five Hundred Thousand Dollars (\$500,000) to PST pursuant to the terms of a Purchase and Sale Agreement dated 6/18/04 (the "Loan"); and,

WHEREAS, this Agreement shall provide for the details of payment of the Loan and matters related thereto.

NOW, THEREFORE, BE IT RESOLVED that the parties do hereby mutually agree to the following terms and conditions:

1. PST acknowledges that the CDA has loaned to it the sum of Five Hundred Thousand Dollars (\$500,000) to pay for relocation expenses, as set forth in said Purchase and Sale Agreement.
2. PST will execute and deliver to the CDA, at the time of the making of the Loan, a Promissory Note for repayment of the Loan proceeds in a form attached hereto as Exhibit "1", the terms of which are incorporated herein by reference (the "Note").
3. PST warrants and represents that it has the corporate power and authority to enter into this Agreement, deliver, issue and perform its obligations hereunder and incur the indebtedness evidenced thereby.
4. PST warrants and represents that the making of this Agreement and compliance with the terms hereof by PST has been duly authorized by all necessary corporate action, it is not at variance with or in contravention of any indenture, contract or agreement to which PST is a party or to which it or any of its property is subject, except those agreements in respect to which PST has obtained a written consent, waiver or release, as the case may be, to the transactions contemplated herein.
5. This Agreement and the Note are legal, valid, binding upon and enforceable against PST in accordance with their terms, except as such terms may be limited by applicable bankruptcy, insolvency or similar laws affecting the enforcement of creditor right generally and except as may be limited by general principles of equity.

6. Except as disclosed by PST to the CDA in writing prior to the date hereof, there is no action, suit, proceeding or investigation before any court, public board or body pending or threatened against PST or any of its property which, if adversely determined, would have a material adverse effect upon the business, properties or financial condition of the PST.

7. PST shall pay to the CDA, upon demand, all reasonable charges and expenses of every kind or description, including, but not limited to, attorney fees and expenses of litigation and any and all expenses incurred by the CDA in seeking relief from the automatic stay or any other bankruptcy proceedings, and other expenses (of the type customarily charged by the CDA) incurred or expended by the CDA in connection with or in any way related to the CDA's relation with PST, with respect to the transactions contemplated by this Agreement or any other Loan Document, whether hereunder or otherwise.

8. PST shall immediately notify the CDA in writing of the occurrence of any failure by it to observe or perform any covenant or agreement contained in this Agreement or any other default hereunder.

9. All statements contained in any certificate, instrument or document delivered by or on behalf of PST pursuant to this Agreement and the transactions contemplated hereby shall be deemed representations and warranties hereunder unless otherwise expressly provided herein. The representation and warranties contained in this Agreement shall survive the closing and continue in full force and effect for the duration of the Loan. No examination or investigation by or on behalf of the CDA shall have the effect of the stopping the CDA from asserting breach or failure of any such representation or warranty or constitute or operate as a waiver of any such representation or warranty in whole or in part.

10. In the event of a non-payment of any sum of money at the time or times when the payment shall become due, or the failure to observe or perform any of the covenants and conditions by PST to be kept and performed under the terms of this Agreement, the Purchase and Sale Agreement, or any agreement made an exhibit hereto, then, in such case, the whole amount of principal due on the Note shall, at the option of the CDA, become due and payable without any notice or demand whatever, both notice and demand being hereby expressly waived, and the same, together with all sums of money which may be or have been paid by the CDA in connection therewith, plus interest thereon at the rate set forth in the Note, shall thereupon be collectible in a suit at law, in the same manner as if the whole of said principal sum have been made payable at the time when any such default shall occur; and, PST covenants and agrees that it will pay to the CDA all expenses incurred therein, and in addition to the taxable costs and said suit, a reasonable sum of money as attorney fees, be included with the expenses above mentioned in the judgment or decree. In the event that PST files or is the subject of a petition in bankruptcy or similar proceedings, in which case, all sums due under the Note shall be immediately due and payable.

11. Each of the parties to this Agreement is entitled to all remedies in the event of default or breach provided by law or in equity. Any forbearance by the CDA in exercising any right or remedy hereunder, or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of any such right or remedy.

12. Any notices or other communications required or permitted hereunder shall be in writing and shall be sufficiently given if delivered in person or sent by certified or registered mail, postage prepaid, addressed as follows:

This Mortgage is given to secure payment of indebtedness evidenced by a Promissory Note dated 6/18/04, in the aggregate principal amount of Five Hundred Thousand and NO/100 Dollars (\$ 500,000.00), and any extensions, renewals or modifications thereof, or substitutes or replacements therefore (hereinafter the "Note"), interest due and payable thereon, payment of such further sums as Mortgagee hereafter may loan to Mortgagor when evidenced by another Note or Notes, reciting such security, and also to secure the performance of all covenants and agreements contained herein.

Mortgagor hereby covenants that it is the owner of the Property.

So long as all or any part of the principal and/or interest on the Note and any additional indebtedness or obligation arising out of the Mortgage, or any instrument of the Mortgagor's collateral hereto, remains outstanding and unpaid, the Mortgagor covenants with Mortgagee that:

1. The Mortgagor shall promptly pay when due the principal and the interest on the indebtedness evidenced by the Note and any other Notes secured by this Mortgage.

2. The interests of the Mortgagor and of the Mortgagee in the Property shall be assessed for taxation and taxed together, without separate valuation, and the Mortgagor shall pay, or cause to be paid, before they become delinquent, all taxes and assessments now or hereafter assessed or levied against the Property, and shall deliver to the Mortgagee or the Mortgagee's representative on demand, receipts showing due payment thereof.

3. The Property shall be insured against loss or damage by fire or other casualty included within the term "extended coverage", and such other hazards as Mortgagee may require and in such reasonable amounts and for such periods as Mortgagee may require, provided that Mortgagee shall not require an amount of coverage which exceeds the lesser of (i) the amount of coverage to pay the sum secured by this Mortgage and all superior liens encumbering the Property, or (ii) the maximum amount permitted by the insurer. All insurance policies and renewals therefore shall be through insurers approved by Mortgagee, such approval shall not be unreasonably withheld, and shall be in a form acceptable to the Mortgagee and shall include a standard mortgage clause in favor of and in a form acceptable to the Mortgagee. The Mortgagee shall have the right to hold the policies and renewals thereof, and the Mortgagor shall promptly furnish to the Mortgagee all renewal notices and all receipts of said premiums. In the event of loss, the Mortgagor shall give prompt notice to the insurance carrier and Mortgagee. Mortgagee shall make proof of loss if not promptly made by Mortgagor.

4. If the Mortgagor fails to perform the covenants and agreements contained in this Mortgage, or if any action or proceeding is commenced which materially affects the Mortgagee's interest in the property, including, but not limited to, eminent domain, insolvency, code enforcement, arrangements or proceedings involving a decedent, or the filing of a petition or entry of an order for relief under the federal bankruptcy code, or the appointment of a custodian, trustee or receiver, then the Mortgagee, at the Mortgagee's option, upon notice to the Mortgagor, may make such appearances, disburse such sums and take such action as is necessary to protect the Mortgagee's interest, including, but not limited to, disbursement of reasonable attorneys' fees, and entry upon the Property to make repairs. Mortgagee shall pay cost of any damage to the Property caused by such entry. Any amounts disbursed by the Mortgagee pursuant to this paragraph, with interest thereon, shall become additional indebtedness of the Mortgagor secured by this Mortgage. Unless the Mortgagor and the Mortgagee agree to other terms of payment, such amounts shall be payable upon notice from the Mortgagee to the Mortgagor requesting payment thereof, and shall bear interest from the date of disbursement at the rate payable from time to time on the outstanding principal under the Note, unless payment of interest at such rate would be contrary to applicable law, in which event such amounts shall bear interest at the highest rate permissible under applicable law. Nothing contained in this paragraph shall require the Mortgagee to incur any expense or take any action hereunder.

4.5 The Mortgage is subordinate to prior liens on the Property as set forth in the Title Commitment report attached hereto as Exhibit 1, but only to the present outstanding balance of such mortgage. A default on the first mortgage, subject to such notice and right to cure as may be applicable thereto, is an event of default under this mortgage. Mortgagor shall immediately provide written notice of default received from the first Mortgagee. Mortgagee reserves the right to satisfy a default under the first mortgage and add the payment or cost incurred to the balance due on this mortgage.

MORTGAGOR AND MORTGAGEE FURTHER COVENANT AND AGREE THAT:

1. In the event of a non-payment of any sum of money at the time or times when the payment shall become due or the failure to perform any of the covenants or conditions by Mortgagor to be kept and performed, then, in such case, or in either case, the whole amount of principal due on the Note, shall at the option of the Mortgagee, become and be immediately due and payable without any notice to said Mortgagor (notice being hereby waived), and the same, together with all sums of money which may be or have been paid by Mortgagee for or on account of insurance, taxes, assessments and/or other disbursements made by Mortgagee, pursuant to the terms of the Mortgage plus interest thereon at the rate aforesaid, and shall thereupon be collectible in a suit of law, or by foreclosure of this Mortgage, in the same manner as if the whole of said principal sum had been made payable at the time when any such default shall occur; and the judgment or decree in the suit brought to foreclose the same shall embrace, with said principal debt and interest, all the sums so paid, with interest at the rate aforesaid; and, it shall be lawful in such case, or in either case, for Mortgagee to grant, sell and convey the Property with the appurtenances thereto belonging, at public sale, and on such sale to make and execute to the purchaser or purchasers, good and sufficient deeds of conveyance in the law, pursuant to the statute in such case made and provided; and, in case suit shall be brought for the foreclosure of this Mortgage, Mortgagor covenants and agrees that he will pay to Mortgagee all expenses incurred therein, and in addition to the taxable costs in such suit, a reasonable sum of money as attorneys fees to be included with the expenses above mentioned, in the judgment or decree.

2. Any extension of time for payment or modification of amortization of the sums secured by this Mortgage granted by Mortgagee to any successor in interest of Mortgagor shall not operate to release, in any manner, the liability of the original Mortgagor and Mortgagor's successors in interest. Mortgagee shall not be required to commence proceedings against such successor or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Mortgage by reason of any demand made by the original Mortgagor and Mortgagor's successors in interest.

3. Any forbearance by Mortgagee in exercising any right or remedy hereunder, or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of any such right or remedy. The procurement of insurance or the payment of taxes or other liens or charges by Mortgagee shall not be a waiver of Mortgagee's right to accelerate the maturity of the indebtedness secured by this Mortgage.

4. All remedies provided in this Mortgage are distinct and cumulative to any other right or remedy under this Mortgage or afforded by law or equity, and may be exercised concurrently, independently or successively.

5. Mortgagor agrees to the provisions of Section 846.101 and 846.103(2) of the Wisconsin Statutes, as may apply to the Property and as may be amended, permitting Mortgagee in the event of foreclosure to waive the right to judgment for deficiency and to hold the foreclosure sale within the time provided in such applicable Section.

6. Mortgagor shall not transfer, sell or convey any legal or equitable interest in the Property (by deed, land contract, option, long-term lease or in any other way) without the prior written consent of Mortgagee, unless the indebtedness secured by this Mortgage is first paid in full. The entire indebtedness under the Note shall become due and payable in full, at the option of Mortgagee without notice, upon any transfer, sale or conveyance made in violation of this paragraph.

7. Mortgagor covenants not commit waste nor suffer waste to be committed on the Property, to keep the Property in good condition and repair, to keep the Property free from all liens and encumbrances except as otherwise provided herein, and to comply with all laws, ordinances and regulations affecting the Property. Mortgagor shall pay when due all indebtedness which may be or becomes secured at any time by a Mortgage or other lien on the Property superior to this Mortgage and any failure to do so shall constitute a default under this Mortgage.

8. Upon default or during the pendency of any action to foreclose this Mortgage, Mortgagor consents to the appointment of a receiver of the Property, to collect the rents, issues and profits of the Property, during the pendency of such an action, and such rents, issues and profits when so collected, shall be held and applied as the court shall direct.

9. Mortgagor hereby transfers and assigns absolutely to Mortgagee as additional security, all rents, issues and profits which become or remain due (under any form of agreement for use or occupancy of the Property or any portion thereof), or which were previously collected and remain subject to Mortgagor's control, following any default under this Mortgage or the Note secured hereby and delivery of notice of exercise of this assignment by Mortgagee to tenant or other user(s) of the Property. This assignment shall be enforceable with or without appointment of a receiver and regardless of Mortgagee's lack of possession of the Property.

10. The covenants and agreements herein contained shall bind and the rights hereunder shall inure to the respective successors and assigns of Mortgagee and Mortgagor. All covenants and agreements of Mortgagor shall be joint and several.
