Re: Notification of Programming Change

Dear Mayor Bell:

As you know, Time Warner Cable is required to provide our local franchising authorities and our customers with a 30-day notice of any channel deletions or moves. Time Warner Cable's agreements with programmers to carry their services routinely expire from time to time. We are usually able to obtain renewals or extensions of such agreements, and carriage of programming services is discontinued only in rare circumstances. The following agreements with programmers are due to expire soon, and we may be required to cease carriage of one or more of these services in the near future.

NBC Universal VOD and Starz/Encore

While we are hopeful that agreements will be reached to continue providing these channels to our customers, we are required to provide our customers and Local Franchising Authorities with adequate notification of any loss or possible loss of programming.

I want to thank you in advance for your patience and cooperation. Should you have any questions, please do not hesitate to contact me at 414.277.4193.

Very truly yours,
