

Dear Administrative appeal board,

I would like to apologise for my lack of knowledge on the law, I ignorantly just thought I had to pay the ticket.

I've been going through a really hard time with the recent loss of my brother switching jobs and my parents being removed from their home - so I'm asking if you can now accept my appeal.

Thank you,

Dear Administrator of West Allis

I am writing to you regarding the
issue of the water supply in the City of West Allis.
I am concerned about the quality of the water
that is being supplied to the residents of the City.
I have heard that there are problems with the
water supply and I am worried about the health
of the residents. I am hoping that you can
help me to find out more about the situation
and what is being done to solve the problem.

Sincerely,
John J. Brennan

To whom it may concern on June 30th
my 79 yr old dad let my dog
outside, which we never do unless she's on
a leash. A neighbor was walking by
with her dog, my dog was excited and
ran out to greet them - her dog took
off running mine stopped and came home -
Nobody was hurt, my dog is not
dangerous - in fact she plays with
my 1 year old grandson - I don't have
money for lawyers - and hoping to
settle this been to court 2 times
hoping someone can tell me what I
need to do to prove my dog not
dangerous.

Thanks,
