Book Bench Project:

Dear Michelle:

The City of West Allis has acquired two book benches to be painted and installed outside of the library. The Artscape Leadership Group has determined that the Library Board shall administer the remaining funds in the book bench project for the purpose of having the benches painted and installed. Part of this responsibility involves deciding what books and theme will be painted onto the benches. The remaining funds are roughly \$12,000, which is enough to purchase a third or fourth book bench to have painted and installed if the board wills it. Costs for the book benches should be charged to "ART003, Library Book Benches" in the Artscape Fund.

On the next page is an example of a similar looking blank book bench and a painted one. Thank you for taking on this exciting project. We can't wait to see the completed benches.

Sincerely,

Dan Devine  
Artscape Leadership Group Chair
