Peter, I just spoke to Del Dettmann regarding plat dates and relocation order dates. The r/w plat date is the date the city signs the plat ("Accepted by the City of West Allis") or in the case of a revision, the revision date as shown in the lower right corner of title page.

The relocation order that will be filed along with the revised plat will have the "Right of Way Plat Date" as **9/10/09 (date of revision)**. The "Date of Previously Approved Relocation Order" will be the date that the mayor signed the previous relocation order which was **11/11/08**. If you have any questions please call. Thank You

Subject: RE: Relocation Plan - 60th Street

Dennis,

Which date is actually supposed to be shown on the Relocation Order under "Date of Previously Approved Relocation Order"? Here are the choices:

11/04/08 R/W Plat signed by City Engineer
11/05/08 Relocation Order resolution passed by City Council
11/11/08 Relocation Order resolution signed by Mayor

Thanks for your help.
