

**CITY OF WEST ALLIS  
RESOLUTION R-2021-0444**

**RESOLUTION RELATIVE TO ACCEPTING THE SOLE SOURCE PROPOSAL OF  
STORMWATER SOLUTIONS ENGINEERING, LLC (SSE) TO DESIGN GREEN  
INFRASTRUCTURE IMPROVEMENTS ALONG S. 65TH AND 66TH STREETS  
FOR AN AMOUNT NOT TO EXCEED \$81,000 AND APPROVING A 2021  
ENGINEERING DEPARTMENT FUND TRANSFER AND AMENDING THE 2021  
CAPITAL IMPROVEMENT PROGRAM**

**WHEREAS**, Milwaukee Metropolitan Sewerage District's (MMSD) consultant, Stormwater Solutions Engineering, LLC (SSE), has identified a variety of green infrastructure options that could be installed along the stretches of S. 65th and 66th Streets, which are planned for reconstruction in 2022, that would maximize the reduction in pollution, slow down the peak stormwater runoff flows and increase infiltration to reduce the volume entering the City's storm sewer system, and

**WHEREAS**, MMSD has also made some funds available that can support these projects, including their Green Solutions program and funds associated with the US EPA's Greening America's Communities program, and

**WHEREAS**, additional funds are needed in 2021 to begin the design process immediately so that construction does not conflict with the 2022 Farmer's Market season or with the planned new developments adjacent, and

**WHEREAS**, on November 17, 2020 the Common Council approved the 2021 Capital Improvement Program and approved the funding in R-2020-0727, and

**WHEREAS**, S. 65th and 66th Streets are in need of funding in 2021 to accelerate the green infrastructure design process. The funding amounts required are:

1. 65th Street (Greenfield to National) = \$40,500
2. 66th Street (National to Mitchell) = \$40,500

**WHEREAS**, The City Engineer has identified other projects in the 2021 Capital Improvement Program budget with excess funds that can be used to fund these additions. The projects proposed to be used to transfer their excess funding are:

1. 86th Street = \$40,500
2. Dakota Street = \$40,500

**WHEREAS**, staff is recommending approval to utilize available Capital Project Fund Balances in account number 350-6008-531.31-01 (Streets) to pay for the amounts that need to be paid from the budgeted amount for 2021 Capital Projects.

**WHEREAS**, the Engineering Department has determined that this contract with Stormwater Solutions Engineering, LLC (SSE) is inappropriate for competitive selection due to the ongoing relationship this company has with MMSD who is partially funding this project; and

**WHEREAS**, the Common Council deems it to be in the best interests of the City of West Allis that the proposal of Stormwater Solutions Engineering, LLC (SSE) be accepted; and

**NOW THEREFORE**, BE IT RESOLVED by the Common Council of the City of West Allis that the fund transfers be and hereby are approved.

BE IT FURTHER RESOLVED that the 2021 Capital Improvement Program be and hereby is approved as amended.

BE IT FURTHER RESOLVED that the Finance Director is authorized and directed to complete such transfers.

BE IT FURTHER RESOLVED, by the Mayor and Common Council of the City of West Allis that the proposal dated July 27, 2021 submitted by Stormwater Solutions Engineering, LLC (SSE) for designing green infrastructure improvements along S. 65th and 66th Streets for an amount not to exceed \$81,000 be and is hereby accepted.
