The following is a summary of reported incidents involving licensed businesses, including reported tavern violations and calls for police service during the month of June.

Incident reports:

Case #15-23304, 05/31/2015, 1118 hrs: 11904 W Greenfield Av. – Brass Monkey

On 05/31/2015, an Officer conducted a tavern check at Brass Monkey that resulted in a bartender being cited for operating a license premise without a licensed person. The agent was mailed a municipal citation.

Call #15-23997, 06/04/2015, 2050 hrs: 6300 W. Lincoln Av. - Johnny Hammers

On 06-04-15 at 2050hrs, officers responded to Jonny Hammer's, 6300 W. Lincoln Ave. for a 911 hang-up. The female caller indicated she was inside of the bar and that her nephew had been assaulted. The caller was unable to be reached, or identified. On arrival, Officers entered the bar and was immediately blocked by the owner, Marie R. Cervantes, F/W 03-15-61. Cervantes asked officers to leave the inside of the bar, stating she would speak to us outside, because our presence inside of the bar disturbs her customers. Cervantes was spoken to outside and advised of the complaint. Cervantes admitted to being aware of the physical altercation that took place inside of her bar. She stated a Hispanic male in his 30's, approx. 6'00", average build was acting overly intoxicated (possibly on drugs), so she asked him and his girlfriend to leave. Cervantes stated her cook (off-duty) got involved, asking the pair to leave the bar. The Hispanic male punched the cook and a brief altercation occurred. The Hispanic male and female left the bar. Cervantes stated the male began punching numerous parked cars near the bar, as he walked north on S. 63 St, screaming and being disorderly. Cervantes did not know who called 911 about this altercation, but advised she never contacted the police. I asked to speak with the cook, as I wanted to make sure he was not injured. Cervantes stated his first name was Richard, but was

unsure of his last name. I asked if she could reference her employee roster, so that I could obtain Richard's complete information and call him. Cervantes told me that she does not know any of Richard's information and does not keep that information at the bar. Cervantes also stated his phone number was not in her cell phone. Overall, Cervantes was uncooperative with the investigation and very blasé about the altercation that took place in her bar. Cervantes did not allow officers to speak with her inside of the bar, nor did she report the physical fight, and she claimed to not keep an employee roster accessible at the bar. Cervantes was advised of these violations, which again did not seem to cause her concern.

Officers smelled the strong odor of burning marijuana emanating from the outdoor patio area of the 6500 Bar. A male party was observed finishing smoking a marijuana joint. Due to the very small amount of substance and evidence he was given a verbal warning for possession of THC. There was no security in the outdoor patio area at the time. Security was informed of the incident and a tavern report was completed. Two other females were sitting directly next to the male at a picnic table, both were argumentative, denying any knowledge of anyone smoking marijuana and accused officers of harassment.

Call #15-26946, 06/22/2015, 2312 hrs: 837 S. 108 St – Kip's Inn

On 06/22/2015, Officers responded to Kip's Inn for a suspicious activity of a male who was passed out in the parking lot of the business.
