We respectfully submit this quotation for the following NEW Toyota Internal Combustion Lift Truck (1 each):

Toyota...Proud to be the world's #1 forklift manufacturer!

TOYOTA MODEL 50-8FGCU32, Internal Combustion Lift Truck, quality engineered with the following specifications:

- Cushion Tires
- LP Gas Powered - UL Type "LP" Rating

This forklift is equipped with a 3-Way Catalytic Muffler System as standard equipment and conforms to current Federal EPA and California ARB regulations for off-road large spark ignited engines.

SYSTEM OF ACTIVE STABILITY™ (SAS)

Toyota's industry exclusive System of Active Stability (SAS) helps reduce lift truck instability by electronically monitoring and controlling various functions of the lift truck.

- **Active Control Rear Stabilizer:**
Various lift truck sensors simultaneously monitor vehicle speed, fork height, load weight, and vehicle yaw (or angular acceleration). Should the operator inadvertently place the truck in a potentially unstable lateral condition, the sensors trigger the SAS controller to activate the Active Control Rear Stabilizer to help reduce the likelihood of a lateral tip over. (Note: Does not apply to dual drive configured models)
- **Active Mast Function Controller (AMC):**
Should the operator inadvertently place the lift truck in a potentially unstable longitudinal condition, these same sensors trigger the SAS controller to activate the AMC, which limits forward tilt and/or tilt back speed to help reduce the likelihood of a longitudinal tip over.

Photo may portray optional equipment not included in your quotation.

AUTOMATIC FORK LEVELING

Toyota's Automatic Fork Leveling feature increases productivity while reducing damage with a push of a button. By depressing the Automatic Fork Leveling button during forward tilt, operators are quickly and easily able to level the forks.

PREMIUM, 4-WAY ADJUSTABLE, FULL SUSPENSION SEAT WITH ORANGE, NON-CINCHING SEAT BELT

Operator comfort is taken to a new level with Toyota's Premium, 4-way adjustable, full suspension vinyl seat. With lumbar, weight, tilt, and almost 6 inches of fore/aft adjustability, your operators will be comfortable and productive throughout their shift. Standard orange, non-cinching seat belt provides additional comfort in applications requiring frequent reverse travel.

LCD MULTI-FUNCTION DISPLAY II

Features on the new MFD II include data log functions, fuel information, & operation data log all with QR code output; fuel gauge (excluding LP); and password protected administrator level access that can manipulate functions such as travel, vehicle management, and operation data log functions.

Mast 3-Stage (FSV) mast with full free lift provides excellent visibility to load and fork tips, while providing smooth, quiet and consistent operation.

Mast Specifications:

- Maximum Fork Height - 187.0"
- Overall Lowered Height - 87.0"
- Over Head Guard Height - 80.70"
- Free Lift - 39.0" with standard Load Backrest

Lifting Capacity **Base Model Capacity – 6,500 lbs @24" load center**
Actual Capacity, based on quoted specifications - 5,720 lbs @24" load center to 187.0" MFH
Actual capacity ratings stated above are based on standard features, options, and attachments available through Toyota at the time of quoting. Non-standard features, options, and attachments may affect actual capacity ratings. Please contact your Toyota sales representative for additional information.

Tilt 6 degrees forward and 5 degrees backwards
Carriage ITA Hook Type 38" Carriage
Load Backrest 48" High Load Backrest

Forks 48" x 5" x 1.8" - Class III
Attachments Cascade 38" Hang-on Sideshifter (Includes 3rd Function Internal Hosing)
Speeds Travel Speed: 10.60 mph Lift Speed: 97 fpm

Engine 2.2L 4Y-US Industrial LP Engine
136 cubic inch displacement, 4 cylinder, overhead valve (OHV)
Net Torque Rating: 112 @ 1800 rpm SAE ft-lb
Net Horsepower Rating: 51 @ 2570 rpm SAE HP

Transmission Automatic Transmission

Steering Load Sensing Hydrostatic Power Steering with Tilt Steering Column

Wheels and Tires Front Tires: 21x8x15
Rear Tires: 16x6x10-1/2

**Additional
Equipment
Included**

- UL Approved Model Type "LP" (tank not included)
- Rear View Mirrors (Left & Right Sides)
- Adjustable Volume Back-up Alarm (Smart Alarm)
- Rear Pillar Assist Grip with Horn Button
- TK20- 2020 New Standards

**Other Outstanding
Toyota Features**

- Operator Presence Sensing System (OPSS)
- Fully Stamped Steel Side Panels
- Electronic Speed Control
- Weather Protected Electrical System
- Unparalleled Fork Tip Visibility
- Foot Activated Park Brake with High Mount Release
- Electronic Shift Control
- 7" Cyclone Air Cleaner
- Fully Insulated Stamped Steel Engine Hood
- Dual Operator Assist Grips
- Oversized Cup Holder
- Heavy Duty, Non-Slip Rubber Floor Mat

Some standard items listed within this quotation may be replaced or altered due to optional equipment.

**MyInsights
(Telematics)**

Standard telematics provided on most Toyota forklifts deliver valuable insights and actionable data for your business. Increase uptime, optimize your fleet, and view detailed analytics by completing your free registration at my.toyotaforklift.com today!

Standard Insights:

- Hour Meters, Error Codes, Impact Detection, Location Tracking

Included with your 24 months of MyInsights Plus:

- Additional hour meters (travel, lift, operator presence, activity)
- Advanced analytical reports (impacts, utilization, errors)
- Configurable event alerts via text or email
- Geofencing, zone alerts, and historical event playback
- Periodic maintenance alerts

Warranty

12 Months or 2,000 hours whichever occurs first: Basic
36 Months or 6,000 hours whichever occurs first: Powertrain

Warranty coverage for non-standard option components will be covered by the manufacturer of that component and not covered under the Toyota forklift standard or powertrain warranty.

We offer a Toyota factory authorized warranty on all new Toyota Material Handling Equipment.

Investment

Price-Toyota Model 50-8FGCU32 as specified above:	\$40,023.53	Each
Net Price including delivery to West Allis, WI:	\$40,023.53	Each

120 day lead time as of 5/28/2025

**Financing and
Maintenance**

Toyota Industries Commercial Finance has been providing effective finance solutions to customers since 1985. As Toyota Material Handling's captive finance partner, we are committed to offering customized financing solutions, tailored financing terms, unmatched industry experience, ultimate transparency, and an unparalleled understanding of your unique business needs. In addition, Full Maintenance and Planned Maintenance programs are available.

**Terms and
Conditions**

Payment: Net 30 days / Cash or Financed
Delivery: Will advise at time of order.

.
F.O.B.: Delivered

Prices are exclusive of any sales or use taxes now in force or which may be made effective in the future by any federal, state, or local governments.

Lease offerings subject to credit approval.

.
Cancellation:

Buyer may cancel its order, reduce quantities, revise specifications or extend schedules only by mutual agreement.

Reasonable and proper cancellation charges (minimum of 20% of purchase price per unit) will apply and which shall take into account expense already incurred and commitments made by Seller and shall indemnify Seller against any loss.

Performance and specifications stated are based on specific testing and operating conditions. Actual performance and specifications may vary based on application, option configuration, operating conditions, and environmental factors.

Some options and configurations may void UL.

.
Conditions subject to change to those in effect at time of delivery.

Your signature on this proposal constitutes an order.

Please contact your Toyota sales representative for additional information.

PRE-SHIPMENT PRICE INCREASES

We are working to have this removed from our government quote templates.

Seller may, on one or more occasions, increase the price of the ordered equipment, and customer shall pay the increased prices, if up to 30 days prior to date of shipment, (a) the U.S. Material Handling Equipment Producer Price Index ("MHEPPI") has increased four percent (4%) or more as compared to the MHEPPI as of the date of customer's proposal acceptance; or (b) the manufacturer of the equipment increases the price the seller pays the manufacturer for the ordered equipment due to any new or increased government fees, tariffs or duties. Price increases will correlate to, as applicable, the percentage increase in the MHEPPI or manufacturer price increase.

TELEMATICS AND DATA COLLECTION

The equipment in this proposal is enabled with the MyInsights system ("System") which collects certain location and operational data concerning the equipment and transmits it to Toyota Material Handling, Inc. for processing and analytics. This proposal is subject to the contractual terms and data usage policies for the System found at <https://www.toyotaforklift.com/myinsights-legal> ("System Terms"). Acceptance of this proposal, or otherwise using the equipment, constitutes acceptance of the System Terms and the formation of an agreement between Customer and Toyota Material Handling, Inc. based on the System Terms. Customer may opt-out of data collection features for the System as provided in the System Terms. Failure to opt-out signifies Customer's consent and agreement to the collection and usage of data in accordance with the System Terms.
