Hello West Allis Common Council,

My name is Anthony Zilli. My wife Katie and I have been residents of West Allis for 12 years. Recently on the date of December 30th 2015 we had a major storm hit our area. I noticed the plow trucks were struggling to navigate the street with so many disabled vehicles. Knowing how bad it was, I went to Menards to buy a tow rope and help out the people I saw stranded. I helped 23 people get out of the snow banks that night. I did however have an incident with one of your plow trucks. The trucks weren't drive in their normal deviation of the lane since so many vehicles were stranded. I was helping a company truck that was stuck around 57th and mobile. I saw the plow coming in the same lane we were in and when he decided to switch back to his lane some snow and a 5 gallon bucket hit my windshield and cracked the glass. I know the drives were trying to deal with the storm, but I feel the plow could have plowed another road until we a safe distance away from any debris that the plow was kicking up. The drive was in a hurry and was driving too reckless for those conditions, knowing people were present. I've enclosed a copy of an estimate. I can be reached by phone or email. Cell is 262-337-2844 and my email is Anthony.zilli@yahoo.com

Thank you,

Anthony and Katie Zilli
