Re: 2nd Quarter Funding for Educational Access
Date: 8/26/10

The school video clubs continue to produce programs for playback on channel 13. They also videotaped several of the Spring Concerts held at all 17 schools.

Channel 13 videotaped and replayed the graduation ceremonies at Central and Hale High Schools, which were both held on the same day. These will be shown throughout the summer months.

The school channel is planning to videotape all the home games for Central and Hale varsity football along with at least one other event from the fall athletic events. As in the past they will do special first day of class productions.

It is staff's recommendation to continue the funding for the educational access channel operations.

Respectfully submitted,

Jerry Musial
