9.47 General Provisions

1. Vicarious Liability. A licensee is liable for any violations of any provision of this chapter committed in the course of conducting the licensed activity by the licensee's employee, agent, or contractor. Each licensee has the affirmative duty to see that every regulation is obeyed by employees, agents, and contractors. The licensee may be convicted for a violation committed by an employee, agent, or contractor only in a civil forfeiture action. None of the following are defenses to the liability imposed under this section:
  - a. The licensee was deceived about or ignorant of the violation.
  - b. The licensee was absent at the time of the violation.
  - c. The licensee had prohibited employees, agents, and contractors from doing the act that resulted in a violation.
2. State Law Applicable. Any duty or authority assigned by state law to a City body, officer, or department shall be in effect unless explicitly declined or rejected in this code. Nothing in this chapter may be construed to implicitly preclude, decline, or reject any authority or duty in state law.
3. License List. The table below indicates by type of license which city officer issues the license, whether the issuing officer may grant the license without council approval, whether a record check is required, the term of the license, and which city departments receive notification of an application for that license.
