To Whom it may Concern:

On July 1<sup>st</sup> my car was parked in front of my residence at 2203 S. 98<sup>th</sup> St. A storm came through causing a tree limb to break off tree and landing on my car causing damage. I filed a report with police, enclosed is report number. I called the DPW, they told me to get three estimates and submit them to you.

I wouldn't ask for the city to pay for it, but I just purchased it in April of 2018, and still paying it off. Since then, I have had a transmission problem, and was informed last week I am losing my job of 19 years, we are closing our doors for good. I need a respectable looking car when looking for employment.

Thank you for your time and consideration in this matter. If you need any further information, I will gladly submit it. I can be reached at 414-759-3043.

Sincerely,

Cheryl Dolge
