Resolution: R-2017-0012

File Number: R-2017-0012

Final Action:

Sponsor(s): Public Works Committee

Resolution authorizing the Director of Public Works/City Engineer to enter into a Limited Term Conservation Easement with Milwaukee Metropolitan Sewerage District (MMSD) to be in compliance with their Green Solutions for Separate Infrastructure and Sewer Separation (GSSISS) Funding agreement which will provide \$99,622 for the Green Infrastructure installed in the Chalet Parking Lot.

WHEREAS, the City of West Allis (the "City") recognizes the importance of the proper maintenance of Green Infrastructure for it to continue managing storm water in a sustainable manner; and,

WHEREAS, in this action the City has declared its intent to properly maintain this Green Infrastructure project where pervious pavers were installed to capture and retain stormwater as part of the installation of a new municipal parking lot; and,

WHEREAS, the City will maintain the green infrastructure in the Chalet parking lot throughout this Limited Term Conservation Easement; and,

WHEREAS, the MMSD will provide funding not to exceed \$99,622 for the installation of the pervious pavement through their GSSISS Program once this Limited Term Conservation Easement is in place; and,

NOW, THEREFORE, BE IT RESOLVED that the City of West Allis grants MMSD a Limited Term Conservation Easement for the installation of pervious pavers in the Chalet parking lot.

BE IT FURTHER RESOLVED that the Director of Public Works/City Engineer is hereby directed and authorized to enter into a Limited Term Conservation Easement with Milwaukee Metropolitan Sewerage District in compliance with the funding requirements.
