FROM: Peter C. Daniels, Principal Engineer

DATE: March 1, 2016

RE: **Communication from Peter Daniels, Principal Engineer, regarding the Proposed 5-Year Paving Program for years 2017 to 2021**

The Advisory Capital Improvement Committee recommended approval of the 5-Year Paving Program for the years 2017 to 2021. Therefore, we recommend Public Works Committee and Common Council approval as well.

In cooperation with WisDOT, the City will continue the 3 year design process for the reconstruction in 2018 of National Avenue from 70th Street to 76th Street and from 92nd Street to 95th Street and the reconstruction in 2020 of National Avenue from 76th Street to 82nd Street. The City also hopes to construct the planned new bikeshare stations in 2017 with the cooperation of Bublr and WisDOT. And in cooperation with WisDOT, the City will also continue the 3 year design process for the completion of the bike bridge over Hwy 100 in 2018 and completion of the bike trail in 2019.
