NARRATIVE

At the time of this investigation I was wearing my WAPD issued body camera, which was functional and activated. The body worn camera footage was categorized. See video recording for precise details as the following is a summary based off little or no review.

OFFICER SANTA CRUZ MEDINA REPORTS

On 07/04/19 at approximately 0050hrs, I conducted a Tavern Check at Stallywood. Upon my arrival, I observed that there were approximately six to eight patrons outside smoking. One of the individuals that was smoking identified himself as Shane E. White, m/w 08/02/73 and he advised that he was the security guard of the bar.

CONTACT WITH SHANE E. WHITE

Shane was advised that I was conducting a tavern check. Shane was asked if he is armed security for the bar and he advised he was not. Shane was also advised to have the patrons outside to go inside as they were being loud and I did not want neighbors to complain. Shane understood and had the patrons go inside if they were being loud.

Shane had nothing further to add to his statement.

CONTACT WITH ROBERT L. ANDERSON

After speaking with Shane, I went inside the bar and spoke with the owner of the bar, Robert L. Anderson, m/w 08/28/85. Robert was advised that I was conducting a Tavern check and needed to see the business liquor license. Robert complied and

handed me the business Class B liquor license (18-00002551), which indicated that it was issued on 07/19/18 with a License Period starting on 07/01/18 and ending on 06/30/19, and expiration date of 06/30/19. Based on the fact that the liquor license indicated that it was expired, I asked him if he had renewed his license, which he stated he did. Robert stated that he did not have the new liquor license with him as the new license had not yet arrived.

Robert later handed me a letter from the City of West Allis which indicated that he had to renew his liquor license on 04/30/2019 and a receipt with a payment to the city on 05/14/19. Robert advised that the receipt was the payment to renew his liquor license, however the receipt did not have in detail what the payment was for. Robert also admitted that he renewed his liquor license late and the city made him pay a late fee. I asked Robert if he had any other documents to support that he renewed his license and he advised that he had given all the other paperwork to his book keeper.

Based on the fact that his Class B Liquor License was expired and Robert having no proof that his license was renewed, I advised him to stop serving the patrons and to close the bar. Robert stated he understood and complied. I later advised Robert that he was going to get a citation for serving alcohol while his liquor license is expired.

It should be noted that as I was inside the bar, I observed that there was approximately 35 patrons inside the bar with majority of them with an alcoholic beverage.

Robert had nothing further to add to his statement.

BARTENDING LICENSE

While on scene I spoke with Frank M. Kiewit, m/w 07/17/87. Frank stated he was a bartender at Stallywood and provided me with his bartending license (19-560).

CITATION ISSUANCE

Based on the fact that Stallywood was serving alcohol while its liquor license was expired, I issued the owner, Robert citation 1S804DZZ8Q.

RESPONSE

On 07/04/19 at approximately 2357 hours, I, Officer Roth, responded to Uncle Fester's (5732 W. Mitchell St.) for a report of a physical fight.

OBSERVATIONS OF SCENE

While responding to Uncle Fester's I was flagged down by a citizen later identified as Ericka L. Van Allen (F/W 09/17/83), who stated her boyfriend, William R. Smith (M/W 07/12/68) had been assaulted while at the bar.

Incident Location:

5732 W Mitchell St, West Allis, WI, 53214

Incident Date:

07/04/2019

I observed William was sitting in the front passenger seat of a vehicle and appeared to be very intoxicated. I observed William had an open beer in his left hand. William also had multiple lacerations on his face and was bleeding. It also appeared Williams left eye ball may have been bleeding due to it being all red where it normally is white.

STATEMENTS OF WILLIAM

I approached William and asked him to exit the vehicle. William stated he didn't want to, and didn't need to. I advised William he had multiple lacerations and he needed medical attention. I grabbed William by his right wrist and advised him he needed to exit the vehicle. William began to stand up while PO Schweitzer and I began to escort him toward our WAPD SUV. William began to tense both of his arms up, causing officers to place him into handcuffs. I now had William sit down on the curb so him and I could speak.

William stated he had gotten beat up while at Uncle Festers. William did not know who had assaulted him, nor did he know a description of what they were wearing. William did state that the man who had assaulted him was a white male. I asked William how the lacerations to his face occurred, which he stated he "got beat up." I asked William if he was hit with any beer bottles, which he stated he believed he was hit with two beer bottles. William stated he did not want anyone arrested for assaulting him. Throughout the entire conversation with William he was very uncooperative with the investigation.

While WAFD was on scene, William was still being uncooperative. William stated multiple times he did not need to go to the hospital despite multiple officers, and West Allis Fire Fighters telling him he should. Ericka offered to take William to the hospital, which he stated he was willing to do.

PHOTOGRAPHS

While on scene, I was assigned to take photographs of the evidence. I took these photos on my WAPD digital camera. The photos were downloaded onto my WAPD camera card, and later uploaded into the DIMS system. The following list is a list of photographs I took while on scene.

Photos 1-5: Injuries on William's face from the physical altercation

STATEMENTS OF MELINDA (UNCLE FESTER'S EMPLOYEE) / SURVEILLANCE CAMERA FOOTAGE

After taking photos, I went into the business to view surveillance camera footage. While PO Vanden Boogard was operating the surveillance camera footage, I briefly spoke with Melinda, F. Rooney (F/W 10/05/74), an Uncle Fester's employee. Melinda stated she knows William personally from him coming to the bar often. Melinda stated when she arrived to the bar, she observed a white male get onto a motorcycle and leave.

At this time, PO Vanden Boogard was able to pull up the surveillance camera footage. I was able to observe William sitting at the bar near the front entrance. Standing near the front entrance, I observed a white male wearing a black baseball cap, a white t shirt, and dark shorts, speaking with another white male, who was bald, wearing a light blue shirt, and blue jeans. The male in the baseball cap seemed agitated, while the bald male seemed to be trying to calm him down.

I observed the male in the baseball cap exit the business. Through a different surveillance camera, I was able to see the male with the baseball cap standing outside near the front entrance. While William started to get up off of his bar stool, I observed him walk towards the front entrance, and exit the business. I also observed the bald male now was walking behind William and following him out of the business.

While William was standing on the porch of the business, I observed the male with the baseball cap punch William in the face 2 times with his right hand. The male in the baseball cap then dragged William off of the steps to the business by grabbing his arms. This caused William to lose his balance and hit his face on the street light pole. William was now on his hands and knees on the sidewalk. The male in the baseball cap began to kick William in the stomach with his right leg. After kicking William, the male in the baseball cap pushed William one more time causing him to end up in the street. At this time, I bystander came over and stopped the male in the baseball cap from causing more damage to William. I then observed William run east on W. Mitchell St., away from the business.

Approximately ten minutes later, I was able to observe the male in the baseball cap leave out the backdoor of the business. The time on the surveillance camera was approximately 1205 hours. I was able to observe the baseball cap was a Green Bay Packers cap. Melinda also stated she believed the male's t shirt read "Fresh" across the chest.

I now observed officers enter the business and begin speaking with customers about the incident. At approximately 1230 hours, I observed the male in the baseball cap return to the business and get onto a motorcycle and travel north on S 57 St. The motorcycle appeared to be some type of sports bike. Melinda stated she thought it was a "Ninja" sports bike.

CONTACT WITH BARTENDER

After viewing camera footage, I spoke to the bartender, Alexa S. Fulwiler (F/W 04/14/89) who advised the customer who had assaulted William was not a regular customer and she did not know him. The customer used cash to pay for his drinks. Alexa had a valid bartender license (8451 Issued 06/19/19 and expires 06/30/21)

DISPOSITION

Due to the male party leaving the scene prior to officers arrival and the license plate being unknown to the sports bike, there are no known suspects at this time. William declined any medical attention and was released to Erika, who stated she would be taking William to the hospital to be treated for his injuries.

SUMMARY

Officer Schmidt reports:

On 07/09/19 at approximately 0024 hrs, officers responded to a disorderly conduct complaint at Just J's, 9033 W. National Ave. Investigation revealed Amara Vongphouthone (f/a, 09/10/90) threw a glass at Jesse M. Genaw (m/w, 02/09/95), resulting in a laceration to his right brow line and forehead. Jesse refused medical attention. Amara also threw a telephone at a television inside the tavern, causing its screen to break. Amara was taken into custody for battery, disorderly conduct, and criminal damage to property. Amara was booked accordingly, issued the corresponding municipal citations, and released without further incident.

NARRATIVE

At the time of this investigation I was wearing my WAPD issued body camera, which was functional and activated. The body worn camera footage was categorized as MUNICIPAL. See video recording for precise details as the following is a summary based off little or no review.

CALL FOR SERVICE

On 07/09/19 at approximately 0024 hrs, officers responded to a disorderly conduct complaint at Just J's tavern, 9033 W. National Ave., concerning an altercation inside.

STATEMENT - JESSE M. GENAW

Officer Kaye and I arrived on scene and were advised from a patron standing outside that the problem was inside. Officer Kaye and I continued inside the tavern and observed two (2) parties arguing with one another. While Officer Kaye spoke with one of the subjects, later identified as Amara Vongphouthone (f/a, 09/10/90), I spoke with the other, Jesse M. Genaw (m/w, 02/09/95). I directed Jesse outside to speak with him concerning the incident. Additionally, Jesse was

bleeding considerably from his face, as he sustained what appeared to be an abrasion to his right brow line and forehead. West Allis Fire Department was called and requested to respond.

Jesse explained he had been at Just J's for approximately two (2) hours, when an Asian female came in, Amara. Shortly after her arrival, an older male bar patron asked Amara about her friend's service dog, as leading up to the altercation another female patron was inside with her service dog. Amara presumably believed this patron had made a racially motivated comment to her concerning her eating dogs. Amara became agitated and Jesse attempted to calm down the situation, but Amara told him to shut up.

Amara's disruptive behavior grew increasingly disruptive and Jesse admitted he called her a "bitch." Amara, who was sitting approximately two (2) or three (3) bar stools away from Jesse, threw a drinking glass at Jesse. The glass broke, causing the facial lacerations to Jesse. Jesse stated he observed he was bleeding and dialed 911. Amara stood up and attempted to leave, as she reportedly knew the police were called, but Jesse blocked the door. Jesse explained he did not engage in any physical contact with Amara or threaten her.

Jesse stated he did not give Amara consent to throw a glass at him, causing the abrasions to his face. WAFD personnel arrived on scene, but Jesse refused any medical attention. I requested Jesse notify officers if he were to obtain medical treatment at a later time.

Officer Foy reports...

DISPATCH TO CALL/ARRIVAL ON SCENE

On 7/11/19 at 2239hrs officers responded to Remedy, 1309 S 60 St for a report of a male party who was exposing himself in the parking lot. Dispatch advised the male was walking towards the Taco Bell wearing a light plaid shirt and khaki shorts.

I arrived at the Taco Bell and was approached by an older male in a van who pointed to the bus depot and stated the male involved was sleeping in the bus depot. I walked over to the stop and located the male who was wearing the same clothing that dispatch advised was involved. I stopped and made contact with the male party.

STATEMENT OF OFFENDER - ISMAEL RAMOS

I spoke with Ismael Ramos as he was spilling his tacos all over himself. Ramos was highly intoxicated. He had difficulty speaking as he slurred his words so heavily that it was difficult to understand him. Ramos emitted a strong odor of intoxicants and displayed red and glassy eyes.

Ramos admitted he was coming from Remedy after he consumed one drink and then was refused any further service. Ramos stated he left the business and did not have any problems at the business or issues with any other customers. I asked Ramos if he urinated outside of the business and he denied it. Ramos stated he urinated once he got into the Taco Bell and ordered food.

Ramos admitted he was highly intoxicated but denied ever exposing his genitals to anyone or urinating outside of the business.

ARREST DECISION

Based upon the witness statement that showed where Ramos had urinated outside of the business, Ramos was detained for Disorderly Conduct.

BOOKING

Ramos was mugged/printed using WAPD Booking #19-002497 for Disorderly Conduct. He was issued NTC #1S804K13MS

NARRATIVE**PRIOR CALL FOR SERVICE**

On 05/13/19 I responded to a call at Remedy, 1309 S. 60 St., to assist with a problem between an employee and the owner of the bar. During the incident, the ex-employee, Amber R. Wilhelm, F/W 05/19/93, was in the process of being terminated by the owner, Erwin C. Magritz, M/W 09/03/51.

Near the end of the contact, Amber advised me of several liquor violations by Erwin. She said he was refilling liquor bottles at the business. He used funnels, which were located inside the kitchen. She also mentioned he was pouring rail liquor into Greygoose bottles. She said she had specifically seen him do that numerous times. *See Call #19-017684 for the contact.*

TAVERN CHECK

On 07/19/19, I responded to Remedy Bar (#19-1733) to follow up on the complaint by ex-employee Amber. I made contact with the on duty bartender, Dana R. Brycki, F/W 06/13/85 (# 8354). During my contact with Dana, I spoke to her about the complaint I received. She confirmed the violations were being performed by the owner, Erwin, who was currently not on scene.

I asked Dana further about it. She confirmed Erwin used funnels to refill liquor bottles. She said she had observed him do it many times, including in front of customers, behind the bar. I located several funnels inside the business, which

she confirmed Erwin uses. Two funnels were located inside the kitchen. One funnel was located by the front bar. I asked Dana if she uses funnels to make any cocktails or if she is aware of Erwin using funnels for anything. She confirmed he used it to refill liquor bottles.

Dana also advised me to check the lower cabinets at the bar. I checked one of the lower cabinets, and observed larger liquor bottles, specifically 1.75L bottles. She advised me specifically of the Crown Royal Apple. She said he's used the 1.75L bottle to pour into the smaller bottle, which is why the outside is sticky.

Inside one of the lower liquor cabinets, I observed a 1.75L bottle of Crown Royal Apple, Jack Daniel Tennessee Fire, Malibu Cocunut, Malibu Mango, and two bottles of UV Blue Raspberry Flavor. Inside another lower liquor cabinet I located a 1.75L bottle of Grey Goose. The last bottle I located was a 1.75L of Jagermeister. All bottles were partially full.

I also located the same liquor bottles in small quantities. There was a 1L of Grey Goose Vodka, a 750mL bottle of Crown Royal Apple, a 1L bottle of Malibu Coconut, a 1L bottle of Malibu Mango, and a 1L bottle of UV blue Raspberry flavored. All 1.75L liquor bottles as well as the smaller brands of the liquor bottles were ultimately seized.

CONTACT WITH ERWIN C. MAGRITZ

Erwin ultimately arrived on scene. I advised him of the complaint and asked him about the funnels inside the kitchen. He said it was to help get condiments into smaller containers. I asked him about the funnel in the front of the bar. He claimed it should've been inside the kitchen and ultimately blamed the bartender working.

Erwin denied refilling liquor bottles, but admitted he purchased some of the bottles from nearby businesses. He said he used a liquor store at S. 51 St./W. Oklahoma Ave. He also used the liquor store nearby, County Beer and Liquor, 979 S. 60 St. He also made claims that he was allowed to have three bottles purchased non-wholesale, as long as he poured straight out of the bottles. He said all the large 1.75L bottles were being used to pour straight into drinks, not to refill smaller liquor bottles. I advised him he had obviously more than three bottles.

Erwin showed me receipts of his wholesale purchases. There were receipts that appeared to be recent, within the past couple of months. There did not appear to be any non-wholesale purchases of beer. He advised me he had recent purchased alcohol bottles inside his vehicle. I advised him not to bring it in or it would be seized. He was advised he would be receiving citations for the incident.

CONTACT WITH THE OWNER (PASCUAL)

Although Pascual was contacted and advised of the incident, he was unable to respond to the scene. I advised Martha she would need to close the establishment for the night which she did.

Officer Vanden Boogard reports....

On 07/11/19 at 2324hrs, officers responded to 1414 S 65 St. for a complaint of one of the employees of Spotlite at 6426 W. Greenfield Ave. having intercourse with a male outside of the front entrance of the business. Officers spoke with Debra C. Penkert, F/W 09/09/53, and Amber V. May, F/W 12/12/89, who had witnessed the incident while walking on W. Greenfield Ave. Penkert informed officers she could not actually see what was occurring across the street, but a juvenile she was with thought that two people were having sex in front of the business. May who witnessed the incident, advised that a F/W wearing black underwear was "grinding" outside the front doors with a M/B wearing all black, and there actions were inappropriate.

Officers made contact with the bartender, Audrey Bomback, F/W 02/03/56, who advised she only had two female performers that evening. Neither females matched the witnesses description as both were F/B. However, contact was made with one of the employees, Savannah Andrade, F/B 08/10/94, who was wearing black lingerie underneath normal clothing at the time officers spoke with her. Andrade advised she had stepped into the vestibule area and smoked a cigarette while standing in the outside door threshold. However, she advised the door was mostly closed preventing her from being seen by the general public. She denied any inappropriate interactions outside of the bar. Officers did not locate a M/B inside the business matching the description provided by the witness. Bomback, and Andrade, were both advised of the complaint against the business.

The information provided by the caller about people having intercourse was provided by a third party who did not witness the incident. The actual witness stated the employee was inappropriately dancing on a patron outside while she was wearing her work attire. A tavern report was completed along with this update.

completed through the use of a 20 year old female, CSO A. Vazquez.

CSO Vazquez was instructed to attempt to purchase an alcoholic beverage at each business. If she was asked for an ID, she was to tell the clerk she forgot it, and she was not to persuade the clerk to complete the sale. She was advised she could use a false date of birth, as the purpose of this is to have all businesses verify identification. CSO Vazquez left all forms of photo identification at the police department. I also took a photo of her with a department issued digital camera to document her appearance on the day of the compliance check. The photo was later uploaded to DIMS.

I provided CSO Vazquez with money from the WAPD Community Services Bureau fund for the attempted purchases.

CONTACT AT BECHER LIQUOR & BEER

On 07/29/19 at approx. 1259 hrs., I performed a compliance check at Becher Liquor & Beer. CSO Vazquez exited the Becher Liquor & Beer with a four pack of 16 oz Miller High Life cans. She said she made contact with a female who did not ask for her ID and allowed her to purchase the beers.

As I walked toward the business, I observed the clerk outside the business. She appeared to know why I was there. I asked her about the incident. She said it "slipped" by, and generally asks people for their identification.
