Re: 4th Quarter Funding Recommendations for the
West Allis Community Communications Corporation (WACCC)
Date: 1/15/04

The main area occupying the WACCC's time in the fourth quarter has been moving into their new facility at 7210 W. Naitonal Avenue. Their Open House was held on November 6th and attended by over 200 people.

A new production facilitator has been hired working 30 hours a week. Training in the fourth quarter consisted of 11 people taking part in the Producers Workshop, 10 partaking of the portable field equipment classes, 22 people going through the studio production classes and 7 people were trained on the editing equipment. 57 programs were produced in the fourth quarter and 14 new members joined the WACCC.

The WACCC board has begun considering a proposal from a consultant the help the board clarify and understand their role in board governance and fundraising.

The WACCC has again fulfilled the requirements stated in their 2003 goals and objectives. I recommend providing 4th quarter funding for the WACCC.

Respectfully Submitted,

Jerry Musial
