February 22, 2016

Dear Dan Devine & Adm/Finance Chr. Vince Vitale,

Over the past year, heroin forums have been held in communities such as Brookfield, New Berlin, Hartland and Oconomowoc. Prompted by these efforts and the disturbing fact that heroin overdoses have tripled in the last three years in Waukesha County, we decided to take a closer look at our own community.

We will be holding a Stairway to Heroin community event at West Allis Central High School on Tuesday, March 15, 2016 from 5:45-9:00pm which will be free and open to all community members 12 years of age and older. The Stairway to Heroin educational events have been very successful in neighboring communities so we are hoping to continue to offer these awareness, education and prevention opportunities in our community to help the fight against the growing opiate epidemic. We are looking for potential sponsors for this program to help defer the costs associated with speaker fees, advertising and other planning-related expenses. We are hoping the City of West Allis will consider contributing to our efforts. As a sponsor, your logo will be included on all advertising materials and will also be included in the evening's program. In addition, we are happy to provide you with a receipt of your tax deductible donation. Please feel free to contact me with any questions or for additional information. Thank you for your continued support of educational opportunities for students and families in the West Allis-West Milwaukee community.

Sincerely,
