Items 4A and 4B may be considered together.

### Overview and Zoning

The applicant is applying for a Special Use Permit to allow outdoor dining at Kegel's Inn along the sidewalk of S. 59 St. The outdoor area would be operated from 10 am – 10 pm, seven days a week. The furniture would be required to be taken inside and/or secured at night, and removed during the off-season. Kegel's Inn operates a tavern and restaurant with a full menu. The site is zoned C-3 Community Commercial District, which permits both taverns and restaurants as Special Uses. A Public Hearing for the Special Use Permit for the extension of premise for the restaurant/bar is scheduled for May 15, 2018.

### Site and Landscaping

Kegel's Inn is proposing to place up to five picnic tables along the side of their building on S. 59 St. The sidewalk on the side of the business, along S. 59 St., varies from 8.5 ft-9 ft. in depth, which would allow for 5.5 ft – 6 ft wide tables, as there needs to be a minimum of 3.0 ft. of sidewalk clearance for customers and pedestrians to utilize the remainder of the sidewalk. A minor encroachment will need to be obtained from the City for the placement of the tables and chairs on the public right of way.

No additional site improvements were formally proposed with this application. Staff will need to see a more detailed plan, which shows the detailed dimension of the sidewalk area, the table dimensions, any permanent signs or bike racks currently in the right of way and that a 3.0 ft. area of clearance on the sidewalk is maintained for customers and pedestrians.

Long-range staff is exploring the idea of potentially closing a portion of S. 59 St. seasonally to allow for a seasonal outdoor dining area which could be shared between Kegel's Inn and the Public Table, which is currently under construction (major interior renovation) on the opposite corner of S. 59 St. and W. National Ave.

**Recommendation:** Recommend Common Council approval for the Special Use Permit for an outdoor extension of premise at Kegel's Inn, an existing restaurant located at 59\*\* and 5901 W. National Ave. and approval of the Site, Landscaping and Architectural Plans for an outdoor extension of premise at Kegel's Inn, an existing restaurant located at 59\*\* and 5901 W.
