Re: 4th Quarter Funding for Educational Access

The level of services continues to increase for Channel 13's staff. They are responsible for all Board meetings, major events; such as the Quiz Bowl and Spelling Bee, and a community forum held by Rep. Tony Staskunas. They also videotaped a forum held by State Superintendent of Schools Elizabeth Burmaster, which was attended by approximately 200 people.

The 16 video clubs have more students involved now than at any time since their inception, and they are increasing the quantity and level of programming on Channel 13.

After reviewing the School District activities relating to the educational access channel, I recommend that the fourth quarter funding for educational access television operations be granted.

Respectfully submitted,

Jerold E. Musial

*Hermine/Diane,
Please put this communication
on the Jan 4th Council Agenda.
Also I'd like L+H to
act on it at recess.
Thanks,
