NARRATIVE**INITIAL CALL**

On 06/12/20 at approx. 1548 hrs., officers were dispatched to 6700 W. Beloit Rd., for a vehicle (described as a green blazer) of five people threatening a resident inside. Upon arrival, Officer Baumgart already conducted a traffic stop with the vehicle, WI Reg [REDACTED] I was advised to speak to the caller at the building.

INITIAL CONTACT WITH ROBERT R. ADAMS - WITNESS

I spoke to the caller (Robert R. Adams, M/W [REDACTED] and employee of the residential complex. He said one of the resident's at the building (Josephine) was threatened by her daughter over the phone (speaker). He heard the daughter threaten physical harm to Josephine. I asked to speak to Josephine, and he lead me inside the complex to speak with her. *Another employee, "Shalene" was on scene and heard some of the incident, but had to go. She gave me her phone number, 414-839-8020, to call her later.*

STATEMENT OF JOSEPHINE BOGGAN - VICTIM

Josephine said she was having issues with her adult daughter, Charlene P. Boggan, F/B [REDACTED] She said it originally started not long before she had the police called. She said Charlene made phone contact with her in an attempt to get money.

During the phone contact between Josephine and Charlene, Josephine told her that she was not giving her any money. This upset Charlene who called Josephine a "bitch" and threatened to kick the door in to her complex. She also threatened to "beat your ass". Josephine said she was feared for her safety due to the threats.

I asked Josephine when she was aware Charlene was on scene. She said Charlene called her 10-15 times, but after the first call, Charlene claimed she was at Josephine's residential complex. Josephine looked outside and saw her pacing at the front of the building. She said Charlene was part of the green SUV, and her boyfriend/fiancé was also inside the vehicle.

I asked Josephine if there were any prior DV incidents from Charlene. She said there were. She also said she was living with Charlene for approx. 27 years in Milwaukee before Josephine moved to her current location. Josephine said she heard from family members that Charlene was having issues with drugs, specifically pills.

Josephine described Charlene as a F/B, tall, slender, with a red/black wig, a pony tail, a vest, and jeans. She advised me Charlene had a P&P agent who was looking for her. She said she should have a warrant, but Charlene will lie about her name.

After receiving a statement from Josephine, I heard officers had several males inside the vehicle and one female. The female gave a different name to officers, and they were requesting more on scene due to non-compliance.

LACK OF CONSENT

Josephine did not give Charlene permission to threaten bodily harm.

INITIAL VEHICLE CONTACT

See Officer Baumgart and Officer Niemuth's supplemental reports.

RESISTING EPISODE

I returned outside to assist officers on scene with the vehicle. Upon approaching the vehicle, officers were issuing commands to open the door, and entry was being forced into the passenger side. I approached the driver side where a male began to exit the driver seat. The male driver exited the vehicle with his hands up, and appeared to be compliant. I had him back up, but wait nearby.

I could see in the rear passenger seats a lot of commotion and I opened the door. I observed a female sitting on top of a male. She appeared to be avoiding officers from the passenger side. She refused to listen to officer commands to exit the vehicle, and she had a full grip wrapped around the male in the rear driver side seat (later identified as Michael S. Thornton, M/B [REDACTED]).

I ordered Charlene to stop, but she continued to scream "police brutality". I attempted to loosen her grip on Michael, but Michael kept telling us to let him go. He claimed he could not exit the vehicle, because we were too close, even though I observed he had plenty of space to exit. When we tried to get him out of the vehicle, he was passively resisting by not following commands, and claiming he could not move. I was able to secure his left arm in an arm lock and directed him out of the vehicle.

After I was able to get Michael to exit the vehicle, Charlene exited with him,

maintaining her grip/hold on him. I had to pull his arm away from Charlene's grip before officers were able to separate the two. I advised Michael to sit by the curb to assist in separating everyone. He complied and did not cause any further issues.

While on scene, Charlene continued to yell and claimed she was pregnant. **Charlene later admitted she was not pregnant.** After the scene was stabilized, I returned back to the complex to continue the investigation.

STATEMENT OF ROBERT R. ADAMS - WITNESS

After I returned inside the building, I spoke to Robert to obtain a statement. Robert said he was working with a resident when he initially observed a green Blazer in the parking lot adjacent to the building. He said it was suspicious due to it being only used for the complex, and never seeing it before.

Robert said he clocked out and went home, but received a call from work. He was told to come back to work because Josephine's daughter was threatening her at the building. Robert returned back, and he observed the same green Blazer now directly in front of the complex (on W. Beloit Rd.).

Robert said he could also see Josephine's daughter pacing back and forth outside the building. I asked him how he knew it was Josephine's daughter. He said Josephine pointed outside and told him she was her daughter. He could also see Charlene on the phone, and Josephine's phone was continually being called.

I asked Robert what he heard on the phone conversations. He said when the phone was on speaker phone, he could hear threats. Charlene made threats to "beat your ass" to Josephine. She also threatened to "kick in" the glass doors and pull Josephine out of the building. Robert said it appeared Josephine was not trying to argue, because she told Charlene to "stop calling me". He said he kept all doors secure until police arrived. Once the green Blazer started to pull away, he observed a squad initiate a traffic stop on it.

I asked Robert how Josephine looked during the phone call. He said she was worked up and he could see the fear. He had nothing further, and escorted me to Josephine's unit number to finish complete the DV paperwork.

72 HOUR NO CONTACT/DV PAMPHLET

I read and explained the 72 Hour Contact Prohibition to Josephine. She said she understood it and signed the form. She was given a copy. She also received the necessary DV/victim forms.

Charlene claimed medical problems while on scene, and WAFD rescue arrived. She refused needing medical treatment and denied being pregnant. While she was being transported to the station, she again claimed medical problems, and officers had to stop while en-route for the booking process.

Due to Charlene's constant and deceitful tactics (continually claiming medical issues, claiming she was pregnant, lying about her information, and her entire resistive episode), officers decided to get her medically cleared at Aurora West Allis Medical Center, booked her out of custody, and to transport her directly to CJF to avoid any further issues.

Charlene was booked out of custody for Disorderly Conduct-DV, a felony P&P warrant, and Resisting or Obstructing an Officer.

SECONDARY INCIDENT

Once Charlene was medically cleared and transported to CJF, she made claims of a sexual assault in Milwaukee. She was transported to Sinai for a SA examination. During this incident, Charlene attempted to flee from police custody and fought with the transporting officer.

See Officer Baumgart, Officer Gaenslen, and further assisting officers supplemental reports.

FURTHER CHARGES

After review with supervisors, Charlene was also booked out of custody for Battery or Threat to Judge, Disarming a Peace Officer (attempt), and Escape-Criminal Arrest.

DV HOTLINE

On 06/14/20 at approx. 1828 hrs., I contacted DV hotline and advised Mercedes of the incident.

P&P

On 06/14/20 at approx. 1631 hrs. I contacted the general P&P phone number. I advised them of the incident. They said they would relay all information to the primary agent of the circumstances.

Incident Date:

06/12/2020

On 06/14/20 at approx. 1941 hrs., I made contact with Shalene L. Fayne, F/B [REDACTED] (verbal ID'd). I asked her what she remembered from the incident between Josephine and her daughter, Charlene, on 06/12/20.

Shalene said she was working in her office. At approx. 1515 hrs., Josephine entered her office. She was screaming and upset about her daughter who was outside and made threats toward her. Shalene also heard Josephine on speaker phone with Charlene. Charlene was yelling and said she would "bust the windows out".

Shalene called a supervisor to notify her of the incident. Shalene was advised to secure the building and call police. Shalene did so and also called her coworker (Robert) who lived nearby. She told him what was happening, and he returned to the complex to assist.

Shalene said Charlene did not get inside the complex, and they tried to make sure no residents allowed her in. She said she heard Josephine received approx. 5-6 phone calls from Charlene. When Josephine answered the phone, she heard expletives used against Josephine. She also heard Charlene claim she would "F" Josephine up. Shalene told Josephine to stop answering the phone.

I asked Shalene what Josephine said on the phone. Josephine told Charlene to stop calling her and said she would not give her anything. She also advised Charlene the police were called. Shalene had nothing further about the incident.

CASE DISPOSITION

Charlene was booked out of custody for DC-DV, Resisting or Obstructing an Officer x2, P&P warrant, Battery or Threat to LE, Disarming a Peace Officer (attempt), and Escape-Criminal Arrest. P&P was advised of this case and the date of the review at the DA's office.

The ADA will review this case on 06/15/20 at 0830 hrs. Josephine was also advised of the review date/time.

NARRATIVE

At the time of this investigation I was wearing my WAPD issued body camera, which was functional and activated. The body worn camera footage was categorized as misdemeanor . See video recording for precise details as the following is a summary based off little or no review.

CALL FOR SERVICE

On 06/12/20 at 1543 hours, I responded to the 6700 block of W Beloit Rd to assist officers with an uncooperative party who was refusing to exit a vehicle.

OBSERVATIONS OF SCENE

Upon arrival to the scene, I observed a green Chevrolet Trailblazer bearing WI registration AGG9119 parked in the 2200 block of S 67 Pl. I observed PO Schrandt, PO Niemuth, PO Baumgart and PO Mussatti were on scene. I observed PO Niemuth & PO Baumgart were standing on the passenger side of the vehicle. I observed the vehicle had tinted windows and I was unable to see inside the vehicle from the outside.

It should also be noted all officers on scene arrived on scene in fully marked WAPD squad cars, and were all wearing full WAPD Police uniforms.

ARREST OF CHARLENE

While standing at the rear passenger side door, I observed the driver of the vehicle give PO Baumgart the keys to the vehicle. I then observed PO Baumgart attempt to unlock the door by reaching his hand into the vehicle. PO Baumgart advised several times for me to attempt to open the back passenger door, but the female sitting near the back passenger door, Charlene P. Boggan (F/B [REDACTED]), was locking the door from the inside. I observed PO Baumgart tell Charlene several times to stop locking the door, but she refused to cooperate. I attempted to open the backseat passenger side door several times but was unsuccessful due to Charlene refusing to unlock the door.

Incident Date:

At this time, I observed PO Niemuth use a window punch tool to break the glass to the window. I then observed PO Niemuth open the door to the vehicle. Once the door to the vehicle was open, I observed there was cracked glass on the seats and floorboard of the vehicle. I then observed there were two small children sitting in the back seats with Charlene. [REDACTED]
[REDACTED]
[REDACTED]

While Charlene was seated in the backseat of the car, I attempted several times to use the blanket the arm escort hold on her right arm, but she repeatedly pulled her arm away from me. While I was attempting to place both my arms around Charlene's arm, I felt a strong resistive tension in her right arm. Also, while Charlene was pulling her arms away from me, I observed her elbow almost strike [REDACTED] in the head. Also, while Charlene was refusing to exit the vehicle, she was sitting [REDACTED]

[REDACTED] It appeared Charlene was smothering [REDACTED] while actively resisting officers. I also observed [REDACTED] attempting to pull [REDACTED] out from underneath Charlene while she was refusing to exit the vehicle. While Charlene was sitting on top of [REDACTED], I heard her yell "Police Brutality" and was still refusing to exit the vehicle. It appeared Charlene had no regard safety of [REDACTED].

Due to PO Mussatti being on the other side of the vehicle attempting to pull Charlene out of the backseat driver side door, I decided to assist [REDACTED] out of the vehicle and then assisted [REDACTED] out of the vehicle. I observed both children were screaming and crying which appeared to be very scared of the situation. I observed the driver of the vehicle, Adrian Williams (M/B 08/09/70) come toward me and assisted both children away from the vehicle.

After [REDACTED] and [REDACTED] were out of the vehicle, I observed Charlene and Michael were both out of the vehicle on the drivers side. I then decided to assist officers with taking Charlene into custody. I observed PO Baumgart attempting to grab Charlene's right arm and place it behind her back. I observed Charlene was continuing to show active resistance by placing her right hand into a fist and pulling it away from PO Baumgart. Due to Charlene actively resisting PO Baumgart, I drew my ECW from the holster. I then removed the cartridge from the ECW and placed the cartridge into my left hand. I then approached Charlene and placed my ECW on her right hip and delivered an approximate 1 second drive stun to Charlene's right hip. This very short drive stun proved to be very effective because Charlene stopped tensing her arms. Officers then were able to place Charlene up against the vehicle, where I was able to place her into handcuffs.

After Charlene was placed into custody, Charlene advised she was pregnant. Charlene advised she was confused as to why she was in handcuffs.

Initial Call

On 06/12/20 at approx. 1543hrs, officers responded to Highland Commons, 6700 W. Beloit Rd. for a resident being threatened by 5 people.

Contact With Charlene

When I arrived on scene, I observed PO Baumgart had the suspect vehicle stopped facing northbound on S. 67 Pl just north of W. Beloit Rd. I made contact with PO Baumgart who advised there were 3 males in the vehicle and he was unsure where the female suspect was. I stayed on scene with PO Baumgart as PO Mussatti was speaking with the victim.

PO Baumgart re approached the subject vehicle on the driver side and I approached on the passenger side. Due to the tint on the vehicle it was difficult to see into the back seats. While PO Baumgart was speaking with the driver, I heard him address a female in the back seat of the vehicle. PO Baumgart gathered her information and attempted to run her name through dispatch.

The name the female provided to PO Baumgart did not come back on file. At this time PO Mussatti advised the female subject possibly has a warrant through probation and parole and would lie about her name. I provided this information

to PO Baumgart. PO Mussatti also advised the female subject, Charlene P. Boggan, F/B [REDACTED], was wanted for disorderly conduct - domestic violence.

PO Baumgart asked the Charlene to exit the vehicle which she refused. I called for additional unit to respond. PO Baumgart kept trying to get Charlene to open the door and the other passengers in the vehicle to unlock all the doors. Charlene kept re locking her door when the unlock button was pressed by the driver.

I observed PO Baumgart try and reach into the vehicle to unlock the door but was unsuccessful. Based on Charlene refusing to unlock her door and exit the vehicle as well as being the subject of a domestic violence incident, I used a window punch to break the small rear passenger window to gain entry into the vehicle. While doing so I received several small cuts to my hand.

Once the door was open, I observed 2 small children in the back seat. Charlene climbed up and was sitting on one of the children who was seated in the middle seat. Charlene then climbed onto a male, later identified as Michael S. Thornton, M/B [REDACTED], who was seated in the rear seat behind the driver.

Officers gave Charlene several commands to exit the vehicle and she refused and continued to grab onto Michael. I climbed into the front passenger seat and pointed my Taser at Charlene. Due to the children still being in the back seat, I did not deploy my Taser.

I had PO Roth remove the two children from the vehicle. Charlene was still sitting and grabbing onto Michael. Officers were able to open the rear driver door and get Michael and Charlene out of the vehicle but again Charlene continued to grab / hold onto Michael.

Officers were able to pry Charlene away from Michael. I assisted PO Baumgart with pinning Charlene up against the rear of the vehicle where she was taken into custody. I grabbed onto Charlene's left arm and felt her trying to pull her arm away from me as I was attempting to place her hand behind her back. During this resistive episode Charlene was telling officers she was pregnant.

Statement of Michael S. Thornton

I spoke with Michael after Charlene was taken into custody. Michael stated Charlene is his "girl" and they got a ride to Charlene's mothers house to get some money. Michael stated they arrived at approx. 1500hrs. Michael stated when they parked next to the apartment complex, Josephine was not answering her phone. Michael stated no one went inside the apartment building.

Josephine called Charlene and was asking where Charlene was. Michael stated they were waiting for Josephine because she was coming form BINGO. While waiting they went across the street to the Quik Pantry. Michael stated

registration AGG-9119. Upon my arrival, the vehicle began leaving the area. I conducted a traffic stop on the vehicle on S 67 Pl, just north of W Beloit Rd.

Contact with Driver / Resisting / Obstructing

I spoke with the driver, Adrian Williams, m/b, [REDACTED] front seat passenger, David M Baker, m/b, [REDACTED] and rear passenger Michael S Thornton, m/b, [REDACTED]. All three advised they were not aware of any threats being made or any problems.

PO Mussatti advised the problem was with a female in the vehicle. I made contact with Charlene P Boggan, f/b, [REDACTED]. Boggan initially identified herself as "Shabria NMI Smith, f/b, [REDACTED]. I conducted an NCIC check of Smith, which revealed no record, indicating a false name. I asked Boggan if she would like to provide her actual name as the one she provided did not come back on file. Boggan said her name was Shabria Smith and she had an identification through Michigan. Boggan also said that she had been arrested, but not in Wisconsin.

PO Niemuth arrived on scene with a morpho touch machine. I advised Boggan that we were going to identify her by taking her fingerprints. Boggan began saying she wasn't going to go near a squad vehicle and she wasn't getting out of the vehicle. I attempted to explain this several times to Boggan.

Boggan still refused to exit the vehicle and cooperate. I had Williams turn the vehicle off and hand me the ignition key, to which he complied. I then reached through the passenger side window and attempted to unlock the back door where Boggan was seated. Boggan continued to push on my hand to prevent me from pulling the door handle and door lock. This continued until PO Niemuth broke the window with a window punch.

Boggan continued to resist officers by pushing herself back into the vehicle and on to the lap of Michael. I walked to the driver side and opened the passenger door. Boggan grabbed onto Michael and continued to resist officers pulling her from the back seat of the vehicle. Michael then stepped out with Boggan holding on to him and refused to allow officers to separate them.

PO Mussatti and I each grabbed on to Boggan's arms and after a taser deployment, Boggan let go of Michael and officers moved her to the rear of the Trailblazer and stabilized her against the vehicle. PO Mussatti and I secured Boggan's arms / hands while PO Roth applied handcuffs. Boggan was escorted to the back of my squad and seated in the rear.

happened. At that time, I read Boggan her Miranda warning and she said that she understood her rights and wished to speak with me about what had happened.

Boggan said she had spoken with her mother, Josephine Boggan, about coming over to get her, "Birthday money," along with a new outfit as her birthday is 06/14. Boggan said she had arrived and found out that her mother didn't have any of the money because she owed it to other people in the apartment money for drugs.

Boggan denied any threats being made, but said they argued a little bit. Boggan admitted she lied about her name because she had a warrant. Boggan also said she did not comply with officers because she was scared of being hurt or killed. Boggan said that she had made arrangements with her Probation Officer in regards to turning herself in on Monday, after her birthday. See body camera footage for exact dialogue.

I attempted to ask some clarifying questions regarding this incident, but Boggan said she did not want to answer my questions, only provide her statement of what happened. Boggan never requested an attorney.

Medical Clearance

As I left the scene and headed back to the station for booking, Boggan began screaming and said she could not breathe, that she had asthma and wanted an ambulance. I pulled over in the 7100blk of W Lincoln Ave and radioed dispatch for an ambulance. WAFD arrived on scene, and attempted to gather information from Boggan. Boggan was highly uncooperative, admitted to lied and refused any medical attention.

Based on the complaint of illness and that Boggan was arrested for DVDC in addition to Resisting / Obstruct an Officer and the warrant, I reviewed the situation with Sgt Manthe, who was the Commanding Officer for the day. Based on Boggan's initial complaints, I conveyed Boggan to AWAMC for medical clearance.

Boggan was highly uncooperative with the doctor at AWAMC after he was advised of the nature of her complaint. After resisting any medical attention, the doctor cleared her for CJF.

Transport

I conveyed Boggan to CJF and walked her inside. Boggan was brought to the nurse's station where she discussed medical needs with the nurse on duty. Boggan told the nurse that she was sexually assaulted 2 days prior. Based on her complaint, the nurse requested I take her for a SANE exam and to return once completed.

Boggan said she was sexually assaulted by a known party in Milwaukee and that she did not wish to report the incident to Milwaukee Police Department for fear her husband would find out. Boggan believed she was drugged with Benadryl because she felt sleepy. Boggan said she woke up the next morning and found her pants and underwear had been removed.

I asked Boggan if she had any concerns about her unborn child. Boggan said she did not and estimated she was approx. 15 weeks. Boggan refused to answer any further questions about it. Shortly after this conversation, the ER doctor came in and advised Boggan she was not pregnant and it was confirmed twice by staff. Boggan was upset and claimed she had an ultrasound done on 06/08/20 at a clinic near her residence. The doctor then left the room.

While at Aurora Sinai, I provided the situation to the SANE nurse that arrived. PO Gaenslen relieved me at that time.

Incident Date:

6700 W Beloit Rd, West Allis, WI, 53219

06/12/2020

Investigation revealed, Charlene P. Boggan, F/B [REDACTED], wanted money from her mother, Josephine Boggan, F/B [REDACTED]. During an argument, Charlene threatened bodily harm. Charlene was arrested for DC-DV, Obstructing/Resisting, and had a felony warrant through P&P. She was transported to CJF by 2nd shift officers prior to my shift starting.

At approx. 2200hrs., I was dispatched to Aurora Sinai to relieve 2nd shift officers at the hospital. I was tasked with taking custody of Charlene who had just been medically cleared.

Charlene claimed that she was sexually assaulted in the city of Milwaukee while being assessed by nursing staff at CFJ. Since Charlene claimed she was sexually assaulted medical clearance was requested for the second time prior to incarceration.

CONTACT WITH CHARLENE P. BOGGAN

Upon my arrival to Sinai to take over prisoner watch I was advised that Charlene was not in handcuffs at that time due to the fact she was being cooperative and would be transferred to another room to undergo an evaluation by a SANE nurse. During the examination Charlene was cooperative with staff and myself. Charlene asked what she was in custody for and I explained her charges. Charlene then asked if after the exam she would be transported back to CJF and I advised her that she would be. Charlene then stated "It's gonna be a long night." Based on my observations it was clear that Charlene had full knowledge she was in police custody and was ultimately headed to jail.

Charlene complained of stomach and knee pain, and was observed walking with a limp due to the pain in her right leg. Sinai medically cleared her and I escorted Charlene outside the ER entrance to my squad. Due to Charlene stating she was in pain and the fact she appeared to struggle while walking, I decided not to place the handcuffs on her until she safely made it to the squad to prevent further injury. While helping Charlene climb the stairs she paused and stated she was in pain. Charlene then started to flee westbound away from me, in an attempt to escape. While running she did not have a limp any longer and was attempting to escape at full speed.

USE OF FORCE

As Charlene was fleeing through the parking lot, I gave clear loud commands to stop running numerous times. Charlene continued to run westbound up W. State St. I told Charlene she would be tased if she continued to flee. I deployed my ECD after Charlene refused to stop running however it did not make contact and was ineffective. Charlene continued to flee N/B on N. 14th St. and then W/B through the parking lot of the Auer Court apartments (1407-1435 W Highland Ave, Milwaukee WI 53233). During the foot pursuit I continued to give Charlene

commands to stop running however she refused.

Charlene finally stopped running when she observed a male and female inside their parked vehicle (truck) in the lot. Charlene attempted to get into the vehicle; however, the driver had locked his doors. Charlene attempted to gain entry through the passenger door first and then ran around to the drivers side. Charlene was shouting at the driver to let her in and that she would "pay them whatever they want" for a ride.

Charlene continued to shout at the driver of the parked vehicle stating, "I'll pay you \$200". Charlene was attempting to gain entry into the vehicle, I held her against the vehicle and attempted to place handcuffs on her. I felt Charlene resistive tension in her right arm and as I attempted to place the handcuffs on her hands. Charlene continued to pull away and refused orders to stop her behavior.

I continued to give commands to Charlene to get down on the ground. Charlene refused to obey my commands and continued to resist by forcefully pulling her hands away from me. At that point I told Charlene if she did not obey my commands I would be forced to deploy my pepper spray. Charlene attempted to strike me by forcefully swinging her elbows back towards my direction. Due to Charlene attempting to strike at me, I deployed my OC. The target area was her face. After OC deployment, Charlene continued to swing her elbows forcefully in my direction and struck the left side of my face with her left elbow, causing redness and pain.

During the struggle, Charlene attempted to grab at my handcuffs. Charlene was able to pull the handcuffs away from me. As a result I decided to create space as Charlene was continuing to resist. As I reached for my ECD, I realized it was not in my holster and had fallen on the ground in front of the vehicle during the foot pursuit. I created distance and drew my firearm for safety while attempting to retrieve my ECD. I continued to give commands to Charlene to get down on the ground, to which she did not comply. I was able to retrieve my ECD.

Charlene ran around the rear of the vehicle to the drivers side in an attempt to gain entry again. I holstered my firearm and administered a drive stun to her lower back in order to gain compliance. Charlene turned around and grabbed the end of my taser while stating "stop tasing me." I felt Charlene attempt to pull at the end of my taser in an attempt to disarm me. Charlene fell to the ground as I applied pressure to her forearm with my left forearm in order to break her grasp from my ECD. In this moment we were physically fighting over who was going to control the ECD. I did not relinquish control of my ECD even though it was very clear she was attempting to disarm me.

Charlene rose off the ground and fled to the front on the parked vehicle where I administered an additional drive stun with my ECD. Charlene once again

attempted to grab an my taser and the force of pulling it away caused me to fall backwards onto the ground. When I fell I obtained abrasions to my left thumb, right middle, ring and pinky fingers. I also obtained bruises to my left forearm as well as a bruise and laceration to my right knee due to the impact of the fall.

I once again drew my firearm from a distance due to her violent behavior and continued to give commands for Charlene to get down on the ground. Charlene then climbed onto the rear cabin of the parked truck, where I commanded her to get down on the ground. Charlene then got off the truck and continued to circle the vehicle. I followed her around the vehicle from a distance in order to make sure the driver and passenger of the parked vehicle remained safe as I waited for backup officers to arrive. Charlene once again climbed onto the rear cabin of the truck where she remained until other officers arrived.

Marquette PD was first to arrive on scene and assisted with getting her off the vehicle and detaining her until West Allis PD arrived.

It's important to note that during the foot pursuit my department issued baton fell off external vest carrier and was later located in the parking lot of the hospital.

LACK OF CONSENT

I did not give Charlene consent to attempt to escape custody, strike me in the face causing pain, or attempt to disarm me by grabbing at my ECD multiple times.

WAFD RESPONSE

WAFD responded on scene to assess my injuries as a precaution. I advised that I did not need any further medical attention. WAFD also assessed Charlene and determined that no further medical assistance was needed.

MEDICAL FOLLOW-UP

The day following the incident, 06/13/20, it should be noted that I had soreness with my right knee and mild pain with the abrasions on my hands.

CJF TRANSPORT

Additional West Allis squads arrived and subsequently took custody of Charlene. She was ultimately transported to the CJF complex and turned over to staff.

Sergeant Kleinfeldt:

RESPONSE

On 06/12/20 at 2340hrs I, Sergeant Kleinfeldt, with other WAPD officers responded to the area of Aurora Sinai hospital to assist Officer Gaenslen. Mutual aid was requested from Marquette University PD, Milwaukee PD, and the Milwaukee County Sheriff's Office. Other agencies arrived just prior to West Allis officers and helped to stabilize the situation.

OTHER AGENCY CASE NUMBERS

While on scene I learned the Marquette University PD report number is 20-010270. I later received their report which is attached to this case.

The Milwaukee Police Department CAD number was 201642509. MPD squad 3951 Officers Gainer/Whitfield responded. No report was generated on their end.

SURVEILLANCE VIDEO

On 06/13/20 I received the surveillance video disc from Officer Molthen. His supplement has the details on the retrieval and property owner of 1433 W Highland Ave. I took the four video files from the surveillance disc and attached them to this case. I noted the video files showed the majority of the foot pursuit and physical incident with Officer Gaenslen and the offender. After ensuring the video files are saved, I then gave the surveillance video disc to Officer Gaenslen for her review at the charging conference.

IDENTIFICATION OF DRIVER AND PASSENGERS

The driver, Adrian Williams (m/b, [REDACTED]), and the front passenger, David M. Baker (m/b, [REDACTED]), exited the vehicle and were cooperative. I moved Williams and Baker away from the vehicle, along with two children that were in the backseat. Cpl. Schultz reports...

CIVILIAN CONTACT

I obtained a civilian contact card from a Marquette PD Officer for [REDACTED]. That officer advised the female in the vehicle did not want to be involved and did not want to give her name. I approached and made contact with [REDACTED]. I did not attempt to obtain the female's information.

CIVILIAN VIDEO

I went back to make further contact with [REDACTED] about a possible video that was taken during the incident. He and the female had gone up into the apartment complex. I made phone contact with [REDACTED] who agreed to come back down and speak further with me about video that was taken.

[REDACTED] came down and immediately handed me his iPhone with video queued up in the photos drive. I was able to observe the video and also observed that there were no other videos near this one on the camera roll.

The video was brief, only 6-8 seconds long. It can be seen on my body cam at the 10:40 mark. I play it several times for my body cam to capture.

The video captured Officer Gaenslen holstering her taser and drawing her firearm. She can be seen giving commands and using her radio. She is obviously fatigued. Commentary in the video is the occupants of the vehicle stating the F/B party "just beat this officer's ass" several times in the short video.

I [REDACTED] where the F/B was during the video and he stated trying to get in his vehicle. He stated the female he was with took a minute to get the phone out and start recording. [REDACTED] stated again that the female was the one recording on this particular phone.

I confirmed with Sgt. Kleinfeldt that holding the phone up to my body cam was sufficient for recording purposes. The video can be clearly seen in my body
