PETITION TO THE COMMON COUNCIL AND
ENGINEERING DEPARTMENT OF
THE CITY OF WEST ALLIS

CITY OF WEST ALLIS
CLERK/TREASURER

We the undersigned feel that the need for a removal and reconstruction of the concrete alley pavement, storm sewer, storm sewer relay and storm underdrain are not necessary for North/South Alley between S. 85th St., S.86th St., W. Washington St. & W. Greenfield Ave. dead end alley. We propose these plans be canceled and a repair to alley be done instead.

This petition was organized by Michael Lempke and Alan Stout.
