3. That such improvements be assessed in accordance with the report of the City Engineer as finally approved, and the due date for payment of such assessments, without interest, is the 30th day following the billing date; and
4. That each property owner be given the opportunity of paying the assessment against his property by one of the following methods:
 - a. Payment of entire assessment, or any portion thereof, without interest at any time prior to due date as noted on the billing.
 - b. Payment of the entire assessment with the next tax roll including a 6.0% interest charge from due date to December 31, 2003. All assessments of \$100.00 or less will automatically fall under category a or b.

That property owners may submit duly executed waivers prior to or following the passage of the Final Resolution, approving assessments against their properties and waiving all statutory requirements and proceedings in public work of this nature and agreeing to pay all assessments levied against their properties by reason of the installation of the improvements stated therein, in the same manner and in the same effect as if said statutory requirements relating to said work had been complied with, and such waivers are hereby confirmed and adopted by the Common Council; and,
