

Dear Sir,

The purpose of this letter is to ask for your help in creating a fenced in, off leash, dog park where well behaved, canine citizens can exercise in a clean, safe, environment without endangering or annoying people, property or wildlife. This would allow dogs to socialize and exercise safely, it promotes responsible dog ownership, provides an outlet for dog owners to socialize, and makes for a better community by promoting public health and safety, and last but not least more people passing through our city to patronize our shops.

Sincerely,

Jackie Barkovich
