CITY OF WEST ALLIS
CITY CLERK

To the City of West Allis and Aldermans,

As of today August 22, 2017 5:30 PM , I am surrendering my rights to the liquor license until I can finish the bar. Once the bar is complete and all inspections have been approved, with your cooperation I will then reapply for my liquor license. Due to the stress of this project and the timelines that have not been met, it would be greatly appreciated if you grant me this withdraw.

Sincerely,

A handwritten signature in black ink, appearing to read "Ronald Mellantine". The signature is fluid and cursive, with a long horizontal stroke extending to the right.
