The alcohol will be stored in existing locations.

1. Location 1 - behind the existing bar inside the Station and back wall tap coolers.
2. Location 2 - Extra booze inventory is locked in the office. The door is located behind the [bar.no](#) public access.
- 3.. Location 3 - All cold inventory is locked in a walk in cooler on the west side of the building.

There will be no storage at the grill station, all purchases will be made inside for the most part. We will sell can beer, soda, and water at the grill station and it will be on the counter stored in the ice well and replenished as needed. No mixed drinks will be made at the grill station. All mixed drinks and tap beer must be purchased inside the Station.
