The Issuer has determined that making the Loan to the Obligor will promote and serve the intended purposes of, and in all respects will conform to the provisions and requirements of, the Act. In order to grant the Loan and thereby assist in the financing of the Project, the Issuer is issuing the Bonds. The Issuer, the Trustee and the Obligor understand and intend that the financing of the Project through issuance of the Bonds and the making of the Loan will be structured in the following general manner, as detailed in this Indenture and in the Agreement: The Issuer will issue the Bonds under the Act and use the principal amount thereof to make the Loan to the Obligor. The Loan shall be repaid by the Obligor in Loan Repayments sufficient to pay the principal of, premium, if any, and interest on the Bonds as the same become due. From the proceeds of the Loan, the Obligor will complete the Project. THE BONDS ARE NOT A CHARGE AGAINST THE ISSUER'S GENERAL CREDIT OR TAXING POWERS OR A PECUNIARY LIABILITY OF THE ISSUER UNDER THE ACT.**

As part of the Security for the Loan Repayments, so long as the Bonds bear interest as Variable Rate Bonds and at the Obligor's option thereafter, the Obligor will cause the Credit Facility to be delivered to the Trustee. The Trustee is instructed in this Indenture to draw under the Credit Facility up to the sum of (a) the principal amount of the Bonds (i) to enable the Trustee to pay the principal amount of the Bonds when due at maturity, by acceleration of maturity or otherwise or upon redemption or (ii) to enable the Trustee to pay the portion of the Purchase Price of Bonds delivered to the Trustee and not remarketed by the Remarketing Agent equal to the principal amount of such Bonds, plus (b) an amount equal to 45 days' (or if applicable pursuant to Section 2.08 of the Indenture 210 days) interest on the Bonds calculated at the Maximum Rate to enable the Trustee to pay interest on the Bonds plus (c) if required pursuant to Section 2.08 of this Indenture, and if the Credit Facility then covers premium, any premium on the Bonds.

The Issuer's participation in the financing of the Project is intended to enable the Obligor to utilize certain provisions of the Code. Section 103 of the Code encourages the

construction of certain types of facilities and the public financing thereof through issuance of revenue bonds by providing that the interest on such bonds, as contrasted with any bonds which might be issued by the Obligor itself, will be excluded from gross income for federal tax purposes. This tax exemption enables the purchasers of the Bonds to accept a lower rate of interest than they would otherwise require, and thereby further reduces the interest cost to the Obligor of financing the Project.

GRANTING CLAUSE AND HABENDUM

In consideration of the purchase of the Bonds and the issuance of the Credit Facility and the obligations of the Trustee under this Indenture and to provide for the payment of principal, premium, if any, and interest on the Bonds, the rights of the Bondholders, the payment of the Obligor's reimbursement obligations to the Reimbursement Agreement, the rights of the Bank, and the performance of the Issuer's obligations under the Bonds and this Indenture, the Issuer does hereby grant, convey, pledge and assign, as an absolute and present grant, conveyance, pledge and assignment, unto the Trustee, its successors in the trust and its assigns all of the right, title and interest of the Issuer in and to the Security specified in Section 3.01; provided that the Issuer's Reserved Rights are not assigned.

TO HAVE AND TO HOLD in trust for the equal and ratable benefit and security of all present and future Holders of the Bonds issued under this Indenture, without preference, priority or distinction as to lien or otherwise (except as herein expressly provided) of any one Bond over any other Bond upon the terms, and subject to the conditions, hereinafter set forth.

ARTICLE 1 THE BONDS

Section 1.01. Issuance of the Bonds, Interest, Redemption, Purchase and Transfer; Limited Obligation. The Bonds shall be issued by the Issuer in the Principal Amount for the purpose of making the Loan and thereby assisting in financing the Project. The Bonds shall be designated as provided in the definition of Bonds and shall be issuable as provided in Section 1.03 and the Bond Forms Appendix. The Bonds shall be dated as of the Effective Date and mature on the Maturity Date. The Bonds shall initially bear interest at the Weekly Rate, as provided in Section 1.10.A., unless and until converted to the Daily Rate on a Daily Rate Conversion Date in accordance with Section 1.11, or to the Fixed Rate on the Fixed Rate Conversion Date in accordance with Section 1.13.

The Bonds shall:

(a) Be payable as to interest (i) on each Daily Rate Interest Payment Date with respect to Bonds that are Daily Rate Bonds, (ii) on each Weekly Rate Interest Payment Date with respect to Bonds that are Weekly Rate Bonds and (iii) on each Fixed Rate Interest Payment Date with respect to Bonds that are Fixed Rate Bonds.

(b) Bear interest from the Effective Date or such later date to which interest has been paid. Interest accruing on Variable Rate Bonds shall be computed on the basis of a 365/366 day year and the number of days actually elapsed. Interest accruing on Fixed Rate Bonds from and after the Fixed Rate Conversion Date shall be computed on the basis of a 360- day year composed of twelve 30-day months.

(c) Mature on the Maturity Date, subject to the right of the Obligor on behalf of the Issuer to establish serial maturities or mandatory sinking fund redemption requirements as provided in this Indenture in connection with the conversion of the Bonds to Fixed Rate Bonds.

(d) Be payable as to principal and premium, if any, in lawful money of the United States of America at the designated corporate trust office of the Trustee, and be payable as to interest to the Holder thereof as of the applicable Record Date by check or draft payable in lawful money of the United States of America mailed to such Holder at the address appearing on the registration books of the Issuer kept by the Trustee or at such other address as is furnished to the Trustee in writing by such Holder; provided, that if a Holder owns Variable Rate Bonds in an aggregate principal amount of \$500,000 or more, such Holder may, by written request to the Trustee made at least 5 days prior to a Record Date, request that payment of interest be made by wire transfer to the domestic bank account designated in the request.

(e) During such period as such Bond or Additional Bond is a Variable Rate Bond, be secured by and payable from a Credit Facility.

The Bonds are subject to redemption as provided in Article 4 and in the Bond Forms Appendix, may be delivered to the Trustee for purchase and may be transferred or

exchanged as provided in Section 1.06 and in the forms of Bonds set forth in the Bond Forms Appendix.

THE BONDS ARE LIMITED OBLIGATIONS OF THE ISSUER. THE PRINCIPAL OF AND INTEREST ON THE BONDS ARE PAYABLE SOLELY OUT OF THE REVENUES DERIVED UNDER THE LOAN AGREEMENT AND THE SECURITY. THE BONDS ARE NOT AN INDEBTEDNESS OF THE ISSUER, WITHIN THE MEANING OF ANY STATE CONSTITUTIONAL PROVISION OR STATUTORY LIMITATION. THE BONDS ARE NOT A CHARGE AGAINST THE ISSUER'S GENERAL CREDIT OR TAXING POWERS OR A PECUNIARY LIABILITY OF THE ISSUER UNDER THE ACT.

Section 1.02. Application of Proceeds of Bonds. Immediately upon the receipt thereof, the proceeds of the sale of the Bonds shall be deposited with the Trustee and apportioned between the Bond Fund and the Project Fund in the following manner:

(a) There shall be deposited in the Bond Fund the amount representing accrued interest, if any, received upon initial sale and delivery of the Bonds; and

(b) There shall be deposited in the Project Fund the balance of the proceeds of initial sale and delivery of the Bonds.

Section 1.03. Form of the Bonds. The Bonds shall be issued in the form of fully-registered Bonds without coupons in Authorized Denominations and shall be numbered upwards in order of authentication.

The Bonds shall contain a recital that they are issued pursuant to the Act and may have printed thereon such legend or legends as may be required to comply with any law, rule or regulation or to conform to general usage or practice as determined to be advisable by the Issuer and the Trustee.

The forms of the Bonds shall be substantially in the forms set forth in the Bond Forms Appendix, with such appropriate changes, omissions and insertions as are permitted or required by this Indenture, including, if applicable, the omission of all references to the Credit Facility; provided, that until the Fixed Rate Conversion Date, the Bonds shall be issued in the form set forth in the Bond Forms Appendix as Form of Variable Rate Bond, and on or after the Fixed Rate Conversion Date the Bonds shall be issued in the form set forth in the Bond Forms Appendix as Form of Fixed Rate Bond and the title of the Bond may be revised to reflect the fixed rate of interest.

Section 1.04. Execution, Authentication and Delivery of the Bonds. The Bonds shall be executed on behalf of the Issuer by the manual or facsimile signature of a member or an authorized officer of the Issuer or any other officer authorized in the Resolution and may have impressed or printed thereon the official seal of the Issuer. Execution of Bonds by facsimile signature shall have the same force and effect as if each of such Bonds had been manually signed. In case any officer or member of the Issuer whose facsimile signature shall appear on the Bonds shall cease to be such officer or member before the delivery of such Bonds, such facsimile signature shall nevertheless be valid and sufficient for all purposes, as

if such officer or member had remained in office until such delivery. At the direction of the Issuer the Trustee shall authenticate and deliver the Bonds.

Unless and until the certificate of authentication thereon shall have been duly executed by the Trustee, no Bond shall be valid or obligatory for any purpose or entitled to any right or benefit under this Indenture. Execution of the certificate of authentication on a Bond by an authorized signatory of the Trustee shall be conclusive evidence that such Bond has been authenticated and delivered under this Indenture. It shall not be necessary that the same authorized signatory of the Trustee execute the certificate of authentication on each of the Bonds in order for the Bonds to be valid.

Section 1.05. Place and Manner of Payment. The principal and interest on the Bonds shall be payable as provided in the form of the Bonds set forth in the Bond Forms Appendix. Payment as aforesaid shall be made in lawful money of the United States of America.

Section 1.06. Transfer and Exchange; Retention and Cancellation of Bonds.

Any Bond may be transferred or exchanged by the registered owner thereof but only upon registration books of the Issuer kept by the Trustee, upon the surrender of such Bond, together with a written instrument of transfer or exchange satisfactory to the Trustee duly executed by the registered owner or the owner's attorney duly authorized in writing, and thereupon a Bond or Bonds of any denomination or denominations authorized by this Indenture in the same aggregate principal amount shall be issued to the transferee or owner in exchange therefor.

The registration and registration of transfer of any Bond is subject to a charge by the Trustee sufficient to cover any governmental tax or fee in connection therewith. Neither the Issuer nor the Trustee shall be required (i) to register, transfer or exchange Fixed Rate Bonds for a period of 15 days next preceding any selection of Bonds to be redeemed or thereafter until after the first publication or mailing of any notice of redemption, or (ii) to transfer or exchange any Bonds called for redemption.

The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of principal and, in the case of Fixed Rate Bonds, premium, if any, shall be made only to or to the order of the registered owner thereof or his duly authorized attorney, but such registration may be changed as hereinabove set forth, provided, however, that payment of or on account of interest shall be made only to or upon the order of the person in whose name any Bond shall be registered on the relevant Record Date, or his or her duly authorized attorney. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

The Trustee shall retain in its possession printed, executed Bonds which have not been authenticated which shall be used for the purpose of exchange from time to time.

All Bonds which have been redeemed shall be canceled by the Trustee and shall not be reissued. Matured Bonds delivered to the Trustee, or Bonds surrendered to the Trustee in

connection with any exchange or transfer or Bonds acquired for retirement by purchase shall also be canceled. The Trustee shall cremate or otherwise destroy canceled Bonds and deliver a certificate of cremation or other destruction to the Issuer and the Obligor. If the Obligor, the Trustee or the Trustee for its own account shall acquire any of the Bonds, such acquisition shall not operate as a redemption or satisfaction of the indebtedness represented by such Bonds unless and until the same are delivered to the Trustee for cancellation.

Section 1.07. Book-Entry System. The Issuer has entered into an agreement with The Depository Trust Company (“DTC”) for the purpose of establishing a “Book-Entry System” for the Bonds. Pursuant to such agreement, Bonds will be registered in the name of DTC, or its nominee, for the benefit of other parties (“DTC Participants”), and DTC shall agree to keep accurate records of the DTC Participants, and promptly to transfer funds received by it in payment for the Bonds to appropriate beneficiaries. The ownership interest of each actual purchaser of a Bond will be recorded in the records of the DTC Participant and each such purchaser will receive a written confirmation of the purchase providing details of the Bond acquired. Transfers of ownership will be accomplished by book entries made by DTC and, in turn, by the DTC Participant who will act on behalf of each such purchaser. Under such circumstances, purchasers will not receive certificates representing their ownership interest in the Bonds, except as otherwise specifically provided in this Indenture. The Issuer and the Trustee may treat the registered holder of each Bond as the owner thereof for all purposes, including payment of principal, interest and redemption premium thereof, the giving of notices, and receipt of consents and direction as specified herein. DTC shall be entitled to take all action with respect to such notices and consents regarding Bonds registered in its or its nominee’s name, and may take actions with respect to a portion of such Bonds so registered which are inconsistent with the actions taken with respect to other portions of the Bonds so registered. Neither the Issuer, the Obligor, the Bank nor the Trustee is or will be responsible for the actions of DTC or anyone else in connection with the operation of the Book-Entry System. In any case where delivery of a Bond to the Trustee is required under this Indenture, such delivery shall be deemed to have been made by appropriate notation of transfer or registration on the records of DTC so long as the Book-Entry System is in effect.

DTC may determine to discontinue providing its service with respect to the Bonds at any time by giving notice to the Issuer, the Obligor and the Trustee and discharging its responsibilities with respect thereto under applicable law. Under such circumstances, the Trustee shall transfer and exchange Bond certificates to the actual purchaser of each Bond (the “Beneficial Owner”). The Beneficial Owner, upon registration of certificates held in the Beneficial Owner’s name, will become the registered owner of the Bonds.

The Issuer may determine that continuation of the system of the book entry transfers through DTC is not in the best interests of the respective Beneficial Owners and that the Beneficial Owners shall be able to obtain Bond certificates. In such event, the Issuer or DTC Participants, upon the direction of the Issuer, shall notify the Beneficial Owners of the availability of Bond certificates and the Trustee shall transfer and exchange Bond certificates to such Beneficial Owners. Thereafter, upon presentation of the Bonds for transfer, the Trustee shall transfer the Bonds or portions thereof in accordance with Section 207 of this Indenture.

The costs and expense of printing, preparing and delivering Bond certificates upon the termination of the services of DTC shall be borne by the Obligor.

Section 1.08. Mutilated, Lost, Wrongfully Taken, Undelivered or Destroyed Bonds. If any Bond is mutilated, lost, wrongfully taken or destroyed, or any tendered Bond or Bond deemed to have been tendered is not delivered pursuant to the terms of this Indenture, in the absence of written notice to the Issuer and the Trustee that a lost, wrongfully taken or destroyed or undelivered Bond has been acquired by a bona fide purchaser, the Trustee shall authenticate and deliver a new Bond of like date, maturity and denomination and of the same series as the Bond mutilated, lost, wrongfully taken, destroyed or undelivered; provided, that (i) in the case of any mutilated Bond, the mutilated Bond first shall be surrendered to the Trustee, (ii) in the case of any lost, wrongfully taken or destroyed Bond, there first shall be furnished to the Issuer evidence of the loss, wrongful taking or destruction satisfactory to the Issuer, together with indemnity to the Issuer, the Trustee, and the Obligor satisfactory to each of them, and payment of any out of pocket costs of the Issuer, and (iii) in the case of any tendered Bond which is undelivered there shall be satisfactory loss indemnity furnished to the Issuer, and the Obligor by the nondelivering Holder.

If any lost, wrongfully taken, undelivered or destroyed Bond shall have matured, instead of issuing a new Bond, the Authorized Obligor Representative may direct the Trustee to pay that Bond without surrender thereof upon the furnishing of satisfactory evidence and indemnity as in the case of issuance of a new Bond. The Issuer, and the Trustee may charge the Holder of a mutilated, lost, wrongfully taken, undelivered or destroyed Bond their reasonable fees and expenses in connection with their actions pursuant to this Section.

Every new Bond issued pursuant to this Section by reason of any Bond being lost, wrongfully taken, undelivered or destroyed (i) shall constitute, to the extent of the outstanding principal amount of the Bond lost, taken or destroyed, a contractual obligation of the Issuer, regardless of whether the lost, wrongfully taken or destroyed Bond shall be enforceable at any time by anyone and (ii) shall be entitled to all of the benefits of this Indenture equally and proportionately with any and all other Bonds issued and outstanding hereunder.

All Bonds shall be held and owned on the express condition that the foregoing provisions of this Section are exclusive with respect to the replacement or payment of mutilated, lost, wrongfully taken, undelivered or destroyed Bonds and, to the extent permitted by law, shall preclude any and all other rights and remedies with respect to the replacement or payment of negotiable instruments or other investment securities without their surrender, notwithstanding any law or statute to the contrary now existing or enacted hereafter.

Section 1.09. Initial Mode. The Bonds shall bear interest as Variable Rate Bonds or Fixed Rate Bonds as provided in this Article I. Upon the initial execution and delivery of the Bonds, the Bonds shall be Weekly Rate Bonds.

Section 1.10.A. Weekly Rate Bonds.

(a) The Bonds shall bear interest at the Weekly Rate from the Effective Date or a subsequent Weekly Rate Conversion Date to and including the earlier of the day preceding their redemption, the succeeding Conversion Date or the Maturity Date. The initial Weekly Rate for the Bonds effective on the Effective Date and on any Weekly Rate Conversion Date shall be established by the Remarketing Agent prior to the Effective Date or Weekly Rate Conversion Date, as the case may be, in the same manner as the Remarketing Agent is required to establish the Weekly Rate for each subsequent Interest Period in accordance with Section 1.10.A(b).

(b) On each Interest Determination Date with respect to any Weekly Rate Bonds, the Remarketing Agent shall determine the interest rate to be borne on the Weekly Rate Bonds, which rate shall be that rate of interest which is the minimum rate of interest per annum which, in the opinion of the Remarketing Agent, would be necessary to remarket the Bonds in a secondary market transaction on the next succeeding Weekly Rate Adjustment Date at a price equal to the par amount of the principal amount thereof plus accrued interest thereon, if any; provided, that the Weekly Rate so determined shall not exceed the Maximum Rate. The Remarketing Agent shall keep a written record of its method of determination of the interest rate to be borne on the Weekly Rate Bonds on each Interest Determination Date. The interest rate determined for Weekly Rate Bonds on any Interest Determination Date shall be effective from and including the immediately succeeding Weekly Rate Adjustment Date to but excluding the next succeeding Weekly Rate Adjustment Date.

(c) On each Interest Determination Date with respect to any Weekly Rate Bonds, the Remarketing Agent shall give Immediate Notice of the Weekly Rate so determined, to the Obligor, the Trustee and the Bank.

(d) If, by 5:00 p.m. Eastern prevailing time, on any Interest Determination Date with respect to any Weekly Rate Bonds, the Remarketing Agent has failed to determine the Weekly Rate, such Weekly Rate Bonds shall continue to bear interest at the Weekly Rate in effect for the immediately preceding Interest Period.

(e) If the Remarketing Agent notifies the Trustee in writing that for any reason the interest rate on the Variable Rate Bonds cannot be established, or the Trustee is notified in writing by either the Remarketing Agent or the Obligor that the interest rate on the Variable Rate Bonds has been held to be invalid or unenforceable by a court of competent jurisdiction for any period, the interest rate for such period shall be the SIFMA Municipal Index plus 50 basis points (.50%) as of the Interest Determination Date; provided however, such interest rate shall not exceed the Maximum Rate.

(f) Weekly Rate Bonds that are Pledged Bonds shall bear interest as provided in the Reimbursement Agreement or the Pledge Agreement, but not in excess of the maximum rate permitted by law.

Section 1.10.B. Daily Rate Bonds.

(a) The Bonds shall bear interest at the Daily Rate from a Daily Rate Conversion Date to and including the earlier of the day preceding their redemption, the succeeding Conversion Date or the Maturity Date. The initial Daily Rate for the Bonds effective on any Daily Rate Conversion Date shall be established by the Remarketing Agent prior to the Daily Rate Conversion Date in the same manner as the Remarketing Agent is required to establish the Daily Rate for each subsequent Interest Period in accordance with Section 1.10.B(b).

(b) By 9:30 a.m., Eastern prevailing time, on each Interest Determination Date with respect to any Daily Rate Bonds, the Remarketing Agent shall determine the interest rate to be borne on the Daily Rate Bonds, which rate shall be that rate of interest which is the minimum rate of interest per annum which, in the opinion of the Remarketing Agent, would be necessary to remarket the Bonds in a secondary market transaction on such Interest Determination Date at a price equal to the par amount of the principal amount thereof plus accrued interest thereon, if any; provided, that the Daily Rate so determined shall not exceed the Maximum Rate. The Remarketing Agent shall keep a written record of its method of determination of the interest rate to be borne on the Daily Rate Bonds on each Interest Determination Date. The interest rate determined for Daily Rate Bonds on any Interest Determination Date shall be effective from and including such Interest Determination Date to but excluding the next succeeding Interest Determination Date.

(c) By 9:45 a.m., Eastern prevailing time, on each Interest Determination Date with respect to any Daily Rate Bonds, the Remarketing Agent shall give Immediate Notice of the Daily Rate so determined to the Obligor, the Trustee and the Bank.

(d) If, by 9:45 a.m. Eastern prevailing time, on any Interest Determination Date with respect to any Daily Rate Bonds, the Remarketing Agent has failed to determine and give notice of the Daily Rate as provided in Sections 1.10.B(b) and (c) above, such Daily Rate Bonds shall continue to bear interest at the Daily Rate in effect for the immediately preceding Interest Period.

(e) If the Remarketing Agent notifies the Trustee in writing that for any reason the interest rate on the Variable Rate Bonds cannot be established, or the Trustee is notified in writing by either the Remarketing Agent or the Obligor that the interest rate on the Variable Rate Bonds has been held to be invalid or unenforceable by a court of competent jurisdiction for any period, the interest rate for such period shall be the SIFMA Municipal Index plus 50 basis points (.50%) as of the Interest Determination Date; provided however, such interest rate shall not exceed the Maximum Rate.

(f) Daily Rate Bonds that are Pledged Bonds shall bear interest as provided in the Reimbursement Agreement or the Pledge Agreement, but not in excess of the maximum rate permitted by law.

Section 1.11. Conversion of Bonds Among Weekly Rate and Daily Rate. Prior to the Fixed Rate Conversion Date, the Obligor, on behalf of the Issuer and with the prior written approval of the Bank (which approval shall be governed by the Reimbursement Agreement), may elect to convert all (but not less than all) of the Bonds from the Weekly

Rate to the Daily Rate, or from the Daily Rate to the Weekly Rate, in accordance with the provisions set forth in this Section 1.11.

(a) To initiate a conversion from the Weekly Rate to the Daily Rate, the Obligor shall deliver to the Issuer, the Trustee, the Remarketing Agent and the Bank, at least 25 days prior to the Daily Rate Conversion Date, a certificate signed by an Authorized Obligor Representative which specifies: (i) that the Bonds are to be converted to the Daily Rate; and (ii) the Daily Rate Conversion Date (which shall be a Weekly Rate Interest Payment Date). Such Bonds shall be subject to mandatory tender for purchase on the Daily Rate Conversion Date pursuant to Section 2.02 hereof.

(b) To initiate a conversion from the Daily Rate to the Weekly Rate, the Obligor shall deliver to the Issuer, the Trustee, the Remarketing Agent and the Bank, at least 25 days prior to the Weekly Rate Conversion Date, a certificate signed by an Authorized Obligor Representative which specifies: (i) that the Bonds are to be converted to the Weekly Rate; and (ii) the Weekly Rate Conversion Date (which shall be a Daily Rate Interest Payment Date). Such Bonds shall be subject to mandatory tender for purchase on the Weekly Rate Conversion Date pursuant to Section 2.02 hereof.

(c) Not later than 20 days prior to the Daily Rate Conversion Date or Weekly Rate Conversion Date, as the case may be, the Trustee shall give written notice by registered or certified mail, return receipt requested, to all Holders of the Bonds being converted stating: (i) the Daily Rate Conversion Date or Weekly Rate Conversion Date, as applicable; (ii) that on the Daily Rate Conversion Date or Weekly Rate Conversion Date, as applicable, the Bonds are subject to mandatory tender for purchase; (iii) that all Holders of such Bonds shall be deemed to have tendered such Bonds for purchase on the Daily Rate Conversion Date or Weekly Rate Conversion Date, as applicable, and such Bonds shall be deemed tendered if not delivered to the Trustee; and (iv) that if for any reason the conversion to the Daily Rate or Weekly Rate does not occur, the Bonds will continue to be subject to mandatory tender for purchase on the proposed Daily Rate Conversion Date or Weekly Rate Conversion Date, as the case may be.

(d) In the event any condition precedent to a conversion of any Bond to the Daily Rate or the Weekly Rate is not fulfilled (including the establishment of a Daily Rate or Weekly Rate by the Remarketing Agent for the initial Interest Period of any Daily Rate Bond or Weekly Rate Bond), the Bonds shall continue to be subject to mandatory tender for purchase, shall not be converted, and shall continue to bear interest at the Weekly Rate or Daily Rate established for such Bonds immediately prior to the proposed Conversion Date (until a new interest rate is established in accordance with the provisions of Section 1.10.A or Section 1.10.B hereof, as the case may be).

Section 1.12. Opinion and Undertaking Requirements. The Bonds shall not be converted to Fixed Rate Bonds unless on the Fixed Rate Conversion Date the Obligor delivers to the Issuer and the Trustee (i) an opinion of Bond Counsel to the effect that the proposed conversion will not, in and of itself, cause the interest on the Bonds to be includable in gross income of the holders thereof for federal income tax purposes; provided that Bond Counsel may assume that the interest on the Bonds was not includable in gross

income for federal income tax purposes to the extent aforesaid immediately prior to the conversion, (ii) an opinion of Bond Counsel that the requirements of Section 2.08 of this Indenture have been met, and (iii) a written undertaking by the Obligor, satisfactory in form and substance to the Remarketing Agent and the Issuer, whereby the Obligor agrees to comply with the continuing disclosure requirements of subsection (b)(5) of Rule 15c2-12 (“Rule 15c2-12”) promulgated by the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934, as amended, as then applicable, provided, however, that the Obligor shall not be required to make such a written undertaking if the Obligor provides the Remarketing Agent, the Issuer and the Trustee a written opinion of Counsel that an exemption from compliance with Rule 15c2-12 is available.

Section 1.13. Additional Bonds. At the request of the Obligor, but subject to the written approval of the Bank, and, to the extent required by the Act, the Issuer may issue Additional Bonds from time to time for any purpose permitted by the Act including the issuance of any funding or refunding bonds. The Issuer reserves the right pursuant to a supplemental indenture approved as provided in Section 10.01 hereof at the request of the Obligor to issue Additional Bonds without limit in one or more series for the purposes set forth in, and subject to Section 1.4 of the Agreement; provided, however, that no Additional Bonds shall be issued without the prior written consent of the Bank. All Bonds issued under the Indenture shall be of the same priority and shall be equally and ratably payable from and secured by the Security, but the Additional Bonds may bear such dates and interest rates, have maturity dates and redemption dates and prices, and be issued at such prices as shall be approved in writing by the Issuer and the Obligor; provided however, the Credit Facility for one series of Bonds may be limited specifically to that series and not as security for other series of Bonds. The Trustee shall, at the request of the Issuer, authenticate and deliver the Additional Bonds as specified in the request, but only upon receipt of:

- (i) An indenture supplemental hereto:
 - (a) establishing the series to be issued and providing the terms of the Bonds thereof;
 - (b) authorizing the execution and delivery of the Bonds to be issued;
 - (c) stating the purpose of the issue;
 - (d) if the purpose is funding or refunding, authorizing the payment and redemption of the Bonds to be funded or refunded; and
 - (e) setting forth any other matters relating to the issuance of the Additional Bonds or the purpose for which they are to be issued;
- (ii) A certificate of the Obligor:
 - (a) stating that no Event of Default under the Agreement has occurred and is continuing; and

(b) if the purpose is funding or refunding, stating (i) that notice of redemption of the Bonds to be funded or refunded has been duly given or that provision has been made therefor and (ii) that the proceeds of the issue plus any other amounts stated to be available for the purpose will be sufficient to pay the principal or redemption price of such Bonds at maturity or on the first redemption date plus interest accrued to such date or dates together with all other costs and expenses relating to the refunding;

(iii) An executed counterpart of any amendment or supplement to the Agreement not previously delivered;

(iv) The proceeds of the sale of the Additional Bonds;

(v) An opinion of Bond Counsel to the effect that:

(a) the purpose of the Additional Bonds is one for which bonds may be issued under this Section and the Act.

(b) all conditions prescribed herein as precedent to the issuance have been fulfilled;

(c) the Additional Bonds have been validly authorized and executed and, when authenticated and delivered pursuant to the request of the Issuer, will be valid obligations of the Issuer entitled to the benefit of the trust created hereby;

(d) the issuance of such Additional Bonds will not adversely affect the tax-exempt status, under the Code as enacted and construed on the date of the opinion, of interest on the Bonds then outstanding, except as to any such Bond held by a substantial user of the Project or by a related person within the meaning of the Code;

(vi) An opinion of counsel for the Obligor that the Agreement, including any amendment thereto, has been duly authorized, executed and delivered and is a valid and binding obligation of the Obligor except to the extent limited by bankruptcy, insolvency, fraudulent conveyance or other laws affecting creditors' rights generally, now existing or hereafter enacted, and by the application of general principles of equity, including those relating to equitable subordination;

(vii) Confirmation from any Rating Agency then rating the Bonds that its rating will not be reduced or withdrawn as a result of the issuance of such Additional Bonds; and (viii) such Additional Bonds.

Upon the adoption, execution and delivery in each instance of appropriate supplements to the Indenture and to the Agreement, the Issuer shall execute and deliver to the Trustee, and the Trustee, upon the written order of the Issuer, shall authenticate and deliver to the purchaser or purchasers as directed by the Issuer, such Additional Bonds.

Section 1.14. Conversion of Bonds to Fixed Rate Bonds.

(a) The Obligor, on behalf of the Issuer, with the prior written approval of the Bank (which approval may be granted or withheld in the Bank's sole discretion), and subject to the provisions of Section 2.08 hereof, may elect to convert all (but not less than all) of the Bonds to the Fixed Rate on any Daily Rate Interest Payment Date or Weekly Rate Interest Payment Date. To initiate such conversion, the Obligor shall deliver to the Issuer, the Trustee, the Remarketing Agent and the Bank at least 45 days prior to the Fixed Rate Conversion Date (i) an opinion of Bond Counsel to the effect that the proposed conversion will not, in and of itself, cause the interest on the Bonds to be includable in gross income of the holders thereof for federal income tax purposes, provided that Bond Counsel may assume that the interest on the Bonds was not includable in gross income for federal income tax purposes to the extent aforesaid immediately prior to the conversion, and (ii) a certificate signed by the Authorized Obligor Representative stating (1) that the Bonds shall be converted to Fixed Rate Bonds, (2) the Fixed Rate Conversion Date, (3) whether the existing Credit Facility or a Substitute Credit Facility shall be in full force and effect, or whether no Credit Facility will be provided, on and after the Fixed Rate Conversion Date and (4) whether in connection with the conversion the Bonds or portions thereof are to mature serially or be subject to mandatory sinking fund redemption subsequent to the Fixed Rate Conversion Date and, if so, specifying the serial maturity or mandatory sinking fund redemption amounts and dates. Following the Fixed Rate Conversion Date, the Bonds shall mature on the Fixed Rate Principal Payment Date in each year in serial maturities or be subject to mandatory sinking fund redemptions beginning on the first Fixed Rate Principal Payment Date occurring more than six months after the Fixed Rate Conversion Date and ending on the Fixed Rate Principal Payment Date occurring immediately prior to the expiration of the Credit Facility then securing the Bonds, or ending on the final maturity date if no Credit Facility is provided following the conversion, in amounts rounded to the nearest minimum Authorized Denomination, so that the annual debt service on the Bonds is approximately equal. The annual serial maturities or mandatory sinking fund redemptions shall be established in amounts as set forth by the Remarketing Agent in a certificate delivered to the Trustee and the Issuer as conforming to the foregoing requirements. In the alternative, Fixed Rate Bonds shall mature in such amounts as shall be approved by the Issuer in a supplemental indenture delivered prior to the Fixed Rate Conversion Date. In addition, the Trustee shall give written notice of the conversion to any Rating Agencies then rating the Bonds.

(b) Not later than 30 days prior to the Fixed Rate Conversion Date, the Trustee shall give written notice by registered or certified mail, return receipt requested, to all Holders of Bonds being converted stating (1) that on the Fixed Rate Conversion Date the Bonds will convert to Fixed Rate Bonds and the rating on the Bonds, if any, upon conversion to a Fixed Rate, (2) that on the Fixed Rate Conversion Date the Bonds will be subject to mandatory tender and purchase pursuant to Section 2.02 hereof, (3) that all Holders of such Bonds shall be deemed to have tendered such Bonds for purchase on the Fixed Rate Conversion Date and such Bonds shall be deemed tendered if not delivered to the Trustee, (4) if the proposed Fixed Rate Conversion Date is also a Substitution Date, the identity of the issuer of the Substitute Credit Facility, and (5) that if for any reason the conversion to a Fixed Rate does not occur, the Bonds will be subject to mandatory tender, be subject to purchase on the proposed Fixed Rate Conversion Date and will remain Weekly Rate Bonds or Daily Rate Bonds, as applicable.

(c) If the Trustee receives written notification from the Obligor no later than 12:00 P.M. Eastern prevailing time, on the eighth day immediately preceding the Fixed Rate Conversion Date of the Obligor's decision not to elect the conversion of the interest rate on the Bonds to the Fixed Rate on the Fixed Rate Conversion Date, the interest rate on the Bonds shall not be converted to the Fixed Rate on the Fixed Rate Conversion Date and the Bonds shall continue to bear interest at the Weekly Rate or the Daily Rate, as applicable. In such event, all Bonds shall be purchased on the proposed Fixed Rate Conversion Date in accordance with the provisions of Section 2.02 hereof. Further, the Issuer, the Obligor and the Trustee shall be restored to their former positions and rights hereunder with respect to the Bonds, and all rights of the Issuer, the Trustee and the Obligor hereunder shall continue as if no such proceedings for the conversion of the interest rate on the Bonds had been taken. The Trustee shall promptly notify the Issuer by mail (and shall immediately notify the Bank and the Remarketing Agent by telephone) in the event that the interest rate on the Bonds is not converted on the Fixed Rate Conversion Date as provided herein.

(d) Not earlier than 30 days nor later than the Business Day prior to the Fixed Rate Conversion Date, the Remarketing Agent shall establish the Fixed Rate or Fixed Rates to be applicable to the Bonds from and after the Fixed Rate Conversion Date, which shall be the lower of (1) the Maximum Rate and (2) that rate of interest that is the minimum rate or rates necessary in the judgment of the Remarketing Agent, under the then current market conditions, to remarket the Bonds on the Fixed Rate Conversion Date at a price equal to the par amount of the principal amount thereof plus accrued interest thereon, if any. If the Remarketing Agent fails to determine the Fixed Rate or Fixed Rates for such Bonds, or a court of competent jurisdiction holds that the interest rate or rates so determined are invalid or unenforceable, the Bonds shall be subject to mandatory tender, shall be purchased on the proposed Fixed Rate Conversion Date and such Bonds shall remain Weekly Rate Bonds or Daily Rate Bonds, as the case may be, and shall bear interest at the rate determined pursuant to Section 1.10.A or 1.10.B hereof, as applicable.

Section 1.15. Binding Nature of Determinations. The determination by the Remarketing Agent of the interest rates in accordance with the provisions hereof is hereby approved by the Issuer and each such determination shall be conclusive and binding upon the Holders of the Bonds, the Issuer, the Obligor, the Trustee and the Bank.

Section 1.16. Non-presentment of Bonds. If any Bond shall not be presented for payment when the principal or Purchase Price thereof becomes due, either at maturity, on the Conversion Date, a proposed Conversion Date, a Substitution Date or Purchase Date at the date fixed for redemption thereof, or otherwise, and if moneys sufficient to pay the principal of and interest on such Bond or Purchase Price thereof to the Conversion Date, proposed Conversion Date, Substitution Date or Purchase Date or redemption or maturity date, as the case may be, shall then be on deposit in the Bond Fund, all liability of the Issuer to the Holder thereof for the payment of such Bond shall forthwith cease, terminate and be completely discharged, and thereupon it shall be the duty of the Trustee to hold such moneys, without liability for interest thereon, for the benefit of the Holder of such Bond, who shall thereafter be restricted exclusively to such moneys for any claim of whatever nature on his part under this Indenture or with respect to such Bond or portion thereof.

Section 1.17. Undelivered Bonds. Any Bonds which are required to be tendered for purchase on the Conversion Date, a proposed Conversion Date, a Substitution Date or a Purchase Date to the Trustee that are not delivered on the Conversion Date, proposed Conversion Date, Substitution Date or Purchase Date for the payment of which there has been irrevocably deposited in trust with the Trustee an amount of money sufficient to pay the Purchase Price thereof shall be deemed to have been purchased pursuant to this Section and shall be Undelivered Bonds. In the event of a failure by a Bondholder to tender its Bonds on or prior to the required date, said Holder of such Undelivered Bonds shall not be entitled to any payment other than the Purchase Price of the Undelivered Bonds and Undelivered Bonds in the hands of such non-delivering Holder shall no longer accrue interest or be entitled to the benefits of this Indenture, except for the payment of the Purchase Price; provided, however, that the indebtedness represented by such Bonds shall not be extinguished, and the Trustee shall transfer, authenticate and deliver such Bonds as provided below.

With respect to any Undelivered Bond, the Trustee acting hereunder and pursuant to the power of attorney granted by such Bondholder in the Bond, shall do the following:

- (i) Assign such Bond to the purchaser or purchasers thereof;
- (ii) Authenticate and deliver a new Bond or Bonds, as appropriate, to the purchaser or purchasers thereof;
- (iii) Execute an acknowledgement that the Holder of an Undelivered Bond holds such Undelivered Bond for the benefit of the new purchaser or purchasers thereof, who shall be identified in such acknowledgement;
- (iv) Promptly notify by first class mail the Holder of such Undelivered Bond that:
 - (a) The Trustee has acted pursuant to such power of attorney to transfer the Undelivered Bond and to perform the other acts set forth in this Section;
 - (b) The Undelivered Bond is no longer Outstanding;
 - (c) Funds equal to the applicable Purchase Price for such Bond are being held on behalf of such Holder, without interest, in the fund established for such purpose by the Trustee;
- (v) Enter on the register that the Undelivered Bond is no longer Outstanding; and
- (vi) Hold an amount equal to the Purchase Price for such Bond without interest, and pay such amount to such holder upon presentation of the certificate representing the Undelivered Bond.

(b) Such Variable Rate Bonds shall be purchased at the Purchase Price from the Holder thereof upon:

(i) (a) in the case of Weekly Rate Bonds, delivery by the Holder not later than 11:00 a.m., Eastern prevailing time, on a Business Day that is at least 7 calendar days prior to the Purchase Date to the Remarketing Agent at its principal office and the Trustee of irrevocable notice by facsimile (promptly confirmed in writing) which (i) states the aggregate principal amount (in Authorized Denominations) of such Weekly Rate Bonds to be purchased; (ii) states the Purchase Date; and (iii) appoints the Trustee as its duly authorized attorney-in-fact for purposes of transfer if the Bonds are not presented in a timely fashion; and

(b) in the case of Daily Rate Bonds, delivery by the Holder not later than 10:00 a.m., Eastern prevailing time, on a Business Day, to the Remarketing Agent at its principal office and the Trustee, of irrevocable notice by facsimile (promptly confirmed in writing, which written notice shall be addressed to the Trustee and the Remarketing Agent) which (1) states the aggregate principal amount (in Authorized Denominations) of such Daily Rate Bonds to be purchased, (2) states the Purchase Date (which Purchase Date may be the date of the delivery of such notice to the Trustee and the Remarketing Agent), and (3) appoints the Trustee as its duly authorized attorney-in-fact for purposes of transfer if the Bonds are not presented in a timely fashion; and

(ii) delivery to the Trustee, not later than the Purchase Date designated in the notice described in (b)(i)(A) or (b)(i)(B) above, of such Bonds to be purchased with an appropriate endorsement for transfer or accompanied by a blank power of attorney duly executed. In the event such Bonds are not presented for purchase they are deemed tendered and the registered owner thereof shall only be entitled to the Purchase Price of the Undelivered Bond upon surrender thereof to the Trustee.

Section 2.02. Mandatory Tender and Purchase of Bonds; Waiver.

(a) All Variable Rate Bonds must be tendered by the Holders thereof to the Trustee for purchase (i) on the Conversion Date or on a proposed Conversion Date or (ii) on a Substitution Date unless a Holder elects to retain its Bonds as provided in paragraph (c) of this Section 2.02.

(b) Except as provided in paragraph (c) of this Section 2.02, any Variable Rate Bonds tendered or required to be tendered for purchase pursuant to this Section 2.02

shall be delivered to the Trustee on or before the Conversion Date, proposed Conversion Date or Substitution Date, as applicable, and any Variable Rate Bonds required to be tendered for purchase that are not delivered for which there has been irrevocably deposited in trust with the Trustee an amount of money sufficient to pay the Purchase Price thereof shall be deemed to have been purchased pursuant to this Article 2 and shall be Undelivered Bonds. In the event of a failure by a Holder to tender Variable Rate Bonds on or prior to the required date, such Holder shall not be entitled to any payment (including any interest to accrue subsequent to the required purchase date) other than the Purchase Price for such Undelivered Bonds and any Undelivered Bonds shall no longer be entitled to the benefits of this Indenture, except for the payment of the Purchase Price therefor from such moneys. Any moneys held by the Trustee for the purchase of any Undelivered Bonds shall be separated and held uninvested in the Purchase Fund for the exclusive benefit of the Holders of such Undelivered Bonds.

(c) Each Holder of Variable Rate Bonds may elect to waive the mandatory tender and purchase of its Variable Rate Bonds on a Substitution Date which is not also a Conversion Date or proposed Conversion Date by delivering notice to the Trustee of such election not later than 11:00 a.m., Eastern prevailing time, on the eighth Business Day prior to the Substitution Date. Such notice must state that (i) such Holder acknowledges that the Credit Facility is being replaced with a Substitute Credit Facility, (ii) such Holder acknowledges that its Variable Rate Bonds will remain subject to optional and mandatory tender following the substitution on the same terms prior to the substitution, (iii) such Holder acknowledges that any rating on the Bonds may be reduced or withdrawn as a result of the substitution, and (iv) such Holder affirmatively elects to retain its Variable Rate Bonds; provided, that, if the Substitution Date is also a proposed Conversion Date or Conversion Date, the foregoing provisions of this paragraph (c) shall not apply and no Holder may elect to waive the mandatory tender and purchase of its Variable Rate Bonds.

Section 2.03. Remarketing of Bonds.

(a) Upon the delivery of notice by any Holder in accordance with Section 2.01 hereof, or upon the Bonds becoming subject to mandatory repurchase in accordance with Section 2.02 hereof, the Remarketing Agent shall offer for sale and use its best efforts to sell such Bonds, any such sale to be made for settlement on the date on which such Bonds are to be purchased as provided in this Article 2 or as soon as practicable thereafter, at 100% of the principal amount of such Bond plus any accrued interest thereon to the purchase date; provided that the Remarketing Agent shall not be required to remarket any Bonds after the occurrence of an Event of Default hereunder.

(b) Promptly, but in no event later than (i) the Business Day following the day on which the Remarketing Agent receives a demand from any Holder of Weekly Rate Bonds to have such Weekly Rate Bonds purchased pursuant to Section 2.01 hereof, or (ii) 10:15 a.m. Eastern prevailing time, on each Purchase Date for which the Remarketing Agent receives a demand from any Holder of Daily Rate Bonds to have such Daily Rate Bonds purchased pursuant to Section 2.01 hereof, the Remarketing Agent shall give Immediate Notice to the Trustee, the Obligor and the Bank specifying the principal amount of Bonds which such Holder has demanded to have purchased and shall promptly deliver a copy of

such written notice from the Holder to each of such parties. On each date on which Bonds are delivered pursuant to Section 2.01 hereof, the Remarketing Agent shall give Immediate Notice to the Trustee, the Obligor and the Bank specifying the principal amount of Bonds so delivered.

(c) Any Bond purchased pursuant to this Article 2 after the date any notice of conversion or delivery of a Substitute Credit Facility is given by the Trustee as provided in Section 1.13 or 2.10(b) hereof, respectively, through the proposed Conversion Date, Conversion Date or Substitution Date, as applicable, shall only be remarketed by the Remarketing Agent to a buyer to whom the Remarketing Agent has delivered, at the time of such remarketing, a copy of the notice of conversion or delivery of a Substitute Credit Facility.

(d) The Remarketing Agent shall notify the Trustee and the Bank by 10:30 a.m., Eastern prevailing time, on each date on which the Bonds are to be purchased pursuant to Section 2.01 or 2.02 hereof, by telephone (promptly confirmed in writing) (i) of the aggregate principal amount of Bonds to have been remarketed on such date that have not been successfully remarketed by the Remarketing Agent and (ii) the registered owner, registration instructions, principal amount and current interest rate, of each Bond successfully remarketed by the Remarketing Agent.

(e) The notice to be given the Bank pursuant to subparagraph (d) of this Section 2.03 is for convenience only and shall not be a condition precedent to any drawing under the Credit Facility. In connection with the delivery of a Substitute Credit Facility, such notice shall be given by the Trustee to the issuer of the Substitute Credit Facility.

(f) The Remarketing Agent shall not remarket Bonds to the Issuer or the Obligor or to any insider or affiliate of either of them (within the meaning of the United States Bankruptcy Code) nor shall the Issuer or the Obligor purchase Bonds from the Remarketing Agent other than with the proceeds of a draw on the Credit Facility.

Section 2.04. Funds for Purchase of Bonds Tendered. On the date Bonds are to be purchased pursuant to Section 2.01 or 2.02 hereof, such Bonds shall be purchased at the Purchase Price only from the funds listed below. Funds for the payment of the Purchase Price shall be derived from the following sources in the order of priority indicated:

(a) the proceeds of the sale of such Bonds which have been remarketed by the Remarketing Agent, which the Remarketing Agent shall use its best efforts under the Remarketing Agreement to deliver to the Trustee by 10:45 a.m., Eastern prevailing time, on the proposed Conversion Date, Conversion Date, Substitution Date or Purchase Date;

(b) Available Moneys representing the proceeds of a drawing on the Credit Facility; and

(c) any other moneys furnished to the Trustee or the Remarketing Agent and available for such purpose.

Section 2.05. Delivery of Purchased Bonds; Cancellation.

(a) Any Bonds purchased with moneys described in Section 2.04(a) hereof shall be delivered to, or upon the order of, the purchasers thereof.

(b) Any Bonds purchased with moneys described in Section 2.04(b) hereof shall, unless otherwise specified by the Bank, be delivered to the Trustee and registered in the name of the Obligor and pledged to the Bank pursuant to the Pledge Agreement. The Trustee shall hold such Bonds as agent for the Bank in its sole custody and control for the account of the Bank as pledgee of the Obligor. The Trustee shall not release such Bonds unless the Trustee receives written notice that the amount available to be drawn under the Credit Facility will be reinstated prior to or concurrently with such release by an amount at least equal to the principal amount of Bonds so released plus interest at the Maximum Rate for a period of 45 days (or if applicable pursuant to Section 2.08 hereof, 210 days) on the Bonds so released; provided, however, in the event a Bond is not remarketed within 30 days from the Purchase Date, Substitution Date, proposed Conversion Date or Conversion Date, as the case may be, it shall be cancelled by the Trustee if directed by the Bank in writing in accordance with the Pledge Agreement.

(c) Any Bonds purchased with moneys described in Section 2.04(c) hereof shall, at the direction of the Obligor, be (i) delivered as instructed by the Obligor, (ii) delivered to the Trustee for cancellation or (iii) delivered to the Obligor, provided, however, that any Bonds so purchased after the selection thereof by the Trustee for redemption shall be delivered to the Trustee for cancellation.

(d) Except as provided in Section 2.05(b), Bonds delivered as provided in this Section 2.05 shall be registered in the manner directed by the recipient thereof.

Section 2.06. Delivery of Proceeds of Sale of Bonds. In the event the Remarketing Agent shall have remarketed any Bonds registered in the name of the Obligor and held under the terms of the Pledge Agreement pursuant to Section 2.05(b) hereof, the proceeds of sale of such Bonds shall be delivered to the Bank.

Section 2.07. Actions on Behalf of Holders.

(a) The Trustee and the Remarketing Agent agree, and will cause each of their agents to agree, that they will:

(i) hold all Bonds delivered to it under this Article 2 in trust solely for the benefit of the respective Holders who shall have so delivered such Bonds until moneys representing the Purchase Price of such Bonds shall have been delivered to or for the account of or to the order of such Holders; and

(ii) hold all moneys delivered to it under this Article 2 for the purchase of Bonds in trust and uninvested solely for the benefit of the person or entity which shall have so delivered such moneys until the Bonds purchased with such moneys shall have been delivered to or for the account of such person or entity.

(b) The Trustee and the Remarketing Agent, in carrying out their responsibilities under this Article 2, shall be acting solely on behalf of the Holders from

time to time of the Bonds, except as otherwise specified. No delivery of Bonds to the Trustee, the Remarketing Agent or any agent of either of them pursuant to this Article 2 shall constitute a redemption of the Bonds or an extinguishment of the obligation represented thereby.

Section 2.08. Credit Facility Requirements on Conversion. Notwithstanding any other provision of this Indenture, prior to the giving of any notice to the Holders of the proposed conversion of the Bonds to Fixed Rate Bonds, if a Credit Facility is to remain in full force and effect from and after the Fixed Rate Conversion Date, the Obligor shall deliver to the Rating Agencies, if any are then rating the Bonds, the Remarketing Agent and the Trustee evidence satisfactory to them that (a) the Bank has increased the stated amount of the existing Credit Facility to, or (b) a Substitute Credit Facility will be provided in, an amount sufficient to pay the principal of and interest on the Bonds in an amount equal to 210 days' interest calculated at the Fixed Rate or Fixed Rates. Any decision to increase the stated amount of the existing Credit Facility shall be entirely within the Bank's discretion and nothing in this Indenture shall be construed as obligating the Bank to consent to any such increase. If a Credit Facility is to remain in full force and effect from and after the Fixed Rate Conversion Date, the Fixed Rate Bonds shall be subject to mandatory redemption on expiration of the Credit Facility in accordance with the provisions of Section 4.01(g) hereof.

Section 2.09. Obligation of Trustee to Draw on Credit Facility.

(a) Prior to 12:00 noon, Eastern prevailing time, on the Business Day prior to each Interest Payment Date the Trustee shall draw on the Credit Facility an amount calculated by the Trustee to be equal to the amount of interest then due on the Bonds (other than Pledged Bonds) on such date. The Credit Facility shall provide that the Bank shall honor such draw by 11:30 a.m., Eastern prevailing time, on such Interest Payment Date by initiating a wire transfer of the amounts so drawn under the Credit Facility directly to the Trustee for deposit in the Bond Fund.

(b) Prior to 11:00 a.m., Eastern prevailing time, on each proposed Conversion Date, Conversion Date, Substitution Date or Purchase Date, the Trustee shall draw on the Credit Facility an amount calculated by the Trustee to be equal to the difference between (i) the amount of the proceeds of remarketing the Bonds delivered by the Remarketing Agent and on deposit with the Trustee by 10:45 a.m. Eastern prevailing time on the proposed Conversion Date, Conversion Date, Substitution Date or Purchase Date and (ii) the Purchase Price of all Bonds (other than Pledged Bonds) to be purchased on such date. The Credit Facility shall provide that the Bank shall honor such draw by 2:00 p.m., Eastern prevailing time, on such proposed Conversion Date, Conversion Date, Substitution Date or Purchase Date by initiating a wire transfer of the amounts so drawn under the Credit Facility directly to the Trustee for deposit in the Purchase Fund.

(c) Prior to 12:00 noon, Eastern prevailing time, on the Business Day prior to each date on which Bonds are to be redeemed in part, the Trustee shall draw on the Credit Facility an amount calculated by the Trustee to be equal to the redemption price of the Bonds (other than Pledged Bonds) then due. Premium, if any, on the Bonds shall be

included only if the Bank has increased the stated amount of the Credit Facility to include such premium. The Credit Facility shall provide that the Bank shall honor such draw by 11:30 a.m., Eastern prevailing time, on such date on which Bonds are to be redeemed by initiating a wire transfer of the amounts so drawn under the Credit Facility directly to the Trustee for deposit in the Bond Fund.

(d) Prior to 12:00 noon, Eastern prevailing time, on the Business Day prior to the date on which the Bonds are to be redeemed in full or the scheduled maturity date of any Bonds, the Trustee shall draw on the Credit Facility an amount calculated by the Trustee to be equal to the maturing principal amount of the Bonds (other than Pledged Bonds), together with interest thereon to the maturity date. The Credit Facility shall provide that the Bank shall honor such draw by 11:30 a.m., Eastern prevailing time, on such scheduled maturity date by initiating a wire transfer of the amounts so drawn under the Credit Facility directly to the Trustee for deposit in the Bond Fund.

(e) In the event of an acceleration of the maturity of the Bonds under Section 8.01 hereof, the Trustee shall first, without exception, and prior to any other action, prior to 12:00 noon Eastern prevailing time, on the date on which the Trustee gives to the Bank the notice of such acceleration required by such Section 8.01, draw on the Credit Facility an amount calculated by the Trustee to be equal to the maturing principal amount of the Bonds (other than Pledged Bonds), together with interest thereon to the date of declaration of acceleration.

(f) Upon the occurrence of any of the events specified in the Credit Facility with respect to which the Credit Facility is to be terminated and surrendered for cancellation, the Trustee shall promptly surrender the Credit Facility to the Bank for termination in accordance with the provisions thereof.

(g) Notwithstanding any provision to the contrary in this Indenture, (i) in computing the amount to be drawn under the Credit Facility on account of the payment of the principal or Purchase Price of, or interest on the Bonds, the Trustee shall exclude any such amounts in respect of any Bonds which are Pledged Bonds on the date such payment is due, and (ii) amounts drawn by the Trustee under the Credit Facility shall not be applied to the payment of the principal or Purchase Price of, or interest on, any Bonds which are Pledged Bonds on the date such payment is due.

Section 2.10. Substitute Credit Facility.

(a) The Obligor may, from time to time, deliver to the Trustee a Substitute Credit Facility, the terms of which are in all material respects the same as the existing Credit Facility except with respect to the stated expiration date which, in the case of Fixed Rate Bonds shall be at least as long as the stated expiration date of the existing Credit Facility, and, in the case of Variable Rate Bonds, shall be at least one year from the Substitution Date, provided that the Trustee, the Remarketing Agent and the Bank are each given notice thereof at least 45 days prior to the Interest Payment Date next preceding the Substitution Date (and a commitment to issue a Substitute Credit Facility from the issuer of a Substitute Credit Facility accompanies such notice to the Trustee and the Remarketing Agent) and

provided further that such Substitute Credit Facility complies with the Indenture and is accompanied by (i) a written opinion of Bond Counsel acceptable to the Issuer and the Trustee stating that the delivery of such Substitute Credit Facility to the Trustee is authorized under this Indenture and complies with the terms hereof, (ii) a written opinion of counsel to the issuer of the Substitute Credit Facility addressed to the Trustee that the Substitute Credit Facility is binding and enforceable in accordance with its terms, subject as to enforceability to bankruptcy, insolvency, reorganization, moratorium and similar laws affecting creditors' rights as they relate to the issuer of the Substitute Credit Facility and the exercise of judicial discretion in accordance with general principles of equity, the Substitute Credit Facility is not subject to registration under the Securities Act of 1933, as amended, or has been so registered, (iii) a written opinion of Bond Counsel to the effect that the exclusion of the interest on the Bonds from gross income for federal income tax purposes will not be impaired due to the substitution, (iv) if the Bonds are Fixed Rate Bonds, written evidence that with respect to the long term indebtedness of the issuer of the Substitute Credit Facility, or with respect to securities supported by similar credit instruments issued by such issuer, the rating thereof is not less than the ratings for similar instruments of the then current issuer of the Credit Facility, but in no event less than "A" or its equivalent, and (v) written confirmation from the Bank that all sums owed by the Obligor to the Bank have been paid in full. Upon receipt of such documentation, the Trustee shall accept such Substitute Credit Facility and promptly surrender the previous Credit Facility to the issuer thereof for cancellation.

(b) Not less than 30 days prior to any Substitution Date, the Trustee shall give notice of the Substitution Date to the Holders by registered or certified mail, return receipt requested, which notice shall (1) specify the Substitution Date, (2) specify the issuer of the Substitute Credit Facility, and (3) if the Bonds are Variable Rate Bonds, state that all Holders will be required to tender their Variable Rate Bonds to the Trustee for purchase on the Substitution Date unless a Holder elects to retain its Variable Rate Bonds in accordance with the procedure set forth in Section 2.02(c) hereof; provided, that if the Substitution Date is also a proposed Conversion Date or Conversion Date, the foregoing provisions of this paragraph (b) shall not apply and the Holders shall be provided only the notice described in Section 1.13(b) hereof (and no Holder may elect to retain its Bonds in connection with the conversion).

Section 2.11. Deposit of Credit Facility; Extension of Credit Facility; Return of Credit Facility.

(a) So long as the Bonds are secured by a Credit Facility, the Credit Facility shall be deposited with the Trustee. Any extension of the Credit Facility shall be deposited with the Trustee not later than 45 days prior to the last Interest Payment Date prior to the expiration of the Credit Facility. Upon its receipt of an extension of the Credit Facility, the Trustee promptly shall notify the Remarketing Agent of such extension. The extension of the Credit Facility shall not require compliance with the requirements of Section 2.10 hereof.

(b) The Trustee shall return the Credit Facility to the Bank for cancellation at such time as the Credit Facility has expired in accordance with its terms, or a Substitute

Credit Facility has been substituted therefor (but only if the issuer of the Credit Facility being replaced has honored any draw on such Credit Facility in connection with the mandatory tender caused by the replacement), or the day after the Fixed Rate Conversion Date if the Credit Facility is no longer in effect.

ARTICLE 3 SECURITY

Section 3.01. Security. In addition to the rights of the Trustee to draw upon the Credit Facility, the Bonds and the interest thereon shall be secured by and payable from the following (together with the Credit Facility, collectively referred to as the “Security”):

(a) all Loan Repayments which the Obligor is obligated to make under the Agreement, which Loan Repayments are to be paid directly to either the Bank or the Trustee, as provided in the Agreement;

(b) all moneys in the Bond Fund and the Project Fund established in this Indenture and the security interest granted by the Obligor therein, including the proceeds of the Bonds pending disbursement;

Section 3.02. Further Assurances. The Issuer shall cooperate to the extent necessary with the Obligor and the Trustee in its defense of the Security against the claims and demands of any person, and will do, execute, acknowledge and deliver or cause to be done such further acts, instruments and transfers as the Trustee may reasonably require for the better granting of the Security, including without limitation, delivery of any financing statements and continuation statements.

Section 3.03. No Other Encumbrances. The Issuer shall not sell, convey, mortgage, encumber or otherwise dispose of the Security, or any part thereof other than as provided in this Indenture.

Section 3.04. Discharge of Lien.

(a) If and when all Bonds secured hereby shall become due and payable in accordance with their terms or through redemption proceedings as provided in this Indenture, or otherwise, and the whole amount of the principal, premium, if any, and the

interest so due and payable upon all of the Bonds shall be paid, or provision shall have been made for the payment of the same in accordance with Section 3.04(b) hereof, and if the Issuer shall pay or cause to be paid or make provision for payment of all other sums payable by the Issuer or Obligor hereunder and under the Agreement, including any necessary and proper fees, compensation and expenses of the Trustee and the Bank, and the Obligor shall pay or cause to be paid to the Bank all amounts drawn under the Credit Facility (or the Confirming Letter of Credit), then these presents and the interests in the Security and rights hereby granted shall cease, determine and be void, and the Trustee shall take such actions, at the request of the Issuer or the Obligor, as may be necessary to evidence the cancellation and discharge of the lien of this Indenture.

(b) Bonds for the payment or redemption of which Available Moneys shall have been held by the Trustee at the maturity or redemption date thereof shall be deemed to be paid within the meaning and with the effect provided in Section 3.04(a) of this Indenture. Any Bonds shall, prior to the maturity or redemption date thereof, be deemed to have been paid within the meaning and with the effect expressed in Section 3.04(a) if: (i) in case such Bonds are to be redeemed on any date prior to their maturity, the Obligor, on behalf of the Issuer, shall have given to the Trustee, in form satisfactory to the Trustee, irrevocable instructions to mail, on a date in accordance with the provisions of this Indenture, notice of redemption of such Bonds on such redemption date, such notice to be given in accordance with the provisions of this Indenture; and (ii) there shall have been deposited with the Trustee either Available Moneys in an amount that shall be sufficient, or Government Obligations purchased exclusively with Available Moneys that are not subject to prepayment or call, the principal of and the interest on which when due, and without any reinvestment thereof, will provide moneys that, together with Available Moneys, if any, deposited with or held by the Trustee, shall be sufficient to pay when due (A) the principal of, and premium, if any, and interest due and to become due on such Bonds until the first available redemption date or maturity date, as the case may be (unpaid interest on Bonds bearing interest at the Daily Rate or Weekly Rate being computed at the actual rate established at the time the Bonds are defeased for the current interest rate period until the end of such interest rate period and thereafter until the redemption date or Maturity Date at the Maximum Rate), and (B) in the case of Bonds bearing interest at a Daily Rate or Weekly Rate, the Purchase Price of all Bonds on all potential optional tender dates and mandatory tender dates until the first available redemption date or the Maturity Date, as the case may be. Neither the securities or moneys deposited with the Trustee pursuant to this Section 3.04(b) nor principal or interest payments on any such securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of, and premium, if any, and interest on, such Bonds.

In the event cash and/or Government Obligations shall be deposited with and held by the Trustee as provided in this Section 3.04, the applicable provisions of this Indenture pertaining to the payment of the principal, premium, if any, and Purchase Price, of and on the Bonds, to registration and transfer of Bonds, and to redemption of Bonds shall be continued in force until such Bonds and other obligations have been fully paid.

shall deliver to the Trustee and the Issuer, prior to the effective date of any such defeasance, written evidence from the Rating Agencies to the effect that such rating agencies have reviewed the proposed defeasance and that such defeasance will not, by itself, result in a reduction, suspension or withdrawal of the rating or ratings assigned by such rating agencies to the Bonds. Such rating evidence shall not be required if all of the Bonds are being defeased.

(c) All Bonds shall be subject to optional redemption prior to their stated maturity at the option of the Obligor, in whole or in part (in such manner so that following the redemption only Bonds in Authorized Denominations remain outstanding in accordance with Section 4.03 hereof), on the Conversion Date at the principal amount thereof plus accrued interest thereon to the redemption date, without premium.

(d) The Issuer shall immediately notify the Trustee of the occurrence of a Determination of Taxability upon receipt by the Issuer of notice thereof from any Bondholder, former Bondholder, beneficial owner or former beneficial owner. If, prior to the date on which this Indenture shall be discharged, as provided in Section 3.04 hereof, the Trustee receives written notice from any Bondholder, former Bondholder, beneficial holder or former beneficial holder of the occurrence of a Determination of Taxability, the Trustee shall immediately give written notice thereof to the Issuer, the Bank, the Obligor and the Remarketing Agent. The foregoing notwithstanding, no notice of such a Determination of Taxability shall be conclusive unless and until the Trustee either (i) receives an opinion of Counsel (selected by the Trustee) of nationally recognized standing on the subject of municipal bonds to the effect that the events or circumstances giving rise to the alleged Determination of Taxability constitutes, in the opinion of such Counsel, a Determination of Taxability within the meaning of the definition thereof set forth in the Bond Forms Appendix or (ii) waives its right to obtain such an opinion of Counsel; provided, that, if the Trustee determines to obtain such an opinion of Counsel, it shall do so within 30 days of its receipt of notice of a Determination of Taxability from the Issuer or a Bondholder, former Bondholder, beneficial owner or former beneficial owner, or shall be deemed to have waived its right to obtain such an opinion. Within 5 Business Days after receipt by the Trustee of an opinion of Counsel confirming the occurrence of a Determination of Taxability or after its waiver of its right to obtain such an opinion, the Trustee shall give notice of the redemption of all of the Bonds, which redemption shall be effected on the day

that is no later than 30 days after the date the Trustee confirmed (by independent opinion of Counsel or waiver thereof) the occurrence of such Determination of Taxability or, if such day is not a Business Day, the immediately succeeding Business Day. The Bonds shall be redeemed at a price of 100% of the principal amount thereof plus accrued interest to the redemption date.

(e) The Bonds are subject to extraordinary optional redemption as described in the Bonds.

(f) All Bonds shall be subject to mandatory redemption prior to their stated maturity at the principal amount thereof plus accrued interest to the redemption date, in part, at the earliest time possible following the deposit in the Surplus Bond Proceeds Account within the Bond Fund of Surplus Bond Proceeds in accordance with Section 4.4 of the Agreement, to the extent of the greatest amount equal to an integral multiple of \$5,000 in such Account and in accordance with Section 4.03 hereof.

(g) Variable Rate Bonds and Fixed Rate Bonds, if secured by a Credit Facility, shall also be subject to mandatory redemption prior to their stated maturity at 100% of the principal amount thereof plus accrued interest thereon on the Interest Payment Date which next precedes by at least 2 Business Days the date of expiration of the term of the Credit Facility or any Substitute Credit Facility then in effect, unless an extension or a Substitute Credit Facility shall have been delivered to the Trustee as provided in the Agreement at least 45 days prior to the last Interest Payment Date prior to the expiration of the Credit Facility or Substitute Credit Facility then in effect.

(h) Whenever the Obligor desires to exercise its option to redeem Bonds, it shall deliver written notice thereof to the Trustee not less than 45 days prior to the redemption date specifying the Bonds to be redeemed and the redemption date.

Section 4.02. Selection of Bonds to be Redeemed. If less than all Bonds are to be redeemed upon any redemption of Bonds hereunder, Bonds shall be redeemed, in accordance with Section 4.03 hereof, by lot or in such other manner as the Trustee may determine. All Bonds pledged to the Bank by the Obligor shall be selected first for redemption.

In selecting Bonds for redemption, the Trustee may treat Bonds purchased at the demand of the Holder pursuant to Section 2.01 hereof and held by the Remarketing Agent and Bonds delivered pursuant to Section 2.05 hereof in replacement therefor during the 15 days next preceding the notice by mailing of any proposed redemption of Bonds as though such purchase and delivery had not occurred. If a Bond selected for redemption shall have been purchased pursuant to such Section 2.01 and a new Bond shall have been delivered in replacement therefor pursuant to such Section 2.05 on or after the 15th day immediately preceding the notice by mailing of any proposed redemption of Bonds, then the Bond delivered in replacement for the Bond so purchased shall be deemed to be the Bond selected for redemption.

Section 4.03. Partial Redemption of Bonds. If a Bond is of a denomination larger

than the minimum Authorized Denomination, such Bond may be redeemed in whole or in part, provided that upon a partial redemption the principal amount not being redeemed remains an Authorized Denomination. At no time shall a Bond be outstanding under the Indenture in less than an Authorized Denomination. Upon the selection and call for redemption of, and the surrender of any Bond for redemption in part only, the Issuer shall execute and the Trustee shall authenticate and deliver to or upon the written order of the Holder thereof, a new Bond of an Authorized Denomination in an aggregate principal amount equal to the unredeemed portion of the Bond surrendered.

Section 4.04. Effect of Call for Redemption. On any date designated for redemption by notice given as herein provided, the Bonds so called for redemption shall become and be due and payable at the redemption price provided for redemption of such Bonds on such date. If on the date fixed for redemption, moneys for payment of the redemption price and all accrued interest to such date are held by the Trustee as provided herein, interest on such Bonds so called for redemption shall cease to accrue, the Holders of such Bonds shall cease to be entitled to any benefit or security hereunder except the right to receive payment from the moneys held by the Trustee and the amount of such Bonds so called for redemption shall be deemed paid and no longer Outstanding.

Section 4.05. Notice of Redemption. Except as provided in Section 4.01(d), the notices of redemption shall be given by the Trustee by mail not less than 30 days prior to the date set for redemption, to each registered Holder of a Bond to be so redeemed at the address shown on the Bond Register. If less than all the Bonds are to be redeemed, the notice shall identify the Bonds to be redeemed by reference to the serial numbers or other identifying designation of each such Bond. Failure to mail any such notice, or any defect in such notice, as to any Bond shall not affect the validity of the proceedings for the redemption of any other Bond. While the Bonds are Variable Rate Bonds, from the date of such notice through the redemption date, Bonds subject to redemption may not be remarketed except to a buyer who acknowledges in writing at the time of such purchase the date of redemption of such Bonds.

Section 4.06. Market Purchases of Bonds. At the Obligor's option and its written direction, any Available Moneys in the Bond Fund may be used to acquire Bonds in the open market for cancellation if the cost to acquire such Bonds is equal to or less than the redemption price at the next available call date on or after the date of acquisition; provided, that no such purchase shall be made except with Available Moneys to the extent not then earmarked for payment of (i) matured principal of, premium, if any, or interest on any Bonds, (ii) the redemption price of Bonds previously selected or called for redemption, (iii) the Purchase Price of Undelivered Bonds or (iv) any other Purchase Price or debt service payment (or a portion thereof) on any Bonds, due or to become due, which the Trustee shall have taken into account in calculating the amount of any drawing made on the Credit Facility.

ARTICLE 5
REPRESENTATIONS AND COVENANTS OF THE ISSUER

Section 5.01. General Limitation. All representations and covenants of the Issuer herein and in any proceeding, document or certification incidental to issuance of the Bonds shall not create a pecuniary liability of the Issuer, except to the extent of the Security.

Section 5.02. Payment of Bonds and Performance of Covenants. The Issuer shall, but only out of the Security, promptly pay the principal of, premium, if any, and interest on the Bonds at the place, on the dates and in the manner provided in the Bonds. The Issuer shall promptly perform and observe all of its other covenants, undertakings and obligations set forth in the Resolution, this Indenture, the Bonds or the Agreement; provided that the Issuer shall be under no obligation to take any action or execute, prepare or deliver any instrument or document until it shall have received assurances satisfactory to it that the Obligor or the Trustee shall pay in advance or reimburse it (at the Issuer's option) for its expenses incurred or to be incurred in connection with the taking of such action (including attorneys' fees) and shall be indemnified against any possible liability arising out of the taking of such action.

THE BONDS ARE LIMITED OBLIGATIONS OF THE ISSUER. THE PRINCIPAL OF AND INTEREST ON THE BONDS ARE PAYABLE SOLELY OUT OF THE REVENUES DERIVED UNDER THE LOAN AGREEMENT AND THE SECURITY. THE BONDS ARE NOT AN INDEBTEDNESS OF THE ISSUER, WITHIN THE MEANING OF ANY STATE CONSTITUTIONAL PROVISION OR STATUTORY LIMITATION. THE BONDS ARE NOT A CHARGE AGAINST THE ISSUER'S GENERAL CREDIT OR TAXING POWERS OR A PECUNIARY LIABILITY OF THE ISSUER UNDER THE ACT.

Section 5.03. Project Books. All books and documents in the possession of the Issuer relating to the Project and the Security shall at all times during the Issuer's regular business hours be open to inspection by the Trustee and its attorneys and agents. All costs and expenses of maintaining, recording or updating all such books and documents shall be paid by the Obligor, including any costs of copying or reproducing such books and documents.

Section 5.04. Enforcement of the Agreement. The Trustee may enforce against the Obligor or any person any rights of the Issuer or obligations of the Obligor under or arising from the Bonds or under the Agreement, whether or not the Issuer is in default hereunder or under the Bonds, but the Trustee shall not be deemed to have thereby assumed the obligations of the Issuer under the Agreement. The Issuer shall fully cooperate with the Trustee in the enforcement by the Trustee of any such rights.

At the request of the Trustee and upon provision for reasonable indemnification to the Issuer by any Bondholder, the Issuer shall (i) take such actions as the Trustee shall reasonably request to enforce the rights of the Issuer or the Trustee under or arising from the Bonds, the Credit Facility or the Agreement and (ii) shall cooperate in any effort of the Trustee on behalf of the Issuer to enforce the Agreement or any remedy provided in the

Agreement. Nothing herein shall be construed as requiring the Issuer or the Trustee to operate the Project.

Section 5.05. No Personal Liability. Neither the Issuer's Agents, including specifically any person executing this Indenture or the Bonds, nor any other Indemnified Persons shall be liable personally on the Bonds or subject to any personal liability for any reason relating to the issuance of the Bonds.

Section 5.06. Issuer's Representations. The Issuer represents and warrants as follows:

(a) It is duly authorized by the laws of the State, particularly and without limitation the Act, to issue the Bonds, to execute and deliver this Indenture and the Agreement and to provide the security for payment of the Bonds in the manner and to the extent set forth in this Indenture.

(b) All actions required on its part to be performed for the issuance, sale and delivery of the Bonds and for the execution and delivery by the Issuer of this Indenture and the Agreement have been or will be taken duly and effectively.

(c) The Bonds will be valid and enforceable special limited obligations of the Issuer according to their terms.

It is understood and agreed that the Issuer makes no representations or warranties as to (i) the financial position or business condition of the Obligor or the Bank, (ii) any statements (financial or otherwise), representations, information, documents or certifications provided or to be provided or at any time referred to in connection with the offer or sale of the Bonds or the granting of the Credit Facility or (iii) the correctness, completeness or accuracy of such statements, representations, information, documents or certifications.

Section 5.07. Governmental Functions. The Issuer is not assigning any of its governmental functions in this Indenture. Nor shall the Issuer be precluded from taking such actions as shall be necessary in order for it to perform its governmental functions. The Issuer shall, however, be bound by its undertaking herein.

ARTICLE 6
ESTABLISHMENT AND USE OF FUNDS

Section 6.01. Establishment and Use of Project Fund. The Project Fund is hereby established with the Trustee. The Project Fund shall receive all proceeds from the sale of the Bonds (excluding any premium and accrued interest which are required to be deposited in the Bond Fund established pursuant to Section 6.02 hereof). Moneys in the Project Fund shall be expended and disbursed in accordance with the provisions of Section 4.1 of the Agreement. The Trustee is hereby authorized and directed to make disbursements from the Project Fund on any Requisition Certificate meeting the requirements of the Agreement. The Trustee shall keep and maintain adequate records pertaining to the Project Fund and all receipts and disbursements pertaining thereto, and shall furnish periodic statements not more frequently than monthly with respect thereto to the Bank and the Obligor. The records of the Trustee with respect to all income and disbursements relating to the Project Fund shall be made available by the Trustee at its designated corporate trust office during normal business hours and upon reasonable notice from the Issuer, the Bank and the Obligor. Upon receipt of the Completion Certificate from the Obligor, and in any event on the third anniversary hereof, amounts remaining in the Project Fund shall be transferred to and deposited in the Surplus Bond Proceeds Account of the Bond Fund and used as provided in this Indenture and the Agreement.

Section 6.02. Establishment and Use of Bond Fund. The Bond Fund is hereby established with the Trustee. There shall be established as separate accounts in the Bond Fund a General Account, a Surplus Bond Proceeds Account and a Credit Facility Account. Moneys shall be deposited in the Bond Fund as follows:

(a) The Trustee shall deposit into the General Account:

(i) from the proceeds of initial sale and delivery of the Bonds, the amount received from the purchasers as premium, if any, and accrued interest, if any, on the Bonds: and

(ii) all Loan Repayments made or caused to be made by the Obligor to the Trustee pursuant to the Agreement and all proceeds resulting from the enforcement of the Security (other than the Credit Facility).

(b) The Trustee shall deposit into the Credit Facility Account all moneys received by the Trustee from a drawing under the Credit Facility (other than a drawing to pay the Purchase Price of Bonds, the proceeds of which shall be deposited into the Purchase Fund as provided in Section 6.03 hereof).

(c) The Trustee shall deposit into the Surplus Bond Proceeds Account:

(i) all moneys transferred from the Project Fund; and

(ii) any amounts required to be deposited in the Bond Fund pursuant to Article VII of the Agreement.

The Trustee will withdraw sufficient funds from the Bond Fund to pay the principal of, premium, if any, and interest on the Bonds as the same become due and payable, only in the following order of payment:

- (a) From the Credit Facility Account, payments received under the Credit Facility;
- (b) Available Moneys in the General Account; and
- (c) Any other funds available therefor.

Except as provided herein and in Section 6.04 hereof, moneys in the Bond Fund shall be used solely for the payment of the interest on the Bonds and for the payment of principal and premium, if any, of the Bonds upon maturity, acceleration, mandatory redemption, extraordinary optional or optional redemption or purchase on the open market. Moneys held in the General Account for payment of matured or redeemed Bonds which have not been presented for payment, as described in Section 1.15, and moneys held in the Credit Facility Account at any time shall not be invested. Moneys held in the Surplus Bond Proceeds Account shall be used solely to redeem Bonds available to be redeemed in accordance with Sections 4.01(f) and 4.02 hereof on the next date for which notice of redemption can be given. Except as hereinafter provided, all Loan Repayments and moneys transferred to the Bond Fund pursuant to (a)(ii) above received by the Trustee shall be held for not less than a sufficient period of time to constitute Available Moneys in the General Account and, upon becoming Available Moneys, they shall be used as set forth herein. The Issuer and Trustee shall at the written direction of the Obligor use moneys in the Bond Fund representing prepaid Loan Repayments under the Agreement which are Available Moneys to redeem Bonds in the manner and amount as directed, subject to the provisions for redemption of Bonds contained in the Bonds and in the Indenture, or to purchase Bonds on the open market.

Upon the acceleration of the maturity of the Bonds pursuant to Section 8.01 hereof, all moneys held in the Bond Fund shall be applied as provided in Section 8.06 of this Indenture.

So long as the Credit Facility is in effect, moneys sufficient to pay the principal of and interest on the Bonds on each Interest Payment Date shall be drawn by the Trustee from the Bank pursuant to the Credit Facility by presentment of the draft under the Credit Facility in an amount and at times sufficient to pay principal of, premium, if any, to the extent the Credit Facility covers premium, if any, and interest due on the Bonds on such Interest Payment Date in accordance with Section 2.09 hereof. To the extent the Credit Facility does not cover premium on the Bonds, the Obligor is obligated to pay the premium, if any, and the Trustee shall use such moneys to pay premium.

Available Moneys held by the Trustee (other than Credit Facility proceeds required to make the payments described in the preceding paragraph) shall be used first to reimburse the Bank to the extent the Bank has honored a drawing under the Credit Facility, and then to pay principal of, premium, if any, and interest on the Bonds when due. If there are

insufficient Available Moneys to reimburse the Bank to the extent the Bank has honored a drawing under the Credit Facility, then the Trustee shall use any other funds available in the General Account of the Bond Fund. Moneys drawn under the Credit Facility shall be applied only to the payment of principal of, premium to the extent the Credit Facility covers premium, if any, Purchase Price of and interest on the Bonds.

Section 6.03. Establishment and Use of Purchase Fund. The Purchase Fund shall be established with the Trustee, as a separate fund not pledged for the payment of the Bonds, but held by the Trustee solely for the purpose of paying the Purchase Price of Bonds tendered on a Purchase Date, a Substitution Date, the Conversion Date or a proposed Conversion Date. Moneys in the Purchase Fund shall be derived first from the proceeds of remarketing by the Remarketing Agent of Bonds thus tendered (other than any remarketing to the Obligor or the Issuer or to any insider or affiliate of either of them within the meaning of the United States Bankruptcy Code) or, upon failure of the Remarketing Agent to remarket any such Bond or Bonds, from proceeds of a drawing under the Credit Facility to pay for such Bonds. Moneys held in the Purchase Fund shall not be invested.

Section 6.04. Repayment to the Obligor from the Funds. Any amounts remaining in the Bond Fund, the Project Fund or the Purchase Fund after discharge of the lien of this Indenture as provided in Section 3.04 of this Indenture and payment of all amounts owed by the Obligor to the Bank pursuant to the Reimbursement Agreement shall be transferred to the Obligor.

Notwithstanding anything in this Indenture to the contrary, the Trustee shall pay to the Bank any amount authorized or required to be paid by the Trustee to the Obligor, unless the Trustee has received written notice that the Bank has been paid all amounts due the Bank under the Reimbursement Agreement.

Section 6.05. Moneys to be Held in Trust. Except where moneys have been deposited with or paid to the Trustee pursuant to an instrument restricting their application to particular Bonds, all moneys required or permitted to be deposited with or paid to the Trustee under any provision of this Indenture or the Agreement, and to be used to pay principal of or interest on the Bonds, and any investments thereof, shall be held by the Trustee in trust. Except for (i) moneys deposited with or paid to the Trustee for the redemption of Bonds, notice of the redemption of which shall have been duly given, (ii) moneys held by the Trustee pursuant to Section 6.06 hereof, and (iii) moneys held in the Rebate Fund, all moneys described in the preceding sentence held by the Trustee shall be subject to the lien hereof while so held.

Section 6.06. Nonpresentment of Bonds. In the event that any Bond shall not be presented for payment when the principal thereof becomes due in whole or in part, either at stated maturity, by redemption or pursuant to any mandatory sinking fund requirements, or a check or draft for interest is uncashed, if moneys sufficient to pay the principal and premium, if any, then due on that Bond or to pay such check or draft shall have been made available to the Trustee for the benefit of its Holder, all liability of the Issuer to that Holder for such payment of the principal and premium, if any, then due on the Bond or interest on such Bond represented by such check or draft thereupon shall cease and be discharged

completely. Thereupon, it shall be the duty of the Trustee to hold those moneys, without liability for interest thereon, in a separate account in the Bond Fund for the exclusive benefit of the Holder, who shall be restricted thereafter exclusively to those moneys for any claim of whatever nature on its part under this Indenture or on, or with respect to, the principal and premium, if any, then due on that Bond or interest on such Bond represented by such check or draft.

Any of those moneys which shall be so held by the Trustee, and which remain unclaimed by the Holder of a Bond not presented for payment or check or draft not cashed for a period of three years after the due date thereof, shall, subject to any applicable provisions of Title 6 of the Wisconsin Property Code relating to unclaimed property, be paid to the Obligor. Thereafter, the Holder of that Bond shall look only to the Obligor for payment and then only to the amounts so received by the Obligor or paid to or on behalf of the Obligor, without any interest thereon, and the Trustee shall not have any responsibility with respect to those moneys.

ARTICLE 7
INVESTMENT OF FUNDS

Section 7.01. Investment of Project Fund and Bond Fund. Any moneys held as part of the Project Fund shall be invested or reinvested by the Trustee in Permitted Investments in accordance with written directions of the Obligor or at the facsimile direction of the Obligor promptly confirmed in writing. Any of those investments may be purchased from or sold to the Trustee, or any bank, trust company or savings and loan association affiliated with the Trustee. Such investments shall mature not later than the respective dates estimated by the Obligor when the moneys in said Project Fund shall be needed for the purposes provided in the Agreement and the Indenture, but should the cash balance in the Fund be insufficient for such a purpose, the Trustee is authorized to sell the necessary portion of such investments to meet that purpose. Moneys, if any, held in the General Account and the Surplus Bond Proceeds Account of the Bond Fund shall be invested at the direction of the Obligor acting on behalf of the Issuer in obligations of the United States, or shall not be invested. Moneys held in the Credit Facility Account of the Bond Fund shall not be invested. The Trustee may make investments permitted by Article 7 through or from its own bond department or trust investments department, or its parent's or affiliate's bond department or trust investments department.

The Obligor acknowledges that regulations of the Comptroller of the Currency grant the Obligor the right to receive brokerage confirmations of the security transactions as they occur. The Obligor specifically waives such notification to the extent permitted by law and will receive periodic cash transaction statements which will detail all investment transactions.

Except as otherwise provided hereunder or agreed in writing among the parties hereto, the Obligor shall retain the authority to institute, participate and join in any plan of reorganization, readjustment, merger or consolidation with respect to the issuer of any securities held hereunder, and, in general, to exercise each and every other power or right with respect to each such asset or investment as individuals generally have and enjoy with respect to their own assets and investments, including power to vote upon any securities.

ARTICLE 8
DEFAULT PROVISIONS AND REMEDIES OF TRUSTEE

Section 8.01. Events of Default; Acceleration. Any of the following events shall constitute an “Event of Default”:

(a) Default in the due and punctual payment of the interest on or principal of, premium on, or redemption or Purchase Price of any Bond, whether at the stated maturity thereof or upon proceedings for redemption thereof, or upon the maturity thereof by acceleration or otherwise or on the Conversion Date, proposed Conversion Date, Substitution Date or Purchase Date;

(b) Default in the performance or observance of any other obligation or condition on the part of the Issuer contained in this Indenture or the Bonds, and the continuance thereof for a period of 30 days after written notice given to the Obligor and the Issuer by the Trustee or by the holders of not less than 25% in aggregate principal amount of the Bonds then outstanding, except that if such default cannot be corrected within such period, it shall not constitute an Event of Default if in the judgment of the Trustee in reliance upon an opinion of Counsel and with the consent of the Bank the default is correctable without material adverse effect on the Bonds and if corrective action is instituted by the Issuer within such period and diligently pursued until the default is corrected;

(c) Occurrence of an Event of Default (as defined in the Agreement) under the Agreement;

(d) Receipt by the Trustee of written demand from the Bank directing the Trustee to declare the Bonds immediately due and payable because of the occurrence of an Event of Default under and as defined in the Reimbursement Agreement;

(e) Receipt by the Trustee after a payment under the Credit Facility with respect to interest on the Bonds of written notice from the Bank that the interest portion of the Credit Facility has not been reinstated to an amount equal to 45 days’ (or if applicable pursuant to Section 2.08 hereof, 210 days’) interest, calculated at the Maximum Rate or Fixed Rate or Fixed Rates, as applicable.

(f) The Bank shall (i) fail to be open for the transaction of its general business on any day other than a day on which such institutions in the city in which such Bank is located are authorized or obligated to close by applicable law absent extenuating circumstances of a nonfinancial nature; or (ii) commence a proceeding under any federal or state insolvency, reorganization or similar law, or have such a proceeding commenced against it and either have an order of insolvency or reorganization entered against it or have the proceeding remain undismissed and unstayed for 90 days; or (iii) have a receiver, liquidator or trustee appointed for it or for the whole or substantially all of its property. The declaration of an Event of Default under this subsection (f) and the exercise of remedies upon any such declaration shall be subject to any applicable limitations of federal bankruptcy law affecting or precluding such declaration or exercise during the pendency of or immediately following any bankruptcy, liquidation or reorganization proceedings; or

(g) Wrongful dishonor by the Bank of a draft drawn under the Credit Facility by the Trustee.

The Trustee shall, at the direction of the Bank, upon the occurrence of an Event of Default under paragraphs (b) or (c) above, declare the principal of and accrued interest on all outstanding Bonds immediately due and payable. The Trustee shall, upon the occurrence of an Event of Default under paragraphs (a), (d), (e), (f) or (g) above, declare the principal of and accrued interest on all outstanding Bonds to be due and payable immediately. The Trustee shall simultaneously with any such declaration give written notice of any such declaration to the Issuer, the Remarketing Agent, the Obligor, the Bank and the Bondholders. Such notice shall specify the date on which payment of principal and interest shall be tendered to the Bondholders, which date, so long as funds are available to the Trustee therefor, shall not be later than 5 days after the Event of Default resulting in such declaration. Interest on the Bonds will accrue to the date of declaration of acceleration.

Upon any declaration of acceleration of maturity of principal and interest on the Bonds under this Indenture, the Trustee shall promptly exercise such rights as it may have under the Agreement to declare all payments thereunder to be immediately due and payable, shall transfer any moneys in the Project Fund to the Bond Fund and shall draw upon the Credit Facility in accordance with Section 2.09 hereof, to the full extent permitted by the terms thereof.

If for any reason the Credit Facility is not in full force and effect, or if the Bank has failed to pay or has been prevented from paying a draft drawn under the Credit Facility which complies with the terms of the Credit Facility, or if the Bank in writing has repudiated its obligations under the Credit Facility, or if the Bank shall no longer exist or shall become insolvent or if a receiver is appointed for it or its property or affairs, then upon an occurrence of an event specified in Section 8.01(b) or (c) the Trustee shall give written notice thereof to the Obligor and the Holders of all Outstanding Bonds, and may declare the principal of and accrued interest on all Outstanding Bonds immediately due and payable by written notice thereof to the Obligor and the Issuer, and shall declare the principal of and accrued interest on all Outstanding Bonds immediately due and payable if Holders of not less than 25% of the principal amount of outstanding Bonds give written notice of such event to the Trustee, the Obligor and the Issuer.

Section 8.02. Annulment of Declaration of Maturity of Principal and Interest Following Event of Default. If, (a) after the principal of the Bonds has been so declared to be due and payable by reason of an Event of Default, (i) all arrears of interest and interest on overdue installments of interest (if lawful) at the rate or rates per annum borne by the Bonds, (ii) the principal of and premium, if any, on all the Bonds then outstanding which shall have become due and payable, and (iii) all other sums payable under this Indenture, except the principal of and interest on the Bonds which by such declaration shall have become due and payable, are paid or amounts available therefor in the Bond Fund are sufficient therefor (provided such moneys are Available Moneys), (b) there are performed all other things in respect to which there may have been a default hereunder, (c) payment has been made of the reasonable fees, costs and expenses of the Trustee, the Issuer and any trustee appointed under law, including the Trustee's reasonable attorneys' fees, (d) the Trustee has received

notice that the Credit Facility has been reinstated or has received a Substitute Credit Facility, and (e) no Event of Default under the Agreement is then continuing, such Event of Default having been either cured or waived, then, in every such case, the Trustee shall, at the request of the Obligor, annul such declaration and its consequences, and such annulment shall be binding upon all holders of Bonds issued hereunder; but no such annulment shall extend to or affect any subsequent default or impair any right or remedy consequent thereon; and provided, that no such annulment shall occur after the final payment has been made to the Bondholders of the principal of and interest on the Bonds. The Trustee shall forward a copy of any such annulment notice pursuant to this paragraph to the Issuer, the Obligor, the Bank and the Bondholders. Notwithstanding anything to the contrary herein, the Trustee shall not have the power to annul a declaration resulting from an Event of Default unless agreed to in writing by the Bank.

Section 8.03. Obligations of Trustee to Draw Under Credit Facility. Following acceleration of the maturity of the Bonds and prior to exercising any remedy under this Indenture or the Agreement or any other remedy available to the Trustee, the Trustee shall draw under the Credit Facility. If the Bank has honored a draft drawn by the Trustee under the Credit Facility in an amount sufficient to pay the Bonds in full, the Trustee shall accept the direction of the Bank with respect to any right or remedy available to the Trustee (except with respect to the collection of the Trustee's fees, costs and expenses) or the Bondholders under this Indenture.

Notwithstanding any provision in this Indenture other than Section 12.01 to the contrary, if there occurs an Event of Default described in Section 8.01(f) or Section 8.01(g) (so long as such Event of Default continues) (i) any consents required of the Bank prior to the taking of any action by the Trustee shall no longer be required, (ii) any directions which the Bank may give to the Trustee pursuant to the Agreement or this Indenture shall not be binding on the Trustee and (iii) any consent required of the Bank which does not also require the consent of the Trustee shall only require the consent of the Trustee.

Section 8.04. Payments by Obligor. If on the Conversion Date, a proposed Conversion Date, a Substitution Date, a Purchase Date or on any date on which the principal or Purchase Price of, premium, if any, and/or interest on any Bond becomes due, there shall not be moneys sufficient to pay the principal, premium, if any, interest or Purchase Price due because of a failure by the Bank to honor a draft drawn under the Credit Facility in accordance with the terms thereof, the Obligor shall deposit with the Trustee moneys in immediately available funds in an amount equal to the amount of the deficiency.

Section 8.05. Preservation of Security and Remedies if Draft Drawn Under Credit Facility is not Paid; Rights of Bondholders. Subject always to the provisions of Section 8.03, and without limiting the mandatory obligations of the Trustee under Section 8.01 and Section 8.03, upon the occurrence and during the continuance of any Event of Default, the Trustee shall have the power to, but unless requested in writing by the Holders of at least 25% in aggregate principal amount of the Bonds then outstanding and furnished with reasonable security and indemnity shall be under no obligation to, institute and maintain such suits and proceedings as it may be advised shall be necessary or expedient to prevent any impairment of the Security under this Indenture by any acts which may be

unlawful or in violation of the Indenture and such suits and proceedings as the Trustee may be advised shall be necessary or expedient to preserve or protect its interests and the interests of the Bondholders.

Subject always to the provisions of Section 8.03, and without limiting the mandatory obligations of the Trustee under Section 8.01 upon the occurrence and during the continuance of an Event of Default, the Trustee may proceed to pursue any available remedy to enforce the payment of the principal of and interest on the Bonds then outstanding or observance and performance of any other covenant, agreement or obligation under this Indenture, the Agreement or any other instrument providing security, directly or indirectly, for the Bonds and Additional Bonds, including, without limitation, mandamus or the appointment of a receiver in equity with the power to charge and collect rents, purchase price payments, and loan payments and to apply revenues from the Project in accordance with the terms hereof and the Agreement; further, upon the occurrence and during the continuance of any Event of Default, then and in every case the Trustee may proceed, and upon the written request of the Holders of not less than 25% in aggregate principal amount of the Bonds then outstanding and furnished with reasonable security and indemnity, shall proceed, to protect and enforce its rights and the rights of the Bondholders under the Act and under this Indenture forthwith by such suits, actions or special proceedings in equity or at law, or by proceedings in the office of any board or officer having jurisdiction, whether for the specific performance of any covenant or agreement contained in this Indenture or the Agreement or in aid of the execution of any power granted herein or in the Agreement or in the Act or for the enforcement of any legal or equitable right or remedy, as the Trustee, being advised by Counsel, shall deem most effective to protect and enforce such rights or to perform any of its duties under this Indenture.

Subject always to the provisions of Section 8.03, no remedy by the terms of this Indenture conferred upon or reserved to the Trustee (or to the Bondholders) is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Trustee or to the Bondholders hereunder or now or hereafter existing by law.

No delay or omission to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default or acquiescence therein; and every such right and power may be exercised from time to time and as often as may be deemed expedient.

No waiver of any default or Event of Default hereunder, whether by the Trustee or by the Bondholders, shall extend to or shall affect any subsequent default or Event of Default or shall impair any rights or remedies consequent thereon.

Without limiting the mandatory obligations of the Trustee under Section 8.01, but subject to the provisions of Section 8.03, the holders of not less than 51% in aggregate principal amount of Bonds then outstanding shall have the right, at any time, by an instrument or instruments in writing executed and delivered to the Trustee, and after furnishing the Trustee with security and indemnity satisfactory to it, to direct the method of conducting all proceedings to be taken in connection with the enforcement of the terms and

conditions of this Indenture or for the appointment of a receiver or any other proceedings hereunder; provided, however, that such direction shall not be otherwise than in accordance with the provisions of law.

Upon the occurrence and during the continuance of an Event of Default, and upon the filing of a suit or other commencement of judicial proceedings to enforce the rights of the Trustee and of the Bondholders, the Trustee shall be entitled, as a matter of right, to the appointment of a receiver or receivers of the payments derived from the sale or leasing of the Project, together with such other powers as the court making such appointments shall confer.

Section 8.06. Application of Moneys. All moneys received by the Trustee pursuant to any action taken under this Article except moneys received pursuant to drawings under the Credit Facility or moneys held by the Trustee pursuant to Section 1.15 shall be first applied to the payment of the fees and expenses of the Trustee or the Issuer in connection with the performance of its powers and duties under this Indenture or the Agreement (including fees and disbursements of its counsel) and to payment of any moneys, other than Loan Repayments, due and owing the Issuer or the Issuer's Agents under the Agreement. The balance of such moneys, less such amounts as the Trustee shall determine may be needed for use in paying future fees and expenses of the Trustee, the Issuer and the Issuer's Agents, shall be deposited by the Trustee in the Bond Fund, provided, however, that all Available Moneys shall be used to pay principal of and interest on the Bonds, prior to the use of other moneys in the Bond Fund, and for no other purpose, and provided further that the proceeds of a draft drawn under the Credit Facility may be applied only to the payment of principal of, premium, if any, to the extent covered by the Credit Facility, and interest on Bonds other than Pledged Bonds. Moneys in the Bond Fund shall be applied as follows:

(a) Unless the principal of all Bonds shall have become or been declared due and payable, all such moneys shall be applied:

First - To the payment of all installments of interest then due on the Bonds in order of maturity of such installments of interest and, if the amount available shall not be sufficient to pay in full any particular installment, then to the ratable payment of the amounts due on such installment; and

Second - To the payment of the unpaid principal of any of the Bonds which shall have become due (other than Bonds called for redemption for the payment of which moneys are held pursuant to this Indenture), in the order of their due dates, with interest on such Bonds from the respective dates upon which they became due (at the rate borne by the Bonds to the extent permitted by law) and, if the amount available shall not be sufficient to pay in full Bonds due on any particular date, together with such interest, then to the ratable payment of the amounts due on such date.

(b) If the principal of all the Bonds shall have become or been declared due and payable, all such moneys shall be applied to the payment of the principal and interest then due and unpaid upon the Bonds outstanding, without preference or priority as

between (i) principal or interest, (ii) installments of interest or (iii) Bonds, ratably according to the amounts due respectively for principal and interest to the persons entitled thereto.

(c) If the principal of all Bonds shall have been declared due and payable, and if such declaration shall thereafter have been annulled under this Article, then, subject to paragraph (b) of this Section in the event that the principal of all the Bonds shall later become or be declared due and payable, the moneys shall be applied in accordance with paragraph (a) of this Section.

Whenever moneys are to be applied pursuant to this Section, such moneys shall be applied at such times, and from time to time, as the Trustee shall determine, having due regard to the amount of such moneys available for application, the likelihood of additional moneys becoming available for such application in the future, and potential fees, costs and expenses relating to the exercise of any remedy or right conferred on the Trustee by this Indenture. Whenever the Trustee shall apply such moneys, it shall fix the date (which shall be an Interest Payment Date unless it shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date, and shall not be required to make payment to the holder of any unpaid Bond until such Bond shall be presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

Section 8.07. Termination of Proceedings. In case the Trustee or the Bondholders, as provided herein, shall have proceeded to enforce any right under this Indenture and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer, the Obligor, the Bank and the Bondholders shall be restored to their former positions and rights hereunder and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken except as modified by such proceedings.

Section 8.08. Waivers of Events of Default. To the extent not precluded by this Indenture, the Trustee shall waive any Event of Default, other than an Event of Default described under Section 8.01(a), (e), (f) or (g) hereof, at the direction of the Bank and annul any declaration of maturity of principal, and in case of any such waiver or rescission, the Issuer, the Obligor, the Bank and the Bondholders shall be restored to their former positions and rights hereunder respectively, but no such waiver shall extend to or affect any subsequent or other Event of Default, or impair any right consequent thereon. Furthermore, the Trustee shall waive an Event of Default only if the Credit Facility is in full force and effect and has been reinstated in full. Notwithstanding anything to the contrary herein other than Section 12.01, the Trustee shall not waive any Event of Default described under Section 8.01(b), (c), or (d) unless agreed to in writing by the Bank (which consent may be granted or withheld in the Bank's sole discretion), and no declaration of maturity of principal made by the Trustee at the direction of the holders of 25% or more of the aggregate principal amount of the Bonds then outstanding shall be annulled or the underlying Event of Default waived by the Trustee without the consent of at least 51% of such Bondholders. No such waiver or annulment may be made by the Trustee unless prior to

such waiver or annulment all arrears of interest or all arrears of payment of principal then due, as the case may be, together with interest (to the extent permitted by law) on overdue principal and interest, at the applicable rate of interest borne by the Bonds, and all fees, costs and expenses of the Trustee shall have been paid or provided for.

No delay or omission to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default or acquiescence therein; and every such right and power may be exercised from time to time and as often as may be deemed expedient.

Section 8.09. Trustee and Issuer Required to Accept Actions and Directions of Obligor and the Bank. The Issuer and Trustee acknowledge that certain actions or failures to act by the Obligor under this Indenture may create or result in an Event of Default under the Indenture and the Issuer hereby agrees that the Obligor or the Bank may perform (but shall not be required to perform) any and all acts or take such action as may be necessary for and on behalf of the Issuer to prevent or correct such Event of Default and the Trustee agrees that it shall take or accept such performance by the Obligor or the Bank as performance by the Issuer in such event.

Whenever after a reasonable request by the Obligor or the Bank, the Issuer shall fail to direct or to require the Trustee to take any other action which the Issuer is required to have the Trustee take pursuant to the Agreement or this Indenture, the Obligor or the Bank instead of the Issuer may so direct or require the Trustee to take any such action, and the Trustee is hereby irrevocably empowered and directed to accept such direction from the Obligor or the Bank as sufficient for all purposes of this Indenture. The Obligor or the Bank shall have the direct right to cause the Trustee to comply with its obligations under the Indenture to the same extent that the Issuer is empowered so to do.

ARTICLE 9
THE TRUSTEE AND THE REMARKETING AGENT

Section 9.01. Acceptance of Trust and Conditions Thereof. The Trustee hereby agrees to perform the duties assigned to it in this Indenture, but only upon and subject to the following express terms and conditions:

(a) The Trustee, prior to the occurrence of an Event of Default and after the curing of all Events of Default which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and shall be responsible only for its gross negligence or willful misconduct and no implied covenants or obligations shall be read into this Indenture against it. In case an Event of Default has occurred (which has not been cured or waived), the Trustee shall perform its duty to draw on the Credit Facility as specified in this Indenture and the Trustee shall exercise such of the other rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent man would exercise or use in the circumstances in the conduct of his own affairs.

(b) The Trustee may execute any of the trusts or powers hereof and perform any of its duties by or through attorneys, agents, receivers or employees, but shall be answerable for the conduct of the same according to the standards specified herein, and shall be entitled to the advice of counsel concerning all matters of trust hereof and its duties hereunder, and may in all cases pay such reasonable compensation to all such attorneys, agents, receivers and employees as may reasonably be employed in connection with the trusts hereof. The Trustee may act upon the opinion or advice of any Counsel, accountants, engineers, surveyors, architects, or such other professionals as the Trustee deems necessary and selected by it in the exercise of reasonable care. The Trustee shall not be responsible for any loss or damage resulting from any action or non-action in good faith in reliance upon such opinion or advice.

(c) The Trustee shall not be responsible for any recital herein, or in the Bonds (except in respect of the certificate of the Trustee endorsed on the Bonds), or for the recording, rerecording, filing or refiling of any documents relating to the Security or any financing statements or continuation statements or for insuring the Security or collecting any insurance proceeds, or for the validity of the execution by the Issuer of this Indenture or of any supplements hereto or instruments of further assurance, or for the sufficiency of the security for the Bonds issued hereunder or intended to be secured hereby or for the value or title of the property herein conveyed or otherwise as to the maintenance of the Security hereof; but the Trustee may require of the Issuer or the Obligor full information and advice as to the performance of the covenants, conditions and agreements aforesaid as to the condition of the Project. The Trustee shall have no obligation to perform any of the duties of the Issuer under the Agreement. The Trustee shall not be responsible or liable for any loss suffered in connection with any investment of funds made by it in accordance with Section 7.01 or 7.02 hereof except for the safekeeping of the securities in which said funds are invested and the collection of interest thereon. Except during the continuance of an Event of Default, the Trustee shall be obligated to perform such duties and only such duties as are

specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee.

(d) The Trustee shall not be accountable for the use of any Bonds authenticated or delivered hereunder after such Bonds shall have been delivered in accordance with instructions of the Issuer. The Trustee may become the owner of the Bonds secured hereby with the same rights which it would have if not Trustee. To the extent permitted by law, such bank or trust company may also receive tenders and purchase in good faith Bonds from itself, including any department, affiliate or subsidiary, with like effect as if it were not the Trustee.

(e) The Trustee shall be protected in acting upon any notice, request, consent, certificate, order, affidavit, letter, telegram or other paper or document believed to be genuine and correct and to have been signed or sent by the proper person or persons. Any action taken by the Trustee pursuant to this Indenture upon the request or authority or consent of any person who at the time of making such request or giving such authority or consent is the owner of any Bond, shall be conclusive and binding upon all future owners of the same Bond and upon Bonds issued in exchange therefor or in place thereof.

(f) As to the existence or non-existence of any fact or as to the sufficiency or validity of any instrument, paper or proceeding, the Trustee shall be entitled to rely upon any one or more of the following as sufficient evidence of the facts therein contained: (i) a certificate of the Issuer signed by an officer of the Issuer or any other duly authorized person (such authority to be conclusively evidenced by an appropriate resolution of the Governing Body) or (ii) a certificate signed by the Obligor or (iii) a certificate signed by an authorized officer on behalf of the Bank. Prior to the occurrence of an Event of Default of which the Trustee has been notified as provided in subsection (h) of this Section, or of which by said subsection it is deemed to have notice pursuant to the provisions of said subsection (h), the Trustee, shall also be at liberty to accept a similar certificate to the effect that any particular dealing, transaction or action is necessary or expedient, but may at its discretion secure such further evidence deemed necessary or advisable, but shall in no case be bound to secure the same. The Trustee may accept a certificate of an officer of the Issuer to the effect that a resolution in the form therein set forth has been adopted by the Issuer as conclusive evidence that such resolution has been duly adopted, and is in full force and effect.

(g) The permissive right of the Trustee to do things enumerated in this Indenture shall never be construed as a duty. When an Event of Default has occurred or is continuing, the Trustee shall only be responsible for the performance of the express duties outlined herein and it shall not be liable for any action reasonably taken or omitted to be taken by it in good faith or be responsible other than for its own gross negligence or willful default in the performance of those express duties.

(h) The Trustee shall not be required to take notice or be deemed to have notice of any Event of Default hereunder (except in the event of a default under Section 8.01(a), (d), (e) or (g)) unless the Trustee shall be specifically notified in writing of such Event of Default by the Bank, the Issuer or by the holders of not less than 25% in principal

amount of the Bonds then outstanding, and in the absence of such notice the Trustee may conclusively assume there is no Event of Default except as aforesaid.

(i) The Trustee shall not be individually liable for any debt contracted or for damages to persons or to personal property injured or damaged, or for salaries or non-fulfillment of contracts during any period in which it may be in the possession of or managing the real and tangible personal property as provided in this Indenture.

(j) At any and all reasonable times upon 3 Business Days' notice the Trustee and its duly authorized agents, attorneys, experts, engineers, accountants and representatives, shall have the right to inspect fully any of the Project, all books, papers and records of the Issuer pertaining to the Project, the Credit Facility and the Bonds, and to take such memoranda from and in regard thereto as may be desired.

(k) The Trustee shall not be required to give any bond or surety in respect of the execution of the said trusts and powers enumerated herein or otherwise in respect to the premises.

(l) Notwithstanding anything contained elsewhere in this Indenture, the Trustee shall have the right, but shall not be required, to demand, in respect of the authentication of any Bonds, the withdrawal of any cash, the release of any property, or any action whatsoever within the purview of this Indenture, any showings, certificates, opinions, appraisals or other information, or corporate action or evidence thereof, in addition to that required by the terms hereof as a condition of such action by the Trustee deemed desirable for the purpose of establishing the right of the Issuer to the authentication of any Bonds, the withdrawal of any cash, or the taking of any other action by the Trustee.

(m) All moneys received by the Trustee or any paying agent shall, until used or applied or invested as provided herein, be held in trust for the purposes of which they were received but need not be segregated from other funds except to the extent required by law or this Indenture.

(n) The Trustee is under no obligation or duty to risk any of its funds or other assets in performing its duties hereunder.

(o) Except for making any draws on the Credit Facility, the Trustee shall not be liable for any action taken hereunder at the direction of the requisite percentage of Bondholders or the Bank, except liability which is adjudicated to have resulted from its own gross negligence or willful default by reason of any action so taken.

(p) If the Trustee receives different or conflicting instructions or directions from more than one group of Bondholders, each of which is provided in accordance with this Indenture, the Trustee shall act in accordance with the instructions or directions provided by the group of Bondholders representing the largest aggregate principal amount of Bonds then outstanding.

(q) The Trustee shall have no responsibility to examine or review and shall have no liability for the contents of any documents submitted to or delivered to any

Bondholder in the nature of an official statement or offering circular, preliminary or final (except to the extent of any description of the Trustee itself or the location of its office).

(r) Absent its receipt of written notification from the Issuer within 10 Business Days following written inquiry to an authorized officer of the Issuer regarding any sums owed to the Issuer and the Issuer's Agents, the Trustee shall be entitled to conclusively presume that there are no sums owing to any such party and shall also be entitled to release any and all funds held hereunder on such date as if such Issuer or Issuer's Agents each had no sums owing to it under the terms of this Indenture.

(s) No provisions of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) This subsection shall not be construed to affect the limitation of the Trustee's duties and obligations which are set forth specifically in this Indenture or the Trustee's right to rely on the truth of statements and the correctness of opinions as provided in Section 9.01(f) hereof;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by any one of its officers, unless it shall be established that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of at least a majority in aggregate principal amount of the Bonds then outstanding relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture, as provided in Section 8.05 hereof; and

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that payment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(t) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 9.01.

Section 9.02. Funds to be Held in Trust; Bond Registrar and Trustee. The Trustee shall hold all sums received hereunder in the Project Fund and the Bond Fund as special trust funds for the purposes specified in this Indenture and for the benefit and security of the Holders of the Bonds and, except as provided in Section 7.01 hereof, shall not be accountable for interest thereon. The Trustee shall be bond registrar and paying agent for principal and interest on the Bonds. The Trustee shall maintain a bond register in which shall be recorded the names and addresses of all of the Holders, from time to time, of the Bonds.

Section 9.03. Resignation of Trustee. The Trustee may resign by giving not less than 60 days' written notice to the Obligor, the Bank and the Issuer specifying the date when such resignation shall take effect, and such resignation shall take effect upon the date specified in such notice provided a successor trustee has been appointed, unless previously a successor shall have been appointed, as provided in Section 9.05, in which event such resignation shall take effect immediately on the appointment and acceptance of such successor, provided further that if a successor trustee shall not have been appointed the Trustee may petition a court of competent jurisdiction to appoint a successor trustee.

Section 9.04. Removal of Trustee. The Trustee shall be removed and a successor Trustee may be appointed at any time by a written instrument or concurrent instruments removing the Trustee and naming a successor Trustee, filed with the Trustee, the Bank, the Issuer and the Obligor, and signed by the Holders of a majority in principal amount of the outstanding Bonds. In addition, as long as the Obligor is not in default under the Agreement, the Obligor, upon 60 days' notice to the Trustee, shall have the right to remove the Trustee and to name a successor acceptable to the Issuer by an instrument in writing filed with the Issuer and the Trustee. The removal of the Trustee shall not become effective until a successor Trustee has been appointed and has accepted such appointment.

Section 9.05. Appointment of and Transfer to Successor Trustee; Appointment of Co-Trustee. If the Trustee shall resign or shall become incapable of acting, or shall be adjudged bankrupt or insolvent, or if a receiver, liquidator or conservator of the Trustee, or of its property, shall be appointed, or if any public officer shall take charge or control of the Trustee, or of its property or affairs, the Issuer shall, within 60 days of receipt of notice thereof, appoint a successor Trustee acceptable to the Obligor, provided the Obligor is not in default. At any time, the Trustee may substitute any affiliate, subsidiary, or successor in interest after a merger or consolidation in any and all capacities to which it is appointed hereunder as long as the entity so substituted is qualified to accept such appointment pursuant to all applicable statutory and regulatory requirements, and any requirements contained in this Indenture. The rights, duties and substitution of the Trustee shall be governed by and construed in accordance with the laws of the State. If the Trustee substitutes an affiliate or subsidiary as Trustee or consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation or other entity entitled to conduct said trustee business under applicable law ("successor"), the successor without any further act shall be the successor of the Trustee hereunder, without the execution or filing of any paper or any further act on the part of any of the parties hereto, anything to the contrary contained herein notwithstanding.

If at any time during the term of the Credit Facility a successor Trustee shall be appointed and qualified under this Indenture and the Credit Facility is not transferable to the successor Trustee, the resigning Trustee shall request from the Bank a new Credit Facility identical to the prior Credit Facility but addressed to and running in favor of the successor Trustee for the benefit of the holders of the Bonds, and the resigning Trustee shall continue to serve as Trustee hereunder until such time as the new Credit Facility is delivered to the successor Trustee. If the resigning Trustee fails to make this request, the successor Trustee shall do so before accepting its appointment. Upon issuance of the new Credit Facility to the successor Trustee, the prior Credit Facility shall be returned and canceled, and the new

Credit Facility shall thereafter be subject to all of the provisions hereunder relating to the Credit Facility and shall be deemed for all purposes hereunder the Credit Facility.

If the Trustee deems it reasonable and necessary to appoint a Co-Trustee to assist in the exercise of the powers and duties hereunder, such a trustee as may be acceptable to the Bank may be appointed by the Trustee. Any successor Trustee or Co-Trustee shall be a trust company or bank authorized to exercise trust powers in good standing, within (in the case of a Co-Trustee) or outside the State, acceptable to the Obligor, provided the Obligor is not in default, and having total reported capital funds of not less than \$40,000,000 if there be such an institution willing, qualified and able to accept the trust upon reasonable and customary terms.

Any successor Trustee or Co-Trustee appointed hereunder shall execute and deliver to its predecessor, the Issuer and the Obligor an instrument in writing accepting such appointment and thereupon shall become fully vested with all the powers and duties under this Indenture. The Trustee, if it ceases to act as Trustee, shall execute, acknowledge and deliver such instruments of conveyance and further assurance and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor Trustee all the trusts, powers and duties under this Indenture and any property held by it under this Indenture and shall, after all amounts owing to the Trustee have been paid in full, pay over, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions herein set forth.

Section 9.06. Instruments of Bondholders. Any instrument required by this Indenture to be executed by the Bondholders may be in any number of writings of similar tenor and may be executed by such Bondholders in person or by agent appointed in writing. Proof of the execution of any such instrument or of the writing appointing any such agent by means of a certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such writing acknowledged before him the execution thereof shall be sufficient for any of the purposes of this Indenture.

Section 9.07. Indemnification to Trustee. Before taking any action within the scope of this Indenture, the Trustee may require from the party requesting such action that a satisfactory indemnity bond or reasonable assurance be furnished for the reimbursement of all fees, costs and expenses to which it may be put and to protect it against all liability, except liability which is adjudicated to have resulted from a breach of its obligations under the Indenture by reason of any action so taken; provided, however, that this Section shall not apply with respect to any action required to be taken by the Trustee hereunder in connection with any drawing under the Credit Facility, including any actions which are conditions precedent to a drawing on the Credit Facility, the making of any payment to Bondholders, effecting any mandatory tender or redemption of Bonds hereunder or declaring an acceleration of maturity of principal and interest on the Bonds.

Section 9.08. Compensation. The Obligor shall pay to the Trustee reasonable compensation for all services rendered by it hereunder and all advances, Counsel fees and other expenses reasonably made or incurred hereunder. In default of such payment by the

Obligor, the Trustee may deduct such payments from any moneys coming into its hands (except proceeds from a drawing on the Credit Facility, proceeds held in the Bond Fund representing moneys which are set aside for the payment of Bonds which are already due and payable but which Bonds have not yet been presented for payment and moneys on deposit in the Purchase Fund) and shall be entitled to a preference in payment over any of the Bonds Outstanding hereunder. When the Trustee incurs expenses or renders services after the occurrence of an Act of Bankruptcy with respect to the Issuer or the Obligor, the expenses and the compensation for the services are intended to constitute expenses of administration under any federal or state bankruptcy, insolvency, arrangement, moratorium, reorganization or other debtor relief law.

Section 9.09. Advances to Cure Defaults. If the Issuer shall fail to perform any of the covenants or agreements contained in this Indenture, the Trustee may, in its uncontrolled discretion and without notice to the Holders, at any time and from time to time, make advances to effect performance of the same on behalf of the Issuer, but the Trustee shall be under no obligation to do so; and any and all moneys paid or advanced by the Trustee for any such purpose, together with interest thereon at the rate of interest announced publicly by the bank serving as Trustee from time to time as its “prime” or “base” rate, plus three percent (3%), but not in excess of the maximum per annum rate allowed by law, shall be repaid (but only from the Security but not from proceeds of a draw on the Credit Facility) by the Issuer immediately upon demand therefor, and until such payment by the Issuer shall be a lien in favor of the Trustee upon the Security, but not from proceeds of a draw on the Credit Facility; but no such advance shall operate to relieve the Issuer from any default hereunder.

Section 9.10. Construction of Indenture. The Trustee may construe any of the provisions of this Indenture insofar as the same may appear to be ambiguous or inconsistent with any other provisions hereof; and any construction of any such provisions hereof by the Trustee in good faith shall be binding upon the Holders.

Section 9.11. Remarketing Agent. The Issuer, at the request of the Obligor, hereby appoints Comerica Securities as initial Remarketing Agent to act in connection with the remarketing of Bonds as provided in this Indenture. The Obligor shall appoint any successor Remarketing Agent subject to the conditions set forth in this Section 9.11. The Remarketing Agent shall enter into the Remarketing Agreement accepting its duties and obligations hereunder, copies of which shall be delivered to the Trustee, and shall designate its principal office to the Issuer and the Trustee in said Remarketing Agreement or by separate written instrument delivered to such parties.

Any successor Remarketing Agent must be an institution acceptable to the Bank and rated at least “Baa3” by Moody’s (or Moody’s shall have provided written evidence that such successor Remarketing Agent is otherwise acceptable to Moody’s) if the Bonds are then rated by Moody’s and at least “BBB-” or “A3” by S&P (or S&P shall have provided written evidence that such successor Remarketing Agent is otherwise acceptable to S&P) if the Bonds are then rated by S&P, and authorized by law to undertake and perform all the duties imposed upon it by this Indenture.

The Remarketing Agent may at any time resign and be discharged of the duties and obligations created by this Indenture by giving at least 30 days' notice to the Issuer, the Bank, the Obligor and the Trustee. The Remarketing Agent may be removed at any time at the direction of the Obligor by an instrument signed by the Obligor and filed at least 30 days prior to such removal with the Remarketing Agent, the Bank, the Issuer and the Trustee. No removal or resignation hereunder shall become effective prior to the acceptance of appointment of a successor Remarketing Agent hereunder.

In the event that the Obligor shall fail to appoint a Remarketing Agent hereunder, or in the event that the Remarketing Agent shall resign or be removed, or be dissolved, or if the property or affairs of the Remarketing Agent shall be taken under the control of any state or federal court or administrative body because of bankruptcy or insolvency, or for any other reason, and the Obligor shall not have appointed its successor as Remarketing Agent, the Trustee, notwithstanding the provisions of the first paragraph of this Section, shall ipso facto be deemed to be the Remarketing Agent for all purposes of this Indenture until the appointment by the Obligor of the Remarketing Agent or successor Remarketing Agent, as the case may be; provided, however, that the Trustee, in its capacity as Remarketing Agent, shall not be required to remarket Bonds or to determine the interest rate on the Bonds except in the manner provided herein as appropriate.

By virtue of accepting appointment as such, the Remarketing Agent shall agree to comply with all federal and state securities laws in remarketing the Bonds. The Trustee has no obligation to supervise or monitor such compliance.

Section 9.12. Trustee as Tender Agent. Pursuant to Section 2.5 of the Agreement, the Issuer hereby appoints the Trustee to act as tender agent in connection with tenders of Variable Rate Bonds. The Trustee shall act as tender agent for the Obligor. The Trustee hereby agrees to act as tender agent only upon the terms and conditions set forth in this Indenture. It is understood and agreed by the Issuer and the Trustee that the Issuer has obtained the Trustee's agreement to act as tender agent pursuant to the Issuer's agreement to do so in the Agreement and that the Obligor and the Bank shall be beneficiaries of such agreement. It is further recognized, however, that provision for such tender agent will also benefit the Bondholders. Consequently, it is agreed that the Trustee's obligations as tender agent shall be enforceable by either the Obligor or the Bank, as the case may be. Nothing herein, however, shall be construed as a requirement that the Trustee prepare any form of notice to be provided hereunder.

Section 9.13. Patriot Act. To help the government fight the funding of terrorism and money laundering activities, Federal law (the USA Patriot Act, the "Patriot Act") requires all financial institutions to obtain, verify and record information that identifies each person who opens an account. For a non-individual person such as a business entity, a charity, a trust or other legal entity, the Trustee will ask for documentation to verify such entity's formation and existence as a legal entity. The Trustee may also ask to see financial statements, licenses, identification and authorization documents from individuals claiming authority to represent the entity or other relevant documentation. The Issuer hereby agrees and the Obligor agrees in the Loan Agreement to cooperate with the Trustee by providing all such information requested by the Trustee in order to allow the Trustee to comply with the

Patriot Act.

SUPPLEMENTAL INDENTURES

Section 10.01. Supplemental Indentures Not Requiring Consent of Bondholders. The Issuer and the Trustee may without consent of or notice to any of the Bondholders but with the consent of the Obligor and the Bank (which consent may be granted or withheld in the Bank's sole discretion) enter into a supplemental indenture as shall not be inconsistent with the terms and provisions hereof for any one or more of the following purposes:

(i) To cure any ambiguity or formal defect or omission in this Indenture;

(ii) To grant to or confer upon the Trustee, with its consent for the benefit of the Bondholders, any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Bondholders or Trustee;

(iii) To grant or pledge any additional security to the Trustee for the benefit of the Bondholders;

(iv) To modify, amend or supplement this Indenture or any indenture supplemental thereto in such manner as to permit the qualification hereof under the Trust Indenture Act of 1939, as amended, or any similar federal statute then in effect or to permit the qualification of the Bonds for sale under the securities laws of any of the states of the United States;

(v) To make any change requested by the Rating Agencies necessary to obtain, maintain or improve the rating on the Bonds, except for changes requiring 100% consent of the Holders under Section 10.02 hereof;

(vi) To provide for the issuance of Additional Bonds under Section 1.12 of this Indenture; and

(vii) To make any other change which, in the judgment of the Trustee acting in reliance upon an opinion of Counsel, is not to the prejudice of the Trustee or holders of the Bonds;

(viii) To change the Maximum Rate applicable to Variable Rate Bonds; and

(ix) To make changes necessary to facilitate the conversion of the Bonds to the Daily Rate, the Weekly Rate or the Fixed Rate.

Section 10.02. Supplemental Indentures Requiring Consent of Bondholders.

Exclusive of supplemental indentures covered by Section 10.01, the Bank and the Holders of not less than a majority of the principal amount of outstanding Bonds shall have the right to consent to and approve the execution by the Issuer and the Trustee of other

supplemental indentures; provided, however, that nothing contained in this Section shall permit (i) an extension of the maturity of the principal of or the interest on any Bond issued hereunder, (ii) a reduction in the principal amount of any Bond or the rate of interest thereon, (iii) a privilege or priority of any Bond or Bonds over any other Bond or Bonds, (iv) amendment of Articles 10 or 11 hereof, or (v) changes to the Indenture which would change the requirements of the Credit Facility or Substitute Credit Facility while the Bonds bear interest as Fixed Rate Bonds except upon the written consent of the Bank, the Obligor and the Holders of 100% of the principal amount of Bonds Outstanding.

The Trustee shall give written notice of the proposed execution of a supplemental indenture by mail to the Obligor and the last known holders of the outstanding Bonds then shown on the bond register. Such notice shall briefly set forth the nature of the proposed supplemental indenture and shall state that copies thereof are on file at the designated corporate trust office of the Trustee for inspection by Bondholders. If, within 60 days or such longer period as shall be prescribed by the Trustee following the mailing of such notice, the Holders of not less than a majority, or 100% if applicable, of the principal amount of the Bonds outstanding by instruments filed with the Trustee shall have consented to the adoption thereof, such supplemental indenture may be executed and the Indenture shall be deemed to be modified and amended in accordance herewith.

Anything herein to the contrary notwithstanding, a supplemental indenture under this Article 10 which affects any rights of the Obligor or of the Bank shall not become effective unless and until the Obligor, so long as an Event of Default under this Indenture has not been caused by the Obligor which is continuing at the time, or the Bank, as applicable, shall have consented to the adoption of such supplemental indenture.

ARTICLE 11
AMENDMENT OF AGREEMENT AND CREDIT FACILITY

Section 11.01. Amendments to Agreement and Credit Facility Not Requiring Consent of Bondholders. The Issuer and the Trustee, without the consent of or notice to the Bondholders but with the prior written consent of the Bank (which consent may be granted or withheld in the Bank's sole discretion) and the Obligor, may consent to any amendment of the Agreement and the Credit Facility as may be required (i) by the provisions of the Agreement, the Credit Facility or the Indenture, (ii) for the purpose of curing any ambiguity or formal defect or omission which in the judgment of the Trustee acting in reliance upon opinion of Counsel, is not prejudicial to the rights of the Bondholders or the Trustee, (iii) to grant or pledge to the Trustee for the benefit of the Bondholders any additional security, (iv) to make any change requested by the Rating Agencies necessary to obtain, maintain or improve the rating on the Bonds, or (v) in connection with any other change therein which, in the judgment of the Trustee acting in reliance upon an opinion of Counsel, is not to the prejudice of the Trustee or the holders of the Bonds.

Section 11.02. Amendments to Agreement and Credit Facility Requiring Consent of Bondholders. Except for amendments to the Agreement and the Credit Facility covered by Section 11.01 hereof, neither the Issuer nor the Trustee shall consent to any other amendment of the Agreement or to any amendment of the Credit Facility without written notice to the Holders of the Bonds and written approval or consent of the Bank (which consent may be granted or withheld in the Bank's sole discretion) and the Obligor and the Holders of not less than a majority in the aggregate principal amount of the Bonds at the time outstanding given and procured as herein provided. If at any time the Issuer and the Obligor shall request the consent of the Trustee to any such proposed amendment of the Agreement or the Credit Facility, the Trustee shall, upon being satisfactorily indemnified with respect to fees, costs and expenses, cause notice of such proposed amendment to be given in the same manner as provided herein with respect to supplemental indentures. Such notice shall briefly set forth the nature of such proposed amendment and shall state that copies of the instrument embodying the same are on file at the designated corporate trust office of the Trustee for inspection by all Bondholders. If within 60 days or such longer period as shall be prescribed by the Trustee following the mailing of such notice, the Holders of not less than a majority in aggregate principal amount of the Bonds outstanding at the time of execution of any such amendment of the Agreement or the Credit Facility shall have consented to and approved the execution thereof as herein provided, no Holder of any Bond shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof or to enjoin or restrain the Obligor or the Issuer from executing the same or from taking any action pursuant to the provisions thereof. Upon the execution of any such amendment of the Agreement or the Credit Facility in this Section 11.02 permitted and provided and which shall have been agreed to in writing by the Bank and the Obligor, the Agreement or the Credit Facility shall be deemed to be amended in accordance therewith.

Registered Owner: CEDE & CO.

Principal Amount: FIVE MILLION DOLLARS AND NO CENTS (\$5,000,000)

The City of West Allis, Wisconsin (the “Issuer”) for value received hereby promises to pay from the source and, as hereinafter provided, to the Registered Owner specified above, or registered assigns, the Principal Amount specified above on the Date of Maturity specified above, unless redeemed prior thereto as hereinafter provided, upon the presentation and surrender hereof at the designated corporate trust office of U.S. Bank

National Association or its successor (the "Trustee"), and to pay interest on the unpaid principal balance hereof at the applicable Variable Rate per annum (as hereinafter defined) from the Date of Original Issue specified above or such later date to which interest has been paid, until paid. Interest shall be computed on the basis of a year of 365 or 366 days, as applicable, and the actual number of days elapsed. Interest shall be payable on the first Business Day of each month, commencing May 3, 2010, by check or draft mailed by the Trustee to the person or entity which is, as of the Record Date (as hereinafter defined) the registered owner as shown in the registration books of the Issuer maintained by the Trustee as the registered owner of this bond; provided, that if a registered owner owns Variable Rate Bonds (as hereinafter defined) in an aggregate principal amount of \$500,000 or more, such registered owner may, by written request to the Trustee made at least 5 days prior to a Record Date, request that payment of interest be made by wire transfer to the domestic bank account designated in the request.

This bond is one of an authorized series of bonds issued in the aggregate principal amount of \$5,000,000 (the "Bonds"), for the purpose of making a loan (the "Loan") of the full principal amount of the Bonds to Cleveland Gear Company, Inc., a Delaware corporation, (the "Obligor"), in accordance with the Loan Agreement between the Obligor and the Issuer, dated as of April 1, 2010 (the "Loan Agreement"), to enable the Obligor to acquire land, construct and equip a new manufacturing facility thereon (the "Project") in the City of West Allis, Wisconsin, to promote the right to gainful employment, business opportunities and general welfare of its inhabitants and to pursue and enhance the tax base of the City of West Allis, Wisconsin.

The Bonds are issued pursuant to and in full compliance with the Constitution and laws of the State of Wisconsin (the "State"), particularly Section 66.1103 of the Wisconsin Statutes (the "Act"), and pursuant to a resolution of the Board of the Issuer (the "Resolution"). The Bonds and the premium, if any, and interest thereon shall never constitute a debt or indebtedness of the State or the Issuer within the meaning of any constitutional or statutory limitation and shall never constitute or give rise to a pecuniary liability of the Issuer or a charge against the credit, funds or assets of the State or the general credit of the Issuer or the taxing powers of the State, but shall be a limited obligation of the Issuer payable solely from and secured solely by the "Security," all as defined and provided in the Resolution and the Trust Indenture (the "Indenture"), dated as of April 1, 2010, from the Issuer to the Trustee for the equal and ratable benefit of the registered owners of the Bonds.

THE BONDS ARE LIMITED OBLIGATIONS OF THE ISSUER. THE PRINCIPAL OF AND INTEREST ON THE BONDS ARE PAYABLE SOLELY OUT OF THE REVENUES DERIVED UNDER THE LOAN AGREEMENT AND THE SECURITY. THE BONDS ARE NOT AN INDEBTEDNESS OF THE ISSUER, WITHIN THE MEANING OF ANY STATE CONSTITUTIONAL PROVISION OR STATUTORY LIMITATION. THE BONDS ARE NOT A CHARGE AGAINST THE ISSUER'S GENERAL CREDIT OR TAXING POWERS OR A PECUNIARY LIABILITY OF THE ISSUER UNDER THE ACT.

Under the Loan Agreement, the Obligor is obligated to repay the Loan by making payments at such times and in such amounts (the "Loan Repayments") as shall be required to pay the principal of, premium, if any, and interest on the Bonds as the same become due.

As security for the Loan Repayments payable by the Obligor under the Loan Agreement, the Obligor has caused to be delivered to the Trustee an irrevocable letter of credit (the "Credit Facility") of KeyBank National Association (the "Bank"). The Trustee is instructed in the Indenture to draw under the Credit Facility up to the sum of (a) the principal amount of the Bonds (i) to enable the Trustee to pay the principal amount of the Bonds when due at maturity, by acceleration of maturity or otherwise or upon redemption or (ii) to enable the Trustee to pay the portion of the Purchase Price (as defined below) of Bonds delivered to the Trustee and not remarketed by Comerica Securities, as Remarketing Agent (the "Remarketing Agent"), equal to the principal amount of such Bonds, plus (b) an amount equal to 45 days' (or if required pursuant to Section 2.08 of the Indenture, 210 days') interest on the Bonds calculated at the Maximum Rate (as defined in the Indenture) to enable the Trustee to pay interest on the Bonds, plus (c) premium, if any, on the Bonds, only if the Bank has increased the stated amount of the Credit Facility to include such premium. The Credit Facility expires no later than _____.

To provide for the issuance of the Credit Facility, the Obligor has entered into a Reimbursement Agreement dated as of April 1, 2010 (the "Reimbursement Agreement") with the Bank pursuant to which the Obligor is obligated to reimburse the Bank for all drawings made under the Credit Facility.

The Security includes the Credit Facility and a security interest in the Loan Agreement and the Loan Repayments and in any other moneys held by the Trustee under the Indenture. Under the terms of the Indenture, the Obligor has the right to provide a Substitute Credit Facility.

The Indenture, the Loan Agreement and the Credit Facility are on file with the Trustee at the designated corporate trust office of the Trustee. Reference is hereby made to the Indenture, the Loan Agreement and the Credit Facility for definitions of capitalized terms not defined herein, and for a description of the Security and for the provisions, among others, with respect to the rights, duties and obligations of the Issuer, the Obligor, the Trustee, the Remarketing Agent, the Bank and the registered owners of the Bonds, and the terms upon which the Bonds are issued.

I. INTEREST RATES ON BONDS

Prior to the Fixed Rate Conversion Date (as hereinafter defined), the Bonds shall bear interest at a Daily Rate (such Bonds are referred to as "Daily Rate Bonds") or a Weekly Rate (such Bonds are referred to as "Weekly Rate Bonds"). Daily Rate Bonds and Weekly Rate Bonds are collectively referred to as "Variable Rate Bonds." Upon the initial execution and delivery of the Bonds, the Bonds shall be Weekly Rate Bonds.

Weekly Rate Bonds

(a) The Bonds shall bear interest at the Weekly Rate from the date of initial execution and delivery of the Bonds or a subsequent Weekly Rate Conversion Date to and including the earlier of the day preceding its redemption, the succeeding Conversion Date or the Maturity Date. The initial Weekly Rate for the Bonds effective on the initial execution and delivery of the Bonds and on any Weekly Rate Conversion Date shall be established by the Remarketing Agent in accordance with the Indenture.

(b) On each Interest Determination Date with respect to any Weekly Rate Bonds, the Remarketing Agent shall determine the interest rate to be borne on the Weekly Rate Bonds, which rate shall be that rate of interest which is the minimum rate of interest per annum which, in the opinion of the Remarketing Agent, would be necessary to remarket the Bonds in a secondary market transaction on the next succeeding Weekly Rate Adjustment Date at a price equal to 100% of the principal amount thereof plus accrued interest thereon, if any; provided, that the Weekly Rate so determined shall not exceed the Maximum Rate. The Remarketing Agent shall keep a written record of its method of determination of the interest rate to be borne on the Weekly Rate Bonds on each Interest Determination Date. The interest rate determined for Weekly Rate Bonds on any Interest Determination Date shall be effective from and including the immediately succeeding Weekly Rate Adjustment Date to but excluding the next succeeding Weekly Rate Adjustment Date.

(c) On each Interest Determination Date, the Remarketing Agent shall give notice of the Weekly Rate so determined by telephone (promptly confirmed in writing), e-mail or facsimile, to the Obligor, the Trustee and the Bank.

(d) If, by 5:00 p.m. Eastern prevailing time, on any Interest Determination Date, the Remarketing Agent has failed to determine the Weekly Rate, such Weekly Rate Bonds shall continue to bear interest at the Weekly Rate in effect for the immediately preceding Interest Period.

(e) If the Remarketing Agent notifies the Trustee in writing that for any reason the interest rate on the Variable Rate Bonds cannot be established, or the Trustee is notified in writing by either the Remarketing Agent or the Obligor that the interest rate on the Variable Rate Bonds has been held to be invalid or unenforceable by a court of competent jurisdiction for any period, the interest rate for such period shall be the SIFMA Municipal Index plus 50 basis points (.50%) as of the Interest Determination Date; provided however, in no event shall the interest rate exceed the Maximum Rate.

Daily Rate Bonds

(a) The Bonds shall bear interest at the Daily Rate from a Daily Rate Conversion Date to and including the earlier of the day preceding its redemption, the succeeding Conversion Date or the Maturity Date. The initial Daily Rate for the Bonds effective on any Daily Rate Conversion Date shall be established by the Remarketing Agent prior to the Daily Rate Conversion Date in accordance with the Indenture.

(b) By 9:30 a.m., Eastern prevailing time, on each Interest Determination Date with respect to any Daily Rate Bonds, the Remarketing Agent shall determine the interest rate to be borne on the Daily Rate Bonds, which rate shall be that rate of interest which is the minimum rate of interest per annum which, in the opinion of the Remarketing Agent, would be necessary to remarket the Bonds in a secondary market transaction on such Interest Determination Date at a price equal to 100% of the principal amount thereof plus accrued interest thereon, if any; provided, that the Daily Rate so determined shall not exceed the Maximum Rate. The Remarketing Agent shall keep a written record of its method of determination of the interest rate to be borne on the Daily Rate Bonds on each Interest Determination Date. The interest rate determined for Daily Rate Bonds on any Interest Determination Date shall be effective from and including such Interest Determination Date to but excluding the next succeeding Interest Determination Date.

(c) By 9:45 a.m., Eastern prevailing time, on each Interest Determination Date, the Remarketing Agent shall give notice of the Daily Rate so determined by telephone (promptly confirmed in writing), e-mail or facsimile, to the Obligor, the Trustee and the Bank.

(d) If, by 9:45 a.m. Eastern prevailing time, on any Interest Determination Date, the Remarketing Agent has failed to determine and give notice of the Daily Rate as provided in paragraphs (b) and (c) above, such Daily Rate Bonds shall continue to bear interest at the Daily Rate in effect for the immediately preceding Interest Period.

(e) If the Remarketing Agent notifies the Trustee in writing that for any reason the interest rate on the Variable Rate Bonds cannot be established, or the Trustee is notified in writing by either the Remarketing Agent or the Obligor that the interest rate on the Variable Rate Bonds has been held to be invalid or unenforceable by a court of competent jurisdiction for any period, the interest rate for such period shall be the SIFMA Municipal Index plus 50 basis points (.50%) as of the Interest Determination Date; provided, however, in no event shall the interest rate exceed the Maximum Rate.

“Weekly Rate Adjustment Date” means, with respect to a Weekly Rate Bond, Thursday of each week regardless of whether such Thursday is a Business Day.

II. CONVERSION OF INTEREST RATES ON BONDS

Conversion of Bonds Among Weekly Rate and Daily Rate

Prior to the Fixed Rate Conversion Date, the Obligor, on behalf of the Issuer and with the prior written approval of the Bank (which approval shall be governed by the Reimbursement Agreement), may elect to convert all (but not less than all) of the Bonds from the Weekly Rate to the Daily Rate, or from the Daily Rate to the Weekly Rate, in accordance with the provisions set forth below.

(a) To initiate a conversion from the Weekly Rate to the Daily Rate, the Obligor shall deliver to the Issuer, the Trustee, the Remarketing Agent and the Bank, at least 25 days prior to the Daily Rate Conversion Date, a certificate signed by an Authorized Obligor Representative which specifies: (i) that the Bonds are to be converted to the Daily Rate; and (ii) the Daily Rate Conversion Date (which shall be an Interest Payment Date for the Weekly Rate Bonds). Such Bonds shall be subject to mandatory tender for purchase on the Daily Rate Conversion Date.

(b) To initiate a conversion from the Daily Rate to the Weekly Rate, the Obligor shall deliver to the Issuer, the Trustee, the Remarketing Agent and the Bank, at least 25 days prior to the Weekly Rate Conversion Date, a certificate signed by an Authorized Obligor Representative which specifies: (i) that the Bonds are to be converted to the Weekly Rate; and (ii) the Weekly Rate Conversion Date (which shall be an Interest Payment Date for the Daily Rate Bonds). Such Bonds shall be subject to mandatory tender for purchase on the Weekly Rate Conversion Date.

(c) Not later than 20 days prior to the Daily Rate Conversion Date or Weekly Rate Conversion Date, as the case may be, the Trustee shall give written notice by registered or certified mail, return receipt requested, to all Holders of the Bonds being converted stating: (i) the Daily Rate Conversion Date or Weekly Rate Conversion Date, as applicable; (ii) that on the Daily Rate Conversion Date or Weekly Rate Conversion Date, the Bonds are subject to mandatory tender for purchase; (iii) that all Holders of such Bonds shall be deemed to have tendered such Bonds for purchase on the Daily Rate Conversion Date or Weekly Rate Conversion Date, as applicable, and such Bonds shall be deemed tendered if not delivered to the Trustee; and (iv) that if for any reason the conversion to the Daily Rate

or Weekly Rate does not occur, the Bonds will continue to be subject to mandatory tender for purchase on the proposed Daily Rate Conversion Date or Weekly Rate Conversion Date, as the case may be.

(d) In the event any condition precedent to a conversion of any Bond to the Daily Rate or the Weekly Rate is not fulfilled (including the establishment of a Daily Rate or Weekly Rate by the Remarketing Agent for the initial Interest Period of any Daily Rate Bond or Weekly Rate Bond), the Bonds shall continue to be subject to mandatory tender for purchase, shall not be converted, and shall continue to bear interest at the Weekly Rate or Daily Rate established for such Bonds immediately prior to the proposed Conversion Date (until a new interest rate is established in accordance with the provisions of the Indenture).

Conversion of Bonds to the Fixed Rate

(a) The Obligor, on behalf of the Issuer, with the prior written approval of the Bank (which approval may be granted or withheld in the Bank's sole discretion), and subject to the provisions of Section 2.08 hereof, may elect to convert all (but not less than all) of the Bonds to the Fixed Rate on any Daily Rate Interest Payment Date or Weekly Rate Interest Payment Date. To initiate such conversion, the Obligor shall deliver to the Issuer, the Trustee, the Remarketing Agent and the Bank at least 45 days prior to the Fixed Rate Conversion Date (i) an opinion of Bond Counsel to the effect that the proposed conversion will not, in and of itself, cause the interest on the Bonds to be includable in gross income of the holders thereof for federal income tax purposes, provided that Bond Counsel may assume that the interest on the Bonds was not includable in gross income for federal income tax purposes to the extent aforesaid immediately prior to the conversion, and (ii) a certificate signed by the Authorized Obligor Representative stating (1) that the Bonds shall be converted to Fixed Rate Bonds, (2) the Fixed Rate Conversion Date, (3) whether the existing Credit Facility or a Substitute Credit Facility shall be in full force and effect, or whether no Credit Facility will be provided, on and after the Fixed Rate Conversion Date and (4) whether in connection with the conversion the Bonds or portions thereof are to mature serially or be subject to mandatory sinking fund redemption subsequent to the Fixed Rate Conversion Date and, if so, specifying the serial maturity or mandatory sinking fund redemption amounts and dates. Following the Fixed Rate Conversion Date, the Bonds shall mature on the Fixed Rate Principal Payment Date in each year in serial maturities or be subject to mandatory sinking fund redemptions beginning on the first Fixed Rate Principal Payment Date occurring more than six months after the Fixed Rate Conversion Date and ending on the Fixed Rate Principal Payment Date occurring immediately prior to the expiration of the Credit Facility then securing the Bonds, or ending on the final maturity date if no Credit Facility is provided following the conversion, in amounts rounded to the nearest minimum Authorized Denomination, so that the annual debt service on the Bonds is approximately equal. The annual serial maturities or mandatory sinking fund redemptions shall be established in amounts as set forth by the Remarketing Agent in a certificate delivered to the Trustee and the Issuer as conforming to the foregoing requirements. In the alternative, Fixed Rate Bonds shall mature in such amounts as shall be approved by the Issuer in a supplemental indenture delivered prior to the Fixed Rate Conversion Date. In addition, the Trustee shall give written notice of the conversion to any Rating Agencies then rating the Bonds.

(b) Not later than 30 days prior to the Fixed Rate Conversion Date, the Trustee shall give written notice by registered or certified mail, return receipt requested, to all Holders of Bonds being converted stating (1) that on the Fixed Rate Conversion Date the Bonds will convert to Fixed Rate Bonds and the rating on the Bonds, if any, upon conversion to a Fixed Rate, (2) that on the Fixed Rate Conversion Date the Bonds will be subject to mandatory tender and purchase, (3) that all Holders of such Bonds shall be deemed to have tendered such Bonds for purchase on the Fixed Rate Conversion Date and such Bonds shall be deemed tendered if not delivered to the Trustee, (4) if the proposed Fixed Rate Conversion Date is also a Substitution Date, the identity of the issuer of the Substitute Credit Facility, and (5) that if for any reason the conversion to a Fixed Rate does not occur, the Bonds will be subject to mandatory tender, be subject to purchase on the proposed Fixed Rate Conversion Date and will remain Weekly Rate Bonds or Daily Rate Bonds, as the case may be.

(c) If the Trustee receives written notification from the Obligor no later than 12:00 P.M. Eastern prevailing time, on the eighth day immediately preceding the Fixed Rate Conversion Date of the Obligor's decision not to elect the conversion of the interest rate on the Bonds to the Fixed Rate on the Fixed Rate Conversion Date, the interest rate on the Bonds shall not be converted to the Fixed Rate on the Fixed Rate Conversion Date and the Bonds shall continue to bear interest at the Weekly Rate or the Daily Rate, as the case may be. In such event, all Bonds shall be purchased on the proposed Fixed Rate Conversion Date in accordance with the provisions of Section 2.02 hereof. Further, the Issuer, the Obligor and the Trustee shall be restored to their former positions and rights hereunder with respect to the Bonds, and all rights of the Issuer, the Trustee and the Obligor hereunder shall continue as if no such proceedings for the conversion of the interest rate on the Bonds had been taken. The Trustee shall promptly notify the Issuer by mail (and shall immediately notify the Bank and the Remarketing Agent by telephone) in the event that the interest rate on the Bonds is not converted on the Fixed Rate Conversion Date as provided herein.

(d) Not earlier than 30 days nor later than the Business Day prior to the Fixed Rate Conversion Date, the Remarketing Agent shall establish the Fixed Rate or Fixed Rates to be applicable to the Bonds from and after the Fixed Rate Conversion Date, which shall be the lower of (1) the Maximum Rate and (2) that rate of interest that is the minimum rate or rates necessary in the judgment of the Remarketing Agent, under the then current market conditions, to remarket the Bonds on the Fixed Rate Conversion Date at a price equal to the principal amount thereof plus accrued interest thereon, if any. If the Remarketing Agent fails to determine the Fixed Rate or Fixed Rates for such Bonds, or a court of competent jurisdiction holds that the interest rate or rates so determined are invalid or unenforceable, the Bonds shall be subject to mandatory tender, shall be purchased on the proposed Fixed Rate Conversion Date and such Bonds shall remain Weekly Rate Bonds or Daily Rate Bonds, as the case may be, and shall bear interest at the rate determined pursuant to Section 1 10A or 1 10B of the Indenture, as applicable.

The determination by the Remarketing Agent of the interest rates in accordance with the provisions of the Indenture shall be conclusive and binding upon the registered owners of the Bonds, the Issuer, the Obligor, the Trustee and the Bank.

Any Bond purchased pursuant to the terms of the Indenture from the date the first notice is given by the Trustee to the registered owners as provided above through the Conversion Date (or a Substitution Date, as defined in the Indenture) may not be remarketed except to a buyer to whom the Remarketing Agent has delivered, at the time of such remarketing, a copy of the notice of conversion (or substitution of the Credit Facility) pursuant to the Indenture. On the Conversion Date (or Substitution Date), Bonds purchased from such notice date through such Conversion Date (or Substitution Date) and not remarketed will be purchased at par from proceeds of a drawing under the Credit Facility.

TRANSFER OR EXCHANGE

This Bond may be transferred or exchanged by the registered owner hereof, but only upon the registration books of the Issuer kept by the Trustee, upon the surrender of this Bond, together with a written instrument of transfer or exchange satisfactory to the Trustee duly executed by the registered owner or the registered owner's attorney duly authorized in writing, and thereupon a Bond or Bonds of any denomination or denominations authorized by the Indenture in the same aggregate principal amount shall be issued to the transferee or registered owner in exchange therefor.

Following such assignment the Trustee may authenticate and deliver a new Bond or Bonds, as appropriate, to the purchaser or purchasers thereof.

THE REGISTERED OWNER OF THIS BOND, BY PURCHASE AND ACCEPTANCE OF THIS BOND, HEREBY IRREVOCABLY APPOINTS THE TRUSTEE AS ITS DULY AUTHORIZED ATTORNEY-IN-FACT FOR THE PURPOSES OF ASSIGNMENT, ENDORSEMENT, CERTIFICATION, EXECUTION OR ACKNOWLEDGEMENT THAT THE REGISTERED OWNER IS HOLDING THIS BOND FOR THE BENEFIT OF THE PURCHASER OR PURCHASERS, REGISTRATION OF TRANSFER AND DELIVERY OF BONDS IN THE EVENT OF A MANDATORY OR OPTIONAL PURCHASE OF THE BONDS. THE TRUSTEE'S POWER OF ATTORNEY HEREUNDER IS COUPLED WITH AN INTEREST. THE TRUSTEE SHALL NOTIFY BY FIRST CLASS MAIL THE REGISTERED OWNER OF AN UNDELIVERED BOND THAT THE TRUSTEE HAS ACTED PURSUANT TO SUCH POWER OF ATTORNEY TO TRANSFER THE UNDELIVERED BOND ON THE APPLICABLE CONVERSION DATE, PROPOSED CONVERSION DATE, SUBSTITUTION DATE OR PURCHASE DATE.

IN THE EVENT OF A MANDATORY OR OPTIONAL PURCHASE, ANY UNDELIVERED BOND (AS DEFINED IN THE INDENTURE) SHALL NO LONGER EVIDENCE THE DEBT OF THE ISSUER, AND THE REGISTERED OWNER THEREOF SHALL BE ENTITLED ONLY TO PAYMENT OF THE PURCHASE PRICE FOR THE UNDELIVERED BOND UPON SURRENDER THEREOF TO THE TRUSTEE FROM THE FUNDS HELD IN THE FUND ESTABLISHED FOR SUCH PURPOSE AND MAINTAINED BY THE TRUSTEE AND SHALL NOT BE ENTITLED TO ANY FURTHER INTEREST THEREON.

The registration and registration of transfer of this Bond is subject to a charge by the Trustee sufficient to cover any governmental tax or fee in connection therewith. Neither the Issuer nor the Trustee shall be required (i) to register, transfer or exchange Bonds for a period of 15 days next preceding any selection of Bonds to be redeemed or thereafter until after the first publication or mailing of any notice of redemption, or (ii) to transfer or exchange any Bonds called for redemption.

Book-Entry System

The Issuer has entered into an agreement with The Depository Trust Company (“DTC”) for the purpose of establishing a “Book-Entry System” for the Bonds. Pursuant to such agreement, Bonds will be registered in the name of DTC, or its nominee, for the benefit of other parties (“DTC Participants”), and DTC shall agree to keep accurate records of the DTC Participants, and promptly to transfer funds received by it in payment for the Bonds to appropriate beneficiaries. The ownership interest of each actual purchaser of a Bond will be recorded in the records of the DTC Participant and each such purchaser will receive a written confirmation of the purchase providing details of the Bond acquired. Transfers of ownership will be accomplished by book entries made by DTC and, in turn, by the DTC Participant who will act on behalf of each such purchaser. Under such circumstances, purchasers will not receive certificates representing their ownership interest in the Bonds, except as otherwise specifically provided in the Indenture. The Issuer and the Trustee may treat the registered owner of each Bond as the owner thereof for all purposes, including payment of principal, interest, and redemption premium thereof, the giving of notices, and receipt of consents and direction as specified herein. DTC shall be entitled to take all action with respect to such notices and consents regarding Bonds registered in its or its nominee’s name, and may take actions with respect to a portion of such Bonds so registered which are inconsistent with the actions taken with respect to other portions of the Bonds so registered. Neither the Issuer, the Trustee, the Bank, the Obligor nor the placement agent of the Bonds is or will be responsible for the actions of DTC or anyone else in connection with the operation of the Book-Entry System. In any case where delivery of a Bond to the Trustee is required under the Indenture, such delivery shall be deemed to have been made by appropriate notation of transfer or registration on the records of DTC so long as the Book-Entry System is in effect.

DTC may determine to discontinue providing its service with respect to the Bonds at any time by giving notice to the Issuer, the Obligor and the Trustee and discharging its responsibilities with respect thereto under applicable law. Under such circumstances, the Trustee shall transfer and exchange Bond certificates to the actual purchaser of each Bond (the “Beneficial Owner”). The Beneficial Owner, upon registration of certificates held in the Beneficial Owner’s name, will become the registered owner of the Bonds.

The Issuer may determine that continuation of the system of the book entry transfers through DTC is not in the best interests of the respective Beneficial Owners and that the Beneficial Owners shall be able to obtain Bond certificates. In such event, the Issuer or DTC Participants, upon the direction of the Issuer, shall notify the Beneficial Owners of the availability of Bond Certificates and the Trustee shall transfer and exchange bond certificates to such Beneficial Owners. Thereafter, upon presentation of the Bonds for

transfer, the Trustee shall transfer the Bonds or portions thereof in accordance with the Indenture.

The cost and expense of printing, preparing and delivering Bond certificates upon the termination of the services of DTC shall be borne by the Obligor.

REDEMPTION

Optional Redemption

Variable Rate Bonds shall be subject to optional redemption prior to their stated maturity at the option of the Obligor, in whole on any date, or in part (in such manner so that following the redemption only Bonds in Authorized Denominations remain outstanding in accordance with the Indenture) on any Interest Payment Date, at a price of 100% of the principal amount thereof plus accrued interest to the redemption date, without premium.

All Bonds shall be subject to optional redemption prior to their stated maturity at the option of the Obligor, in whole or in part (provided all Bonds outstanding after the redemption shall remain in Authorized Denominations), on the Conversion Date at the principal amount thereof plus accrued interest thereon to the redemption date, without premium.

Extraordinary Optional Redemption

The Bonds are subject to redemption in whole or in part in multiples of \$5,000 (provided all Bonds outstanding after the redemption shall remain in Authorized Denominations) at the option of the Obligor, prior to maturity on the first Interest Payment Date for which the requisite notice of redemption can be given, at 100% of the principal amount thereof plus accrued interest to the redemption date upon exercise by the Obligor of its option to repay the Loan following an event wherein.

(a) the Project, or a portion thereof, shall have been damaged or destroyed or there shall have occurred the condemnation of such portion of the Project or the taking by eminent domain of such use or control of the Project or failure of title so that the Project, or a portion thereof, may not be reasonably restored in the opinion of the Obligor within a period of six consecutive months to the condition thereof immediately preceding such damage or destruction or condemnation or taking or a failure of title resulting in title insurance policy proceeds sufficient to pay the principal amount of the Bonds then outstanding or that the Obligor is thereby prevented from carrying on its normal operations at the Project, or a portion thereof, for a period of six consecutive months, or that the cost of restoration of the Project is reasonably deemed by the Obligor to be uneconomic; or

(b) as a result of any changes in the Constitution of the State of Wisconsin or the Constitution of the United States of America or of legislative or administrative action (whether federal, state or local) or by final decree, judgment or order of any court or administrative body (whether federal, state or local) entered after the contest thereof by the Obligor in good faith, the Loan Agreement shall have become void or unenforceable or impossible of performance in accordance with the intent of the parties as expressed therein.

Mandatory Redemption on Determination of Taxability

The Bonds are subject to mandatory redemption prior to maturity by the Issuer in connection with a “Determination of Taxability” as described herein,

“**Determination of Taxability**” shall mean either (a) the entry by a court of a final judgment or order or the promulgation by the Internal Revenue Service of a final ruling or decision, in either such case, to the effect that the interest on the Bonds is includable for federal income tax purposes in the gross income of all recipients thereof subject to federal income taxes (as distinguished from inclusion in a corporate holder’s adjusted current earnings for purposes of the alternative minimum tax or inclusion in effectively connected earnings and profits for purposes of computing tax on foreign corporations doing business in the United States or treatment as a preference item for purposes of the alternative minimum tax on corporations and individuals) or (b) the receipt by the Trustee of an opinion by an attorney or firm of attorneys of nationally recognized standing on the subject of municipal bonds selected by a registered owner or former registered owner, or beneficial owner or former beneficial owner, as the case may be, or the Obligor to the effect that interest on the Bonds is includable in the gross income of any registered owner or former registered owner, or beneficial owner or former beneficial owner, as the case may be, for federal income tax purposes (as distinguished from inclusion in a corporate holder’s adjusted current earnings and profits for purposes of computing tax on foreign corporations doing business in the United States or treatment as a preference item for purposes of the alternative minimum tax on corporations and individuals or interest on Bonds which are held by a “substantial user” of the Project or a person deemed related thereto (as such terms are used in Section 147(a) of the Internal Revenue Code of 1986, as amended)). For purposes of this definition, a judgment or order of a court or a ruling or decision of the Internal Revenue Service shall not be considered final during the pendency of any appeal or other action for judicial or administrative review which may be filed within the time allowed therefor, provided that the Trustee shall have received an opinion of nationally recognized bond counsel to the effect that such appeal or action for judicial or administrative review is not without merit.

If at any time a Determination of Taxability occurs, then within 5 Business Days of confirmation by the Trustee of such Determination of Taxability, the Trustee shall notify the registered owners by mail of the Determination of Taxability and all of the Bonds then outstanding shall be redeemed no later than 30 days after the date the Trustee confirmed the occurrence of such Determination of Taxability as provided in the Indenture or, if such day is a not a Business Day, the immediately succeeding Business Day. The Bonds shall be redeemed at a price equal to 100% of the principal amount plus accrued interest to such redemption date.

Mandatory Redemption from Surplus Bond Proceeds

The Bonds are subject to mandatory redemption on any Business Day for which notice of such redemption can be given, in part, equal to the surplus proceeds of the Bonds, if any, at the earliest time possible following the deposit in the Surplus Bond Proceeds Account within the Bond Fund, at a redemption price of 100% of the principal amount of

the Bonds so redeemed, together with interest accrued to the redemption date, all as provided in the Indenture, to the extent of the greatest amount equal to an integral multiple of \$5,000 in such Account (provided all Bonds outstanding after the redemption shall remain in Authorized Denominations).

Mandatory Redemption on Expiration of Credit Facility

The Bonds shall also be subject to mandatory redemption prior to their stated maturity at the principal amount thereof plus accrued interest thereon on the Interest Payment Date next preceding the date of expiration of the term of the Credit Facility or any Substitute Credit Facility then in effect, unless an extension or a Substitute Credit Facility shall have been delivered to the Trustee as provided in the Agreement at least 60 days prior to the last Interest Payment Date prior to the expiration of the Credit Facility or Substitute Credit Facility then in effect.

Procedure for and Notice of Redemption

In selecting Bonds for redemption, the Trustee may treat Bonds purchased at the demand of the registered owner pursuant to the Indenture and Bonds delivered pursuant to the Indenture in replacement therefor during the 15 days next preceding the notice by mailing of any proposed redemption of Bonds as though such purchase and delivery had not occurred. If a Bond selected for redemption shall have been purchased pursuant to the Indenture and a new Bond shall have been delivered in replacement therefor pursuant to the Indenture on or after the 15th day immediately preceding the notice by mailing of any proposed redemption of Bonds, then the Bond delivered in replacement for the Bond so purchased shall be deemed to be the Bond selected for redemption. Any Bonds selected for redemption which are deemed to be paid in accordance with the provisions of the Indenture will cease to bear interest on the redemption date. Upon presentation and surrender of such Bonds at the designated corporate trust office of the Trustee, such Bonds shall be paid and redeemed.

Except as provided for under a Mandatory Redemption on Determination of Taxability, the notices of redemption shall be given by the Trustee by mail not less than 30 days prior to the date set for redemption to each registered owner of a Bond to be so redeemed at the address shown on the registration books of the Issuer maintained by the Trustee.

V. PURCHASE OF BONDS ON PURCHASE DATES AND CONVERSION DATES

Demand Purchase Option

While a Credit Facility is in effect, each registered owner of a Variable Rate Bond has the right to have any or all of such owner's Bonds purchased at 100% of the par amount plus accrued and unpaid interest thereon, if any (the "Purchase Price") upon:

(i) (A) in the case of Weekly Rate Bonds, delivery by the Holder not later than 11:00 a.m., Eastern prevailing time, on a Business Day that is at least seven calendar days prior to the Purchase Date, to the Remarketing Agent at its principal office and the Trustee, of irrevocable notice by facsimile (promptly confirmed in writing, which written notice shall be addressed to the Trustee and the Remarketing Agent) which (1) states the aggregate principal amount (in Authorized Denominations) of such Weekly Rate Bonds to be purchased, (2) states the Purchase Date, and (3) appoints the Trustee as its duly authorized attorney-in-fact for purposes of transfer if the Bonds are not presented in a timely fashion; or

(B) in the case of Daily Rate Bonds, delivery by the Holder not later than 10:00 a.m., Eastern prevailing time, on a Business Day, to the Remarketing Agent at its principal office and the Trustee, of irrevocable notice by facsimile (promptly confirmed in writing, which written notice shall be addressed to the Trustee and the Remarketing Agent) which (1) states the aggregate principal amount (in Authorized Denominations) of such Daily Rate Bonds to be purchased, (2) states the Purchase Date (which Purchase Date may be the date of the delivery of such notice to the Trustee and the Remarketing Agent), and (3) appoints the Trustee as its duly authorized attorney-in-fact for purposes of transfer if the Bonds are not presented in a timely fashion; and

(ii) delivery to the Trustee, not later than the Purchase Date designated in the notice described in (i) or (ii) above, of such Bonds to be purchased with an appropriate endorsement for transfer or accompanied by a blank power of attorney duly executed. In the event such Bonds are not presented for purchase, they are deemed tendered and the registered owner thereof shall only be entitled to the Purchase Price of the Undelivered Bond upon surrender thereof to the Trustee.

Mandatory Tender and Purchase of Bonds

(a) All Variable Rate Bonds must be tendered by the Holders thereof to the Trustee for purchase (i) on any Conversion Date or on any proposed Conversion Date, and (ii) on a Substitution Date unless a Holder elects to retain its Bonds as provided in paragraph (c) below.

(b) Except as provided in paragraph (c) below, any Variable Rate Bonds tendered or required to be tendered for purchase shall be delivered to the Trustee, on or before the Conversion Date, proposed Conversion Date or Substitution Date, as applicable, and any Variable Rate Bonds required to be tendered for purchase that are not delivered for which there has been irrevocably deposited in trust with the Trustee an amount of money sufficient to pay the Purchase Price thereof shall be deemed to have been purchased and shall be Undelivered Bonds. In the event of a failure by a Holder to tender Bonds on or prior to the required date, such Holder shall not be entitled to any payment (including any interest to accrue subsequent to the required Purchase Date) other than the Purchase Price for such Undelivered Bonds, and any Undelivered Bonds shall no longer be entitled to the benefits of the Indenture, except for the payment of the Purchase Price therefor from such moneys. Any moneys held by the Trustee for the purchase of any Undelivered Bonds shall be separated and held uninvested in the Purchase Fund for the exclusive benefit of the Holders of such Undelivered Bonds.

(c) Each Holder of Variable Rate Bonds may elect to waive the mandatory tender and purchase of its Variable Rate Bonds on a Substitution Date which is not also a Conversion Date or proposed Conversion Date by delivering notice to the Trustee of such election not later than 11:00 a.m., Eastern prevailing time, on the eighth Business Day prior to the Substitution Date. Such notice must state that (i) such Holder acknowledges that the Credit Facility is being replaced with a Substitute Credit Facility, (ii) such Holder acknowledges that its Variable Rate Bonds will remain subject to optional and mandatory tender following the substitution on the same terms prior to the substitution, (iii) such Holder acknowledges that any rating on the Bonds may be reduced or withdrawn as a result of the substitution, and (iv) such Holder affirmatively elects to retain its Variable Rate Bonds; provided, that, if the Substitution Date is also a proposed Conversion Date or Conversion Date, the foregoing provisions of this paragraph (c) shall not apply and no Holder may elect to waive the mandatory tender and purchase of its Variable Rate Bonds.

Substitute Credit Facility

The Obligor may, from time to time, deliver to the Trustee a Substitute Credit Facility in accordance with the terms of the Indenture.

This Bond shall not be valid or become obligatory for any purpose until the Trustee's Certificate of Authentication hereon shall have been executed by the Trustee.

Registered Owner:

Principal Amount:

The City of West Allis, Wisconsin (the "Issuer") for value received hereby promises to pay from the sources and as hereinafter described, to the Registered Owner specified above, or registered assigns, the Principal Amount specified above on the Date of Maturity specified above, unless redeemed prior thereto as hereinafter provided, upon the presentation and surrender hereof at the designated corporate trust office of U.S. Bank National Association or its successor (the "Trustee"), and to pay to the Registered Owner hereof interest on the unpaid principal balance hereof from the Conversion Date specified above, or such later date to which interest has been paid, until paid, at the Interest Rate per annum specified above, computed on the basis of a year of 360 days and twelve 30-day months, payable semiannually on the 1st day of April and October of each year, commencing _____ by check mailed by the Trustee to the person in whose name this bond is registered at the close of business on the 15th day of the calendar month preceding the interest payment date.

This bond is one of an authorized series of bonds issued in the aggregate principal amount of \$5,000,000 (the "Bonds"), for the purpose of making a loan (the "Loan") of the full principal amount of the Bonds to Cleveland Gear Company, Inc., a Delaware corporation (the "Obligor"), in accordance with the Loan Agreement between the Obligor and the Issuer dated as of April 1, 2010 (the "Loan Agreement"), to enable the Obligor to _____ (the "Project") in the City of West Allis, Milwaukee County, Wisconsin, to promote the right to gainful employment, business opportunities and general welfare of its inhabitants and to pursue and enhance the tax base of the City of West Allis, Wisconsin.

The Bonds are issued pursuant to and in full compliance with the Constitution and laws of the State of Wisconsin (the “State”), particularly Section 66.1103 of the Wisconsin Statutes (the “Act”), and pursuant to a resolution of the Board of the Issuer (the “Resolution”). The Bonds and the premium, if any, and interest thereon shall never constitute a debt or indebtedness of the State or the Issuer within the meaning of any constitutional or statutory limitation and shall never constitute or give rise to a pecuniary liability of the Issuer or a charge against the general credit, funds or assets of the State or the general credit of the Issuer, or the taxing powers of the State, but shall be a limited obligation of the Issuer payable solely from and secured solely by the “Security”, all as defined and provided in the Resolution and the Trust Indenture (the “Indenture”), dated as of April 1, 2010, from the Issuer to the Trustee for the equal and ratable benefit of the registered owners of the Bonds.

THE BONDS ARE LIMITED OBLIGATIONS OF THE ISSUER. THE PRINCIPAL OF AND INTEREST ON THE BONDS ARE PAYABLE SOLELY OUT OF THE REVENUES DERIVED UNDER THE LOAN AGREEMENT AND THE SECURITY. THE BONDS ARE NOT AN INDEBTEDNESS OF THE ISSUER, WITHIN THE MEANING OF ANY STATE CONSTITUTIONAL PROVISION OR STATUTORY LIMITATION. THE BONDS ARE NOT A CHARGE AGAINST THE ISSUER’S GENERAL CREDIT OR TAXING POWERS OR A PECUNIARY LIABILITY OF THE ISSUER UNDER THE ACT.

Under the Loan Agreement, the Obligor is obligated to repay the Loan by making payments at such times and in such amounts (the “Loan Repayments”) as shall be required to pay the principal of, premium, if any, and interest on the Bonds, as the same become due. As security for the Loan Repayments payable by the Obligor under the Loan Agreement, the Obligor has caused to be delivered to the Trustee an irrevocable letter of credit (the “Credit Facility”) of KeyBank National Association (the “Bank”). The Trustee is entitled under the Credit Facility to draw up to the sum of (a) the principal amount of the Bonds to enable the Trustee to pay the principal amount of the Bonds (other than Bonds owned by the Obligor) when due at maturity, by acceleration of maturity or otherwise, or upon Optional Redemption, Extraordinary Optional Redemption, Mandatory Redemption on Determination of Taxability, Mandatory Redemption from Surplus Bond Proceeds, Mandatory Sinking Fund Redemption or Mandatory Redemption on Expiration of Credit Facility plus (b) an amount equal to 210 days’ maximum accrued interest on the Bonds to enable the Trustee to pay interest on the Bonds plus (c) any premium on the Bonds.

To provide for the issuance of the Credit Facility, the Obligor has entered into a Reimbursement Agreement dated as of April 1, 2010 (the “Reimbursement Agreement”) with the Bank pursuant to which the Obligor is obligated to reimburse the Bank for all drawings made under the Credit Facility.

The Security includes the Credit Facility and a security interest in the Loan Agreement and the Loan Repayments and in any other moneys held by the Trustee under the Indenture.

The Indenture and the Loan Agreement are on file at the designated corporate trust office of the Trustee. Reference is hereby made to the Indenture and the Loan Agreement for a description of the Security and for the provisions, among others, with respect to the rights, duties and obligations of the Issuer, the Obligor, the Trustee, the Bank and the registered owners of the Bonds and the terms upon which the Bonds are issued.

This Bond may be transferred or exchanged by the registered owner hereof but only upon registration books of the Issuer kept by the Trustee, upon the surrender of this Bond together with a written instrument of transfer or exchange satisfactory to the Trustee duly executed by the registered owner's attorney duly authorized in writing, and thereupon a Bond or Bonds of any denomination or denominations authorized by the Indenture in the same aggregate principal amount shall be issued to the transferee or registered owner in exchange therefor.

The registration and registration of transfer of this Bond is subject to a charge by the Trustee sufficient to cover any governmental tax or fee in connection therewith. Neither the Issuer nor the Trustee shall be required (i) to register, transfer or exchange Bonds for a period of 15 days next preceding any selection of Bonds to be redeemed or thereafter until after the first publication or mailing of any notice of redemption or (ii) to transfer or exchange any Bonds called for redemption.

Book-Entry System

The Issuer has entered into an agreement with The Depository Trust Company ("DTC") for the purpose of establishing a "Book-Entry System" for the Bonds. Pursuant to such agreement, Bonds will be registered in the name of DTC, or its nominee, for the benefit of other parties ("DTC Participants"), and DTC shall agree to keep accurate records of the DTC Participants, and promptly to transfer funds received by it in payment for the Bonds to appropriate beneficiaries. The ownership interest of each actual purchaser of a Bond will be recorded in the records of the DTC Participant and each such purchaser will receive a written confirmation of the purchase providing details of the Bond acquired. Transfers of ownership will be accomplished by book entries made by DTC and, in turn, by the DTC Participant who will act on behalf of each such purchaser. Under such circumstances, purchasers will not receive certificates representing their ownership interest in the Bonds, except as otherwise specifically provided in the Indenture. The Issuer and the Trustee may treat the registered owner of each Bond as the owner thereof for all purposes, including payment of principal, interest, and redemption premium thereof, the giving of notices, and receipt of consents and direction as specified herein. DTC shall be entitled to take all action with respect to such notices and consents regarding Bonds registered in its or its nominee's name, and may take actions with respect to a portion of such Bonds so registered which are inconsistent with the actions taken with respect to other portions of the Bonds so registered. Neither the Issuer nor the Trustee is or will be responsible for the actions of DTC or anyone else in connection with the operation of the Book-Entry System. In any case where delivery of a Bond to the Trustee is required under the Indenture, such delivery shall be deemed to have been made by appropriate notation of transfer or registration on the records of DTC so long as the Book-Entry System is in effect.

DTC may determine to discontinue providing its service with respect to the Bonds at any time by giving notice to the Issuer, the Obligor and the Trustee and discharging its responsibilities with respect thereto under applicable law. Under such circumstances, the Trustee shall transfer and exchange Bond certificates to the actual purchaser of each Bond (the “Beneficial Owner”). The Beneficial Owner, upon registration of certificates held in the Beneficial Owner’s name, will become the registered owner of the Bonds.

The Issuer may determine that continuation of the system of the book entry transfers through DTC is not in the best interests of the respective Beneficial Owners and that the Beneficial Owners shall be able to obtain Bond certificates. In such event, the Issuer or DTC Participants, upon the direction of the Issuer, shall notify the Beneficial Owners of the availability of Bond Certificates and the Trustee shall transfer and exchange bond certificates to such Beneficial Owners. Thereafter, upon presentation of the Bonds for transfer, the Trustee shall transfer the Bonds or portions thereof in accordance with the Indenture.

The cost and expense of printing, preparing and delivering Bond certificates upon the termination of the services of DTC shall be borne by the Obligor.

Extraordinary Optional Redemption

The Bonds are subject to redemption in whole or in part, in multiples of \$5,000 (provided all Bonds outstanding following the redemption shall remain in Authorized Denominations) at the option of the Issuer, upon direction of the Obligor, prior to maturity on the first Interest Payment Date for which the requisite notice of redemption can be given, at 100% of the principal amount thereof plus accrued interest to the redemption date upon exercise by the Obligor of its option to repay the Loan following an event wherein

(a) the Project, or a portion thereof, shall have been damaged or destroyed or there shall have occurred the condemnation of such portion of the Project or the taking by eminent domain of such use or control of the Project or failure of title so that the Project, or a portion thereof, may not be reasonably restored in the opinion of the Obligor within a period of six consecutive months to the condition thereof immediately preceding such damage or destruction or condemnation or taking or a failure of title resulting in title insurance policy proceeds sufficient to pay the principal amount of the Bonds then outstanding or that the Obligor is thereby prevented from carrying on its normal operations at the Project, or a portion thereof, for a period of six consecutive months, or that the cost of restoration of the Project is reasonably deemed by the Obligor to be uneconomic: or

Mandatory Redemption on Determination of Taxability

The Bonds are subject to mandatory redemption prior to maturity by the Issuer in connection with a "Determination of Taxability" as described herein.

"**Determination of Taxability**" shall mean either (a) the entry by a court of a final judgment or order or the promulgation by the Internal Revenue Service of a final ruling or

decision, in either such case, to the effect that the interest on the Bonds is includable for federal income tax purposes in the gross income of all recipients thereof subject to federal income taxes (as distinguished from inclusion in a corporate holder's adjusted current earnings for purposes of the alternative minimum tax or inclusion in effectively connected earnings and profits for purposes of computing tax on foreign corporations doing business in the United States or treatment as a preference item for purposes of the alternative minimum tax on corporations and individuals) or (b) the receipt by the Trustee of an opinion by an attorney or firm of attorneys of nationally recognized standing on the subject of municipal bonds selected by a registered owner or former registered owner, or beneficial owner or former beneficial owner, as the case may be, or the Obligor to the effect that interest on the Bonds is includable in the gross income of any registered owner or former registered owner, or beneficial owner or former beneficial owner, as the case may be, for federal income tax purposes (as distinguished from inclusion in a corporate holder's adjusted current earnings for purposes of the alternative minimum tax or inclusion in effectively connected earnings and profits for purposes of computing tax on foreign corporations doing business in the United States or treatment as a preference item for purposes of the alternative minimum tax on corporations and individuals or interest on Bonds which are held by a "substantial user" of the Project or a person deemed related thereto (as such terms are used in Section 147(a) of the Internal Revenue Code of 1986, as amended)). For purposes of this definition, a judgment or order of a court or a ruling or decision of the Internal Revenue Service shall not be considered final during the pendency of any appeal or other action for judicial or administrative review which may be filed within the time allowed therefor, provided that the Trustee shall have received an opinion of nationally recognized bond counsel to the effect that such appeal or action for judicial or administrative review is not without merit.

If at any time a Determination of Taxability occurs, within 5 Business Days of confirmation by the Trustee of such Determination of Taxability, the Trustee shall notify the registered owners by mail of the Determination of Taxability and all of the Bonds then outstanding shall be redeemed no later than 30 days after the date the Trustee confirmed the occurrence of such Determination of Taxability as provided in the Indenture or, if such day is a not a Business Day, the immediately succeeding Business Day. The Bonds shall be redeemed at a price equal to 100% of the principal amount plus accrued interest to such redemption date.

Mandatory Redemption from Surplus Bond Proceeds

The Bonds are subject to mandatory redemption on any Business Day for which notice of such redemption can be given, in part, equal to the surplus proceeds of the Bonds, if any, at the earliest time possible following the deposit in the Surplus Bond Proceeds Account within the Bond Fund at a redemption price of 100% of the principal amount of the Bonds so redeemed, together with interest accrued to the redemption date, all as provided in the Indenture, to the extent of the greatest amount equal to an integral multiple of \$5,000 in such Account (provided all Bonds outstanding after the redemption shall remain in Authorized Denominations).

Mandatory Redemption on Expiration of Credit Facility

The Bonds shall also be subject to mandatory redemption prior to their stated maturity at the principal amount thereof plus accrued interest thereon on the Interest Payment Date next preceding the date of expiration of the term of the Credit Facility or any Substitute Credit Facility then in effect, unless an extension or a Substitute Credit Facility shall have been delivered to the Trustee as provided in the Agreement at least 60 days prior to the last Interest Payment Date prior to the expiration of the Credit Facility or Substitute Credit Facility then in effect.

Procedure for and Notice of Redemption

Any Bonds selected for redemption which are deemed to be paid in accordance with the provisions of the Indenture will cease to bear interest on the redemption date. Upon presentation and surrender of such Bonds at the designated corporate trust office of the Trustee, such Bonds shall be paid and redeemed.

Except as provided for under a Mandatory Redemption on Determination of Taxability, the notices of redemption shall be given by the Trustee by mail not less than 30 days prior to the date set for redemption to each registered owner of a Bond to be so redeemed at the address shown on the registration books of the Issuer maintained by the Trustee. If less than all the Bonds are to be redeemed, the notice shall identify the Bonds or portions thereof to be redeemed by reference to the serial numbers or other identifying designation of each such Bond. Failure to mail any such notice or any defect in such notice, as to any Bond shall not affect the validity of the proceedings for the redemption of any other Bond.

On or prior to the redemption date, if the Credit Facility is no longer in effect, Available Moneys (as defined in the Indenture) shall be placed on deposit with the Trustee and earmarked for such purpose to pay on such redemption date the Bonds or portions thereof thus called, plus premium, if any, and accrued interest thereon to the redemption date.

Acceleration of Maturity of Principal and Interest on the Bonds

PRINCIPAL AND INTEREST ON THE BONDS MAY BE DECLARED TO BE IMMEDIATELY DUE AND PAYABLE PRIOR TO MATURITY AT THE OPTION OF THE BANK IN THE EVENT THAT AN EVENT OF DEFAULT OCCURS UNDER THE TERMS OF THE REIMBURSEMENT AGREEMENT.

Substitute Credit Facility.

(a) The Obligor may, from time to time, deliver to the Trustee a Substitute Credit Facility, the terms of which are in all material respects the same as the existing Credit Facility except with respect to the stated expiration date which shall be at least as long as the stated expiration date of the existing Credit Facility, and, provided that the Trustee, the

Remarketing Agent and the Bank are given 60 days' notice prior to the Interest Payment Date next preceding the delivery of such Substitute Credit Facility (and a commitment to issue a Substitute Credit Facility from the issuer of a Substitute Credit Facility accompanies such notice), and provided further that such Substitute Credit Facility is accompanied by (i) a written opinion of Bond Counsel acceptable to the Issuer and the Trustee stating that the delivery of such Substitute Credit Facility to the Trustee is authorized under the Indenture and complies with the terms thereof, (ii) a written opinion of counsel to the issuer of the Substitute Credit Facility addressed to the Trustee that it is binding and enforceable in accordance with its terms, subject as to enforceability to bankruptcy, insolvency, reorganization, moratorium and similar laws affecting creditors' rights as they relate to the issuer of the Substitute Credit Facility and the exercise of judicial discretion in accordance with general principles of equity, that the Substitute Credit Facility is not subject to registration under the Securities Act of 1933, as amended, or has been so registered, and that any payments under the Substitute Credit Facility will not constitute voidable preferences under the United States Bankruptcy Code, (iii) a written opinion of Bond Counsel to the effect that the exclusion of the interest on the Bonds from gross income for federal income tax purposes will not be impaired due to the substitution, (iv) written evidence that with respect to the long term indebtedness of the issuer of the Substitute Credit Facility, or with respect to securities supported by similar credit instruments issued by such issuer, the rating thereof is not less than the ratings for similar instruments of the then current issuer of the Credit Facility, and (v) written confirmation from the Bank that all sums owed by the Obligor to the Bank have been paid in full. Upon receipt of such documentation, the Trustee shall accept such Substitute Credit Facility and promptly surrender the previous Credit Facility to the issuer thereof for cancellation.

(b) Not less than 30 days prior to any Substitution Date, the Trustee shall give notice of the Substitution Date to the Remarketing Agent, the registered owners and the Bank by registered or certified mail, return receipt requested which notice shall (1) specify the Substitution Date and (2) specify the issuer of the Substitute Credit Facility.

LIMITATION OF RIGHTS

in the manner provided in the Indenture and for the benefit of the registered owners of all Bonds then outstanding. Subject to the foregoing, the registered owner of this Bond shall have a right of action to enforce the payment of the principal of and interest on this Bond at and after the maturity hereof at the place, from the sources and in the manner herein expressed, provided that no registered owner of any Bond shall have a right individually to claim against, or draw under the Credit Facility. Moneys collected pursuant to the above-described proceedings are to be applied, after paying the fees and expenses of the Trustee, to pay the principal of, premium, if any, and interest on the Bonds as provided in the Indenture.
