*Discussion ensued regarding suggestions for updating the West Allis City Policy and the Municipal Code relative to liquor licenses being approved subject to necessary requirements and the applicant not opening the business. This update may deter licenses from being held by applicants not opening the business in a reasonable amount of time. John Stibal stated that developers need reassurance that a license will be granted to them once the project is completed without having a Public Hearing to go over quota. It was suggested that criteria should be created to allow for extenuating circumstances or good cause. Attorney Cerwin was directed to draft an Ordinance and/or update the Policy to address the Committee's concerns. Attorney Cerwin stated the criteria will have to be within the Wisconsin State Statutes Chapter 125.*
