Notes

The objective of the mural is to pair elements of West Allis and this new venture by the Schneider sisters.

- Highlighting West Allis within the mural on a wall with high visibility to traffic + pedestrians

- Accessible for photographs by visitors

- Abstract floral pattern inspired by the native purple coneflower and smooth aster that could be found at the historic Farmer's Market.

- Specialized bicycle similar to what the Schneider sisters race on.

- Coffee, loaf of bread, and cupcake to nod to The Bread Pedalers without being too heavy handed.
