Re: 10606 W Arthur Ave

We are in the process of purchasing the land and building located at 10606 W Arthur Ave in West Allis that was the former Boucher Nissan. It is our intent to operate the facility as an extension of our current business located directly next door at 2400 So. 108th St. West Allis.

I would request that this facility be added to our current dealer license as this property is contiguous to our existing dealership. We will utilize this property as an automobile dealership selling and servicing vehicles.

Please advise what steps are necessary to accomplish this request. I have been in contact with Steve Shear in the planning department and also with the building inspection department and have completed the necessary documents that they require.

I await your reply.

Sincerely,

Thomas Dexter
