To whom it may concern,

This letter is to recommend the sole source purchase of GIS software Maintenance from the Intergraph Corporation. This is the only vendor that sells the products and services we need for our GIS platform. Also, we have been dealing with this vendor for over 14 years and their product and support has been exemplary. You will also find their pricing to be fair and reasonable. I respectfully request your approval of this vendor for this purchase of software and service for the City of West Allis GIS applications. Thank you.
