Regarding: North/South Alley between South 94<sup>th</sup> and 95<sup>th</sup> Streets, W. Dakota St and W. Manitoba St. and North/south and East/West Alley between S. 94<sup>th</sup> Street, S. 95<sup>th</sup> Street, W. Manitoba St and W Okalahoma.

We the people who properties abutting the above streets and alleys reside in houses do not want any major or minor improvements done to the alleys. We understand that the cost's could range from \$100.00 and under to \$1,000.00 and up and beyond to replace or repair this area mentioned in the last minutes of the common council meeting held on the first Tuesday of each month. We ask that the city take into consideration the economic hardship this will cause many home owners, we therefore ask that the city table this action to repair or replace the alleys when the economy is in better shape.
