Attn: Monica Schultz,
City Clerk
West Allis City Clerk's Office, WI

Ref: Findings and Recommendations of the License & Health Committee for Vani's Kitchen, Inc.

Dear City Clerk,

We have received your letter dated May 5th, 2016 and all your prior communications regarding Vani's Kitchen, West Allis. Per the last letter, I Vigneshwar Bhadharla, agent for Vani's Kitchen was ordered to be summoned to appear before the License and Health Committee of the West Allis Common Council on March 22nd, 2016 at 6:00 PM. I tried to attend the meeting on that but couldn't make it before 7:00 PM, but by then the meeting has ended and common council members were ready to leave for the day. In the past those meetings lasted a bit longer and my name was called all the way at the end given business name starts with alphabetical letter V.

In the summons letter it was stated Vani's Kitchen has failed to obtain inspections required for the year, not provided Wisconsin Business Tax Registration Certificate to the City Clerk's Office and failed to appear for the meetings.

Even though we agree to the allegations made above to a certain extent, I want to bring it to committee's attention, except for plumbing inspection all other inspections are complete per the license requirement for July 1st, 2015 to June 30th 2016 period. The initial plumbing inspection is also complete and some follow up need to be made regarding a small fix. Other than, to my knowledge all other requirements including presenting business tax registration certificates etc., are complete. If not I can follow up with city office in the next two weeks and take care of it before May 31st, 2016. When it comes to meetings I used to attend all the meetings when I am in town. When I had to go out of town around the meeting period used to call City Office and provide an update on inspection status in Advance.

As stated in the above paragraph, I am hereby notifying the committee will take care of all licensing requirements by Law by end of May 2016 and at the max no later than end of 1st week of June in tie for next renewal. With that said I hear by request Licensing committee to grant some time to address the allegations made in letter and not to revoke any licenses at this time.

If you have any questions or concerns regarding this letter, please feel free to contact me on my cell @ (414) 803-1053.

Sincerely,

Vigneshwar Bhadharla
